CONFLICTING CLAIMS.

Due consideration of all claims.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Application before Sub-agent.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-agent or a Local Representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-agent or Local Representative has been received.

Sickness of applicant.

Provided further that if on account of sickness or other satisfactory reason shown to the agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

AT THE GOVERNMENT HOUSE AT OTTAWA

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th July, 1918, from the Acting Minister of the Interior, stating that the Department of the Interior, has had before it the claims of a number of squatters to portions of the northwest quarter of Section 6 in Township 3 and Range 12, east of the Principal meridian, the land referred to being situated near the station of Badger on the Canadian Northern Railway, and that it was considered advisable to subdivide the land in question into small lots so as to cover the claimants' improvements and allow them to purchase the lots at a price to be fixed by valuation.

This subdivision has been surveyed under the instructions of the Surveyor-General of Dominion Lands and the plan thereof has been registered in the Winnipeg Land Titles Office.

The Minister, therefore, recommends that he be authorized to dispose of the lots in the said subdivision at the valuation placed thereon by an officer of the Interior and on the usual terms respecting Government townsites, namely, either the whole of the purchase price at the date of sale or one fourth of the purchase pice at that date and the remainder in three equal consecutive annual instalments, with interest at five per cent per annum.

The Committee concur in the foregoing recommendation, and submit the same for approval.

Section.	Township.	Range.	Meridian.	Area.	Remarks. North of Indian Reserve.

WHEREAS Mr. John Inglis McLean, of Fort Vermilion, in the Province of Alberta, has made application for a free grant of the S.W. ¼ of section 27, Township 108, Range 12, west of the Fifth meridian, in the said Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian title ;

And whereas evidence has been submitted showing Mr. McLean to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No.8 in the summer of 1899 ;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of the Interior, and under the provisions of Section 76 of the Dominion Lands Act, is pleased to authorize and doth hereby authorize a free grant of the S.W. ¼ of Section 27, Township 108, Range 12, west of the Fifth meridian, containing 160 acres, more or less, to Mr. McLean.

RODOLPHE BOUDREAU,

[1830]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Ottawa, Thursday, 25th July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th July, 1918, from the Acting Minister of the Interior, stating that application has been made by the North American Reindeer Company (incorporated) with headquarters at South Bend, Indiana, for free grazing privileges for a period of thirty years, for the purpose of raising reindeer on the track outlined in pink on the attached map, and described as situated in the northern part of the Province of Manitoba, and in the Northwest Territories, and comprising that territory bounded on the north by the sixty-first degree of north latitude, on the east by Hudson's Bay, on the south by Churchill River, Indian and Granville Lakes and the waters connecting them, and on the west by Reindeer River, Reindeer Lake and the one hundred and second parallel of longitude, containing an area of 75,850 square miles more or less.

The introduction of reindeer into Alaska by the United States has resulted in an assured food supply for the natives and efficient means of transportation ; and within recent years a considerable quantity of reindeer meat has been available for export to Seattle and other pacific coast points. It is considered that the northern areas of the Northwest Territories are exceptionally suitable for reindeer. The development of reindeer herds in the Territories should be of great value in the matter of an assured food supply for the native population ; the utilization of trained reindeer will provide means of transportation and permit of effective exploration of the country ; and eventually the reindeer herds should contribute substantially to the meat supply of the rest of Canada. However, the introduction of reindeer into northern Canada will necessarily involve considerable risk and a large expenditure as well as expert handling and if the pioneer work is undertaken by private individuals or corporations on an extensive scale, sufficient to ensure reasonable success, the minister is of the opinion that such persons or corporations should receive encouragement from the Dominion to the extent of free grazing privileges for a limited term.

The minister, therefore, recommends that he be authorized to grant permits for free grazing privileges for reindeer in the area above described for a period not exceeding thirty years (30 years) to any persons or corporations who establish the bona fides of their enterprise to the satisfaction of the Minister of the Interior.

Provided that all such permits shall contain such conditions and restrictions as the minister may specify ; that in no case shall the privileges given be exclusive ; and that all permits shall be subject to such regulations as the Governor in Council may from time to time prescribe.

The Committee concur in the foregoing recommendation, and submit the same for approval.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 12th July, 1918, from the Acting Minister of the Interior, stating that the Regulations governing the Dominion Forest Reserves prohibit fishing in any other manner than by angling and trolling in those waters in Alberta, south of the north boundary of township 55.

It has been reported by the forest officers that there are a number of lakes in township 52, range 26, west 5th meridian, in the Athabaska Division of the Rocky Mountains Forest Reserve, which are well supplied with white and jackfish ; that these lakes have furnished a supply of fish to the surrounding settlers for some years past without any appreciable diminution of the supply, and that the enforcement of the prohibitive regulation referred to will, in view of the present shortage of food, result in hardship for the settlers who have been accustomed to use nets in obtaining a supply of fish from these lakes.

The Minister therefore recommends that authority be granted to issue domestic fishing permits for these lakes during the years 1918, 1919 and 1920, not to exceed a total of 12 such permits in each year, for the use of 100 feet of 5½ inch mesh gill net, at a fee of $4.00 for resident British subjects, each permit to cover only the summer or winter season as the case may be.

The committee concur in the foregoing recommendation and submit the same for approval.

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront ou qu'icelles pourront de quelque manière concerner,—SALUT :

PROCLAMATION d'amnistie conditionnelle concernant ceux des hommes de la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, qui ont désobéi à notre Proclamation du 13 octobre 1917, ou aux ordres de se rapporter pour le service, ou qui sont déserteurs ou absents sans permis de la Force expéditionnaire canadienne :

E. L. NEWCOMBE, Sous-ministre de la Justice, Canada. } ATTENDU qu'un nombre considérable d'hommes de la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, appelés au service actif dans la Force expéditionnaire canadienne pour la défense du Canada par Notre proclamation du 13 octobre 1917, bien qu'ils soient par là devenus légalement enrôlés dans le service militaire canadien,

Ont fait défaut de se rapporter pour le service, suivant qu'ils en étaient légalement requis sous l'empire de ladite *Loi concernant le Service Militaire* et des règlements promulgués en conséquence, y compris Notre Arrêté en conseil en date du 20 avril dernier,—

Ou ont déserté,

Ou se sont absentés sans permis de Notre Force expéditionnaire canadienne ;

Et attendu qu'il est représenté que la situation grave et regrettable dans laquelle ces hommes se trouvent, est due, dans bien des cas, au fait que, nonobstant l'information et l'injonction fournies par Notre dite proclamation, ils ont mal compris leur devoir ou leur obligation, ou ont été induits en erreur par les conseils de gens mal inspirés, déloyaux ou séditieux ;

Et Attendu que Nous désirons, dans la mesure possible, éviter l'infliction des lourdes pénalités édictées par la loi pour la punition des offenses graves dont ces soldats se sont rendus coupables,—et leur fournir l'occasion, dans une période de temps limitée, de se rapporter et mettre leurs services à la disposition de la Force expéditionnaire canadienne, comme ils sont légalement

tenus de le faire et comme cela est nécessaire à la défence de la Puissance du Canada.

SACHEZ MAINTENANT que dans l'exercice de Nos pouvoirs, et de Notre bon vouloir et plaisir, Nous proclamons, déclarons, publions et portons à la connaissance de tous, que les pénalités édictées par la loi ne seront pas imposées ou exigées au sujet des hommes appartenant à la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, qui ont désobéi à Notre proclamation susdite, ou qui, ayant reçu avis de Nos registraires ou députés registraires de se rapporter à une date passée, ont manqué de se rapporter ainsi ; ou qui, s'étant rapportés et ayant obtenu un congé, ont manqué de se rapporter à l'expiration de leur congé ou qui ont déserté de Notre Force expéditionnaire, pourvu que ceux concernés se rapportent pour le service le ou avant le 24 août 1918.

Et nous avertissons strictement tous les hommes ainsi concernés et leur signifions solennellement, ainsi qu'à ceux qui emploient, reçoivent, cachent ou assistent ceux-là dans leur désobéissance, que s'ils persistent dans leur défaut de se rapporter, dans leur absence ou dans leur désertion jusqu'à l'expiration de la date en dernier lieu mentionnée, ils seront poursuivis et punis avec toutes les rigueurs et la sévérité de la loi, et deviendront passibles du jugement de nos cours martiales qui seront assemblées pour juger ces cas, ou de tous autres tribunaux compétents ; et aussi que ceux qui emploient, reçoivent, cachent ou assistent ces hommes, deviendront eux-mêmes strictement soumis aux mêmes pénalités que les coupables principaux et sujets aux mêmes punitions, pénalités, forfaitures que la loi met à la disposition des autorités pour la punition desdites offenses.

Pourvu que rien de ce qui est contenu dans Notre présente proclamation ne soit interprété comme diminuant l'obligation dans laquelle se trouvent ces hommes de se rapporter au service le plus tôt possible, ou comme leur accordant l'immunité contre l'arrestation ou la détention qui pourrait être effectuée dans l'intervalle dans le but de les forcer à l'exercice du service militaire ; Notre intention étant seulement de ne pas prononcer ou de remettre les pénalités encourues jusqu'à présent pour défaut de se rapporter, pour absence sans permis ou pour désertion, dont seraient passibles les hommes décrits plus haut, qui le ou avant le 24 août prochain seront rentrés dans l'exercice des devoirs militaires auxquels ils sont astreints.

De tout ce qui précède Nos féaux sujets, et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance, d'obéir strictement et se conformer à Nos présents commandements, directions et exigences, et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN: Notre très fidèle et très aimé cousin et conseiller Victor-Christian-William, duc de Devonshire, marquis d'Hartington, comte de Devonshire, comte de Burlington, baron Cavendish de Hardwicke, baron Cavendish de Keighley, chevalier de Notre très noble Ordre de la Jarretière ; membre de Notre très honorable Conseil privé ; chevalier grand-croix de Notre Ordre très distingué de Saint-Michel et de Saint-Georges ; chevalier grand-croix de Notre Ordre royal de Victoria, Gouverneur général et Commandant en chef de Notre Dominion du Canada.

A Notre Hôtel du Gouvernement, en Notre Cité d'OTTAWA, ce PREMIER jour d'AOUT en l'année de Notre-Seigneur mil neuf cent dix-huit, et de Notre règne la neuvième.

ARRÊTÉS EN CONSEIL.

[1838]

HOTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 25e jour de juillet 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Président suppléant du Conseil privé et sous l'empire des pouvoirs conférés par la *Loi des mesures de guerre, 1914*, ou autrement, de sanctionner par les présentes le règlement suivant, qui a été rédigé par le Contrôleur du combustible et est par lui recommandé pour approbation.

RÈGLEMENT.

1. Ni houille, ni huile combustible ne seront consommées, brûlées ou employées pour un yacht privé quelconque, ni ne lui seront fournies pour une fin quelconque, sauf pour la cuisine ou pour lui permettre d'atteindre son port de destination par la voie la plus courte possible pour naviguer en sûreté ; toute personne qui enfreint ce règlement est coupable de délit et passible, sur conviction sommaire, d'une amende n'excédant pas $500 ou d'emprisonnement pour une période n'excédant pas un mois, ou des deux peines de l'amende et de l'emprisonnement.

2. L'expression "yacht privé" pour les fins du règlement qui précède signifie tout bateau qui ne navigue pas sous les ordres du gouvernement du Canada ou pour bénéfice et dont la force motrice est en tout ou en partie la houille ou l'huile combustible.

HOTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 25e jour de juillet 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 12e jour de juillet 1918, représentant que les règlements régissant les réserves forestières fédérales défendent de faire la pêche autrement qu'à la ligne à main et à la ligne traînante dans les eaux de l'Alberta au sud de la borne nord du township 55.

Les fonctionnaires du service ont fait rapport que plusieurs lacs du township 52, rang 26, à l'ouest du 5e méridien, dans la réserve forestière des Montagnes Rocheuses de la division d'Athabaska abondent en poisson blanc et en brochet ; que depuis plusieurs années, ces lacs ont fourni du poisson aux colons des environs sans diminution appréciable de la quantité et que vu la mise en vigueur des règlements prohibitifs susmentionnés sera une cause de privation pour les colons qui ont été accoutumés à se servir de filets pour leur approvisionnement de poisson dans ces lacs.

Le ministre, par conséquent, demande l'autorisation d'accorder des permis de pêche dans ces lacs pour consommation domestique pour les années 1918, 1919 et 1920. Il ne sera pas accordé plus de 12 permis par année. Ces permis seront pour 100 pieds de filet tramaillé de cinq pouces et demi de maille. L'honoraire sera de $4 pour les sujets britanniques résidents. Chaque permis ne couvrira que la saison d'été ou d'hiver, selon le cas.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
6-4 Greffier du Conseil privé.

HÔTEL DU GOUVERNEMENT À OTTAWA

MARDI, le 14e jour de mai 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre de l'Intérieur, d'approuver par les présentes les règlements suivants régissant la concession gratuite de terres fédérales aux colons sous le régime de la Loi d'établissement de soldats, 1917.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÉGLEMENTS RÈGISSANT L'ÉTABLISSEMENT DES SOLDATS, CANADA, 1918

AUTORITÉ.

1. Les présents règlements sont faits et approuvés sous l'empire de la Loi d'établissement de soldats, 1917, soit la "Loi ayant pour objet d'aider les soldats revenus au pays à s'établir sur des terres, et ayant aussi pour objet d'augmenter la production agricole".

INTERPRÉTATION.

2. Dans les présents règlements, à moins que le texte n'exige autrement:

(*a*) "Loi" signifie la Loi d'établissement de soldats, 1917;

(*b*) "Commission" signifie la Commission d'établissement de soldats;

(*c*) "colon" signifie toute personne à laquelle s'applique la définition de ce mot dans la loi;

(*d*) "agent" ou "agent des terres fédérales" signifie une personne employée à ce titre sous le régime des dispositions de la Loi des terres fédérales;

(*e*) "sous-agent" signifie un sous-agent sous le régime des terres fédérales;

(*f*) "représentant local" signifie toute personne nommée par la Commission d'établissement de soldats pour agir en qualité de représentant de la Commission dans un district particulier quelconque, et ayant tels devoirs et pouvoirs qui peuvent lui être assignés par la Commission;

(*g*) "terres fédérales", ou "terres" ou "terre" signifie toutes terres du Canada auxquelles s'appliquent les présents règlements;

(*h*) "inscription de soldat" signifie une inscription gratuite sur les terres fédérales accordée par le Ministre à un colon recommandé par la Commission;

(*i*) "inscription" peut signifier une inscription de soldat ou une inscription accordée sous l'empire de la Loi des terres fédérales;

(*j*) "concession de soldat" signifie le terrain pour lequel une inscription de soldat a été accordée sous l'empire des dispositions des présents règlements;

(*k*) "homestead", "homestead acheté", "préemption" signifie un terrain possédé par inscription de homestead, de homestead acheté ou de préemption, respectivement, sous le régime de la Loi des terres fédérales.

DÉFINITION DE "COLON".

3. L'inscription sur les terres fédérales sous le régime des dispositions des présents règlements peut être accordée à toute personne recommandée par la Commission qui est un "colon" ainsi que défini par la loi.

4. Les personnes suivantes sont des "colons" aux termes de la loi:

(*a*) Toute personne qui a servi dans les forces navales ou militaires expéditionnaires du Canada au cours de la présente guerre et qui a quitté le service avec un dossier honorable ou qui a été honorablement licenciée;

(*b*) Toute personne qui a été engagée en service actif au cours de la présente guerre dans les forces navales ou militaires du Royaume-Uni ou de tous dominions ou toutes colonies autonomes britanniques et qui a quitté le service avec un dossier honorable ou qui a été honorablement licenciée;

(*c*) Toute personne qui, étant sujet britannique résidant au Canada avant la guerre, a été engagée en service actif à l'un des théâtres de la guerre dans l'une ou l'autre des forces navales ou militaires d'aucun des alliés de Sa Majesté dans la présente guerre et qui a quitté le service avec un dossier honorable ou qui a été honorablement licenciée;

(*d*) La veuve de toute telle personne décrite au paragraphe (*a*), (*b*) ou (*c*) ci-dessus qui est décédée en service actif.

COMMENT ÉTABLIR SON DROIT COMME "COLON".

5. Toute personne qui se considère qualifiée comme colon et désire jouir des privilèges des présents règlements doit soumettre à la Commission tous renseignements qui permettront à la Commission de déterminer qu'il est une personne à laquelle s'applique

Formule de renseignements préliminaires.

la loi. Ces renseignements doivent être donnés sur la formule de renseignements préliminaires émise par la Commission et qu'on peut obtenir en s'adressant à la Commission d'établissement de soldats à Ottawa ou à un quelconque de ses représentants locaux qui, au besoin, doit aider le colon à remplir la formule.

Certificats de congé.

6. Dans le cas d'un colon qui a servi dans les forces expéditionnaires canadiennes, la Commission consultera le Département de la Milice concernant ses états de service; dans tous les autres cas la personne qui demande un prêt doit envoyer son certificat de congé honorable (on conseille pour cette fin de se servir de lettres chargées seulement), ou une copie certifiée par le représentant local ou par un notaire public dûment autorisé et pratiquant, ou tout autre témoignage jugé nécessaire pour permettre à la Commission de se prononcer sur son droit.

Attestation du droit.

7. Après que le droit au titre de colon a été établi d'une manière satisfaisante, une déclaration de tel droit sur une formule "d'attestation" signée par le président de la Commission est délivrée au colon. Cette "attestation" n'est pas transférable et doit être présentée et remise lorsque la demande formelle d'inscription est faite.

RÉSERVES DE TERRAINS.

Réserve de terrains.

8. La Commission peut demander la mise en réserve de terres fédérales disponibles pour les fins de la Loi.

Terrains spécialement réservés.

9. Dans le cas où un terrain réservé sous l'empire de la Loi est requis pour quelque fin spécifique en rapport avec l'établissement des soldats, ou s'il a une valeur particulière à cause de sa situation ou autrement, ou s'il est constaté que quelqu'un a sur ce terrain un droit qui n'était pas connu lorsqu'il a été réservé pour l'établissement des soldats, la Commission peut soustraire ce terrain à l'inscription de soldats, soit avant ou après qu'il a été ouvert à l'inscription, et le réserver pour en disposer comme il peut être jugé à propos.

Annulation de la réserve.

10. Si, de l'avis de la Commission, un terrain quelconque qui a été réservé sous l'empire de la Loi n'est pas propre à l'établissement des soldats, la Commission peut demander l'annulation de la réserve.

Déchéance de toutes réserves.

11. Toutes les réserves de terrain sous l'empire de la Loi tomberont en déchéance trois ans après la fin de la présente guerre.

Terres boisées closes à l'inscription.

12. Un quart de section contenant plus de vingt-cinq acres de "bois marchand" n'est pas ouvert à l'inscription, et si on obtient l'inscription d'un terrain qui, quoiqu'il ne soit pas réservé à l'époque, a une certaine valeur à cause du bois marchand qui s'y trouve, l'inscription peut être annulée; toutefois, dans le cas où une inscription est ainsi annulée aucune compensation n'est donnée à l'inscrit pour la valeur du bois sur le terrain.

Arpentage et annonce.

13. Nulle terre ne peut faire l'objet d'une inscription sous le régime des présents règlements tant qu'elle n'a pas été arpentée en conformité des dispositions de la Loi des arpentages fédéraux, et tant qu'avis du fait qu'elle doit faire l'objet d'une inscription à une date à être énoncée dans cet avis n'a pas été affiché durant au moins trente jours dans le bureau des terres du district dans lequel la terre est située, et n'a pas été inséré dans au moins un journal publié dans ce district et un journal publié dans la capitale provinciale; et l'impression et la publication de l'avis doivent être faites de la manière réglée par la Commission.

Trente jours d'avis dans le cas de nouveaux arpentages.

Il est du devoir de l'agent, à la demande de la Commission, d'annoncer toute nouvelle terre arpentée réservée sous le régime de la loi et d'afficher promptement des avis dans son bureau et dans chacun des bureaux des sous-agents dans son district.

Avis de dix jours dans tous autres cas.

14. Dans le cas d'autres terres que des terres nouvellement arpentées l'agent, lorsqu'il sera notifié par la Commission d'ouvrir à l'inscription un terrain quelconque sous le régime des présents règlements, en fera l'annonce pendant dix jours, à moins que la Commission n'ordonne autrement, en affichant dans son bureau un avis exposé à l'inspection publique, donnant la date et l'heure de l'affichage et la date où le terrain sera ouvert à l'inscription. Cet avis sera en la forme prescrite par la Commission et une copie en sera promptement adressée par l'agent à chacun des sous-agents et aux représentants de la Commission dans son district, ainsi qu'au maître de poste le plus rapproché du terrain, afin que cet avis soit affiché dans leurs bureaux respectifs.

Inscription de soldats sur terres réservées.

15. Les terres réservées sous le régime de la loi, qui de l'avis de la Commission ne conviennent pas aux fins générales de l'établissement des soldats, seront de temps à autre ouvertes à l'inscription des soldats pour tout colon qualifié à faire cette inscription sous le régime des présents règlements, sauf lorsque les présents règlements prescrivent ou que la Commission ordonne autrement.

Inscription de homestead sur terres réservées.

16. Excepté lorsque les présents règlements prescrivent autrement, aucun terrain réservé sous le régime de la loi et disponible pour l'inscription des soldats ne sera censé être réservé à l'exclusion de toute personne qui, étant un colon ou un membre d'un corps ou effectif quelconque servant avec les forces de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre, désire exercer son droit de homestead sur ce terrain sous l'empire des dispositions de la Loi des terres fédérales.

Inscription de soldats sur terres non réservées.

17. Le droit d'inscription de soldat peut être exercé par tout colon qualifié comme tel sous le régime de la Loi sur tout fonds qui, bien que réservé alors pour les fins de la loi, est ouvert à l'inscription de homestead sous l'empire des dispositions de la Loi des

terres fédérales. Une demande d'inscription de soldat sur tel terrain par une personne qualifiée réservera ce terrain *ipso facto* pour les fins de la loi.

Renseignements quant aux terres.

18. Tout colon en perspective peut se procurer des renseignements généraux concernant les terres ouvertes pour l'établissement des soldats en s'adressant à la Commission d'établissement des soldats, Ottawa, ou à tout représentant de la Commission ailleurs.

On peut se procurer des renseignements précis quant à savoir si un terrain particulier est ouvert à l'inscription de soldats en s'adressant à l'agent des terres fédérales du district où le terrain est situé.

DEMANDE D'INSCRIPTION.

Bureau d'enregistrement.

19. La demande d'inscription de soldat peut être faite en la forme prescrite par la Commission par celui qui a reçu une attestation sous le régime de la loi au bureau de l'agent des terres fédérales pour le district où le terrain est situé, qui sera le bureau d'enregistrement des inscriptions de soldat pour tel district.

Demande faite ailleurs.

20. La demande d'inscription de soldat peut aussi être faite à un agent ou sous-agent des terres fédérales ou à un représentant local de la Commission ou à toute autre personne autorisée par la Commission à recevoir telle demande pour transmission au bureau d'enregistrement, mais nulle demande ainsi faite n'aura d'effet avant d'avoir été reçue à ce bureau.

Avis par télégraphe.

Toutefois, lorsqu'une demande d'inscription de soldat est ainsi faite, la personne qui la reçoit peut aux frais de l'inscrit envoyer par télégraphe un avis de la réception de la demande au bureau d'enregistrement; si le terrain est alors disponible il sera réservé pour le requérant jusqu'à ce que la demande ait été reçue.

Aucune autre demande.

21. Lorsque la demande d'inscription de soldat est faite à un endroit quelconque autre que le bureau d'enregistrement, la personne qui reçoit la demande n'en acceptera aucune autre pour inscription sur le même terrain avant qu'il ait été décidé de la première demande au bureau d'enregistrement.

Demande en personne.

22. Toute demande d'inscription de soldat, sauf ainsi que ci-dessous prescrit, se fera par le colon en personne.

Demande par procuration.

23. La demande d'inscription par procuration n'est permise que dans le cas d'une personne qui fait l'inscription pour un époux, une épouse, un père, une mère, un fils, une fille, un frère ou une sœur, lorsqu'elle est dûment autorisée à le faire en la forme prescrite, ou dans le cas d'une personne qui, pour des raisons spéciales, a obtenu la permission de la Commission de faire l'inscription en faveur d'un colon.

Le fondé de pouvoirs doit se présenter devant l'agent des terres fédérales du district; les sous-agents et représentants locaux ne sont pas autorisés à accepter les demandes d'inscription par procuration.

Le colon en faveur duquel l'entrée est faite doit avant l'expiration de six mois de la date de l'inscription se présenter en personne à l'agent et lui faire une déclaration qu'il réside déjà ou qu'il doit commencer à résider sur le terrain, et dans ce dernier cas qu'il y résidera avant l'expiration des six mois. Si le colon ne se présente pas l'agent, à moins que la Commission ne décide autrement, annulera l'inscription sans avis à l'expiration de six mois après la date de l'inscription.

Temps.

24. La demande d'inscription de soldat ne doit se faire que dans les heures régulières du bureau tous les jours excepté les dimanches et les jours de fête établis par la loi.

Déclaration de l'inscrit.

25. Quiconque demande une inscription de soldat doit faire une déclaration en la forme prescrite par la Commission qu'au meilleur de sa connaissance le terrain pour lequel il s'inscrit appartient à la classe des terres ouvertes à l'inscription et qu'il n'y réside personne, et il doit dire quelles améliorations y ont été faites, s'il y en a, et leur valeur; pourvu que lorsque telle déclaration est subséquemment trouvée incorrecte en quelque point important l'inscription soit sujette à l'annulation.

Ancien honoraire.

26. Aucun honoraire ne sera exigé pour l'inscription de soldat, mais on peut exiger du colon qu'il paie la valeur des améliorations sur le terrain, s'il y en a, ainsi que toute charge ou dette sur le terrain.

Demande de terrains non disponibles.

27. Une demande d'inscription sur un terrain qui n'est pas disponible pour l'inscription lorsque cette demande est faite ne donnera pas au colon une priorité de droit dans le cas où le terrain deviendrait disponible.

CERTIFICAT D'INSCRIPTION.

Ce qui constitue une inscription.

28. Lorsqu'une demande est faite en la manière ci-dessus décrite pour un terrain ouvert à l'inscription sous le régime des dispositions des présents règlements, l'agent ou le fonctionnaire qui agit pour lui acceptera cette demande et délivrera au colon un certificat d'inscription, et l'acceptation par l'agent, ou le fonctionnaire agissant pour lui, de ladite demande et l'émission du certificat constituent une inscription de soldat sous le régime des dispositions des présents règlements.

Certificat.

29. Le certificat d'inscription donne droit au colon de prendre, occuper, employer et cultiver le terrain pour lequel il est inscrit et d'en garder possession à l'exclusion de toute autre personne et d'intenter des poursuites pour violation de propriété; et le terrain ne peut être saisi en exécution de jugement avant l'émission des lettres patentes;

toutefois, l'occupation, l'usage et la possession du terrain pour lequel l'inscription est ainsi faite sont sujets aux dispositions de la loi ou des règlements établis sous l'empire de cette loi ou de leur modification.

PROPRIÉTÉ DU DROIT D'INSCRIPTION.

Squatter et colon voisin.

Squatter avant l'arpentage.

30. Une personne qui s'est de bonne foi établie sur un terrain agricole et y a fait des améliorations avant l'arpentage et qui l'occupait et y résidait ordinairement lors de l'arpentage, si elle est qualifiée pour une inscription de soldat sous le régime des présents règlements, aura le premier droit à l'inscription pour le terrain sur lequel elle est ainsi établie; pourvu que ce droit soit exercé dans les six mois après qu'un avis par écrit que le terrain est ouvert à l'inscription a été donné par l'agent à tel colon, ou a été affiché dans un endroit bien en vue sur le terrain. Toutefois, l'inscription de soldat ne sera pas permise pour plus d'un quart de section.

Squatter après l'arpentage.

31. L'occupation du terrain après l'arpentage, sans inscription ainsi que prescrit par les présents règlements, ne donne aucun droit sur ce terrain à celui qui l'occupe, et il peut être expulsé comme violateur de la propriété et les améliorations qu'il y a faites peuvent être confisquées au bénéfice de la Couronne.

Un jour de priorité au colon voisin.

32. Le jour où un terrain quelconque doit être ouvert à l'inscription après qu'un avis a été donné ou affiché en la manière ci-dessus décrite, le privilège d'inscription sur ce terrain est restreint à un colon qualifié pour l'inscription qui occupe un quart de section voisin soit comme homestead ou en vertu d'une inscription de soldat, ou qui a obtenu la patente de homestead pour tel quart de section et en est encore le propriétaire, ou qui était un squatter avant l'arpentage de ce quart de section.

CONFLITS DE DEMANDES.

Détermination de la priorité.

33. Dans le cas où il y a plus qu'un colon qui réclame le premier droit à l'inscription sous l'empire de l'article précédent, la priorité des demandes sera déterminée par la priorité des dates de leurs inscriptions respectives, ou par le commencement de leur résidence dans le cas de squatters avant l'arpentage.

34. Afin d'assurer la considération voulue des droits des personnes qui réclament la priorité, l'agent recevra toutes les demandes d'inscription qui lui sont offertes sous l'empire de l'article précédent, s'il en est requis, mais il ne délivrera aucun certificat d'inscription pour le terrain avant la fermeture des bureaux le jour où le premier droit d'inscription est examiné, ou avant le matin du jour suivant.

Demande à un sous-agent.

Toutefois, si l'agent est averti ce jour-là par télégraphe ou autrement, par un sous-agent ou un représentant local, que ce dernier a reçu une demande d'inscription d'une personne réclamant priorité de droit d'inscription pour le terrain concerné, et s'il est évident d'après les registres que cette personne, en raison de la priorité de la date de son inscription ou du commencement de sa résidence sur le homestead voisin a un meilleur droit que tout autre qui se présente en personne pour l'inscription, l'agent retiendra le terrain jusqu'à ce que la demande faite au sous-agent ou représentant local ait été reçue.

Maladie de l'inscrit.

De plus, si à cause de maladie ou pour une autre raison suffisante donnée à l'agent, un colon qui d'après les registres a un premier droit d'inscription sur tous les autres qui la demandent est incapable de se présenter en personne ce jour-là, l'agent peut retenir le terrain pour ce colon pendant un délai raisonnable en faisant rapport immédiatement de toutes les circonstances du cas à la Commission.

Cas douteux.

Si l'agent doute de la priorité du droit d'un colon, il n'accordera pas l'inscription du terrain concerné, mais saisira la Commission de la question.

Terrain ouvert à tout colon.

35. Tout terrain qui après avoir été annoncé par un avis affiché de la manière ci-dessus prescrite n'a pas fait l'objet d'une inscription par un colon voisin le premier jour où ce terrain a été ouvert à l'inscription, ou qui n'a pas été réservé pour une des raisons ci-dessus mentionnées, sera ouvert à l'inscription le jour suivant à tout colon qualifié pour l'inscription sous le régime des présents règlements.

CONDITIONS DE L'INSCRIPTION.

Etendue.

36. Une inscription de soldat ne sera pas pour plus qu'un quart de section de cent soixante acres plus ou moins.

Minéraux et eau.

37. Une inscription de soldat ne donne aucun droit au sel, à la houille, le pétrole, le gaz naturel, l'or, l'argent, le cuivre, le fer, ou autres minéraux dans ou sous le terrain couvert par telle inscription, ni propriété ou intérêts exclusifs ou autres, ni droit ou privilège exclusifs en rapport avec un lac quelconque, une rivière, une source, un ruisseau ou autre cours d'eau dans ou bornant ou traversant le terrain couvert par l'inscription.

Terres améliorées.

38. L'inscription pour un terrain sur lequel des améliorations ont été faites ne peut être accordée que sur paiement par l'inscrit de la valeur de telles améliorations, ainsi que déterminée par la Commission. Si l'inscrit ne paie pas cette valeur, l'inscription peut être annulée.

Grain de semence et autres charges.

39. L'inscription pour un terrain grevé d'une charge en faveur de la Couronne ne peut être accordée que sur paiement de telle dette par l'inscrit.

Réserve pour chemins.

40. Toute inscription de soldat peut être accordée subordonnément aux droits de la province de prendre sans compensation, en tout temps avant l'émission des lettres patentes, tout terrain qui peut être requis pour des chemins, mais n'excédant pas quatre acres dans un même quart de section.

Inscription pour seul bénéfice du colon.

41. Toute inscription sera pour le seul usage et bénéfice de celui qui l'obtient et non pour l'usage ou le bénéfice d'une autre personne ou d'autres personnes quelconques.

Déclaration quant aux obligations.

42. La Commission, s'il est jugé nécessaire, peut exiger qu'un inscrit pour un homestead de soldat fournisse la preuve, par déclaration ou autrement, qu'il remplit ses obligations d'établissement dans chaque année qui suit la date de son inscription.

Nulle compensation pour bois.

43. Un quart de section de terrain sur lequel ne se trouve pas plus que 25 acres de "bois marchand," mais sur lequel se trouve plus que 25 acres de bois de chauffage ou de bois dont on peut faire des poteaux de clôture, n'est pas ouvert à l'inscription, à moins que l'inscription ne soit accordée à la condition qu'elle sera sujette à l'émission de permis sur le reste du quart de section après que l'inscrit aura choisi, sujet à approbation, vingt-cinq acres pour son propre usage.

Terrains requis pour eau, etc.

44. Si après qu'une inscription a été obtenue on constate que le terrain ou une partie du terrain concédé est nécessaire pour la protection de sources d'approvisionnement d'eau ou pour l'établissement ou la construction d'usines nécessaires au développement de l'énergie hydraulique, la commission peut en tout temps avant l'émission des lettres patentes annuler l'inscription ou en soustraire toute partie du terrain pour lequel elle a été accordée, mais lorsque le terrain est requis pour l'emplacement ou la construction d'usines nécessaires au développement de l'énergie hydraulique, en autant seulement que le terrain est nécessaire pour cette fin; toutefois, aucune inscription ne sera annulée sous l'empire des dispositions de ce paragraphe avant que l'inscrit ait reçu une compensation pour toutes améliorations qu'il a faites sur le terrain, le chiffre de cette compensation devant être fixé par arbitrage si l'inscrit refuse d'accepter la compensation offerte par la Commission.

OBLIGATIONS D'ÉTABLISSEMENT.

Conditions générales.

Conditions générales.

45. De tout inscrit pour un homestead de soldat il sera exigé, avant l'émission des lettres patentes, sauf ainsi que ci-après prescrit:

(*a*) qu'il ait possédé le fonds pour ses propres compte et avantage exclusifs durant trois années;

(*b*) qu'il ait résidé sur le fonds ou dans son voisinage ainsi que ci-dessous prescrit au moins six mois au cours de chacune de trois années à compter de la date de l'inscription ou de la date du commencement de résidence;

(*c*) qu'il ait cultivé chaque année telle étendue de ce fonds que la Commission trouve suffisante;

(*d*) qu'il y ait construit une maison habitable;

(*e*) qu'il ait complètement payé le prêt qui lui a été fait sur ce fonds sous le régime des dispositions des règlements régissant les prêts pour l'établissement de soldats, ainsi que l'intérêt sur ce prêt et autres charges s'il y en a;

(*f*) qu'il soit sujet britannique, sauf ainsi qu'autrement prescrit.

RÉSIDENCE.

Inscription parfaite.

46. Tout inscrit sera requis de remplir les conditions de son inscription dans les six mois de la date de telle inscription en prenant possession du terrain en personne et en y établissant sa résidence; si les conditions de l'inscription ne sont pas ainsi remplies dans ce délai, elle est sujette à annulation.

Toutefois, la Commission peut prolonger le délai pour compléter l'inscription de six mois additionnels pour cause suffisante.

Résidence.

47. "Résidence" pour les fins des présents règlements sera par le colon en personne sur le terrain pour lequel il s'est inscrit ou dans le voisinage du terrain ainsi que ci-dessus prescrit. Cette résidence sera dans une maison qui est le véritable domicile du colon pendant telle période de résidence. Ne sera pas acceptée la résidence par un membre de la famille du colon ou par toute autre personne comme fondé de pouvoirs.

Voisinage.

48. L'inscrit peut remplir ses obligations de résidence en résidant sur une ferme d'une étendue d'au moins 80 acres située à une distance d'au plus neuf milles de son homestead en ligne directe (à l'exclusion de la largeur des réserves pour chemins rencontrées dans le mesurage):

(*a*) s'il est le seul propriétaire de telle ferme;

(*b*) si cette ferme lui appartient par inscription de homestead ou autrement sous le régime des dispositions de la Loi des terres fédérales;

(*c*) si cette ferme appartient exclusivement au père, à la mère, l'épouse, le mari, le fils, les filles, le frère ou la sœur de l'inscrit et est occupée par lui ou par elle, ou si elle est possédée et occupée par tel parent sous le régime des dispositions de la Loi des terres fédérales ou des présents règlements.

Résidence concurrente ne compte pas.

49. Nulle période de résidence que réclame un colon pour obtenir la patente d'un terrain qu'il occupe sous l'empire de la Loi des terres fédérales ne peut en même temps être comptée comme résidence en rapport avec sa concession de soldat.

CULTURE.

Si le colon réside sur le homestead.

50. Lorsqu'un colon réside sur le terrain pour lequel il s'est inscrit sous le régime des présents règlements il doit mettre en culture un total d'au moins trente acres de ce terrain, dont vingt acres doivent être récoltés.

Si résidence ailleurs.

51. Si la résidence du colon est ailleurs ainsi que prescrit il doit mettre en culture au moins cinquante acres, dont trente doivent être récoltés.

La mise en culture d'une étendue raisonnable est requise durant chaque année.

Terrains pierreux et boisés.

52. Lorsqu'en raison de la nature du terrain les conditions relatives à la culture sembleraient excessives, la Commission peut réduire l'étendue du terrain à cultiver, après que ce terrain a été inspecté par un des fonctionnaires de la Commission.

BÉTAIL.

Bétail.

53. Lorsque le homestead ne convient pas à la culture mais est propre à l'élevage du bétail, la Commission, sur demande de l'inscrit et après inspection du terrain, peut permettre à l'inscrit de substituer l'élevage du bétail à la culture.

L'inscrit qui a obtenu le privilège de substituer l'élevage du bétail à la culture devra garder sur le terrain dans chacune des trois années, soit pour le pâturage d'été ou pour l'alimentation en hiver, le bétail suivant qui doit lui appartenir exclusivement:

(*a*) la première année, cinq têtes;

(*b*) la deuxième année, dix têtes;

(*c*) la troisième année, et chaque année subséquente jusqu'à ce qu'il obtienne la patente, seize têtes.

L'inscrit qui élève ainsi du bétail devra entourer tout le terrain d'une clôture solide à la satisfaction de la Commission.

Bâtiments pour bétail.

54. Des bâtiments convenables pour l'accommodation du nombre de bestiaux qu'a le colon en toute année seront érigés sur le homestead, mais si les conditions de résidence sont remplies conformément aux dispositions relatives aux homesteads voisins, ces bâtiments peuvent se trouver sur le terrain où réside le colon.

INSCRITS DÉCÉDÉS.

Représentant légal peut remplir conditions.

55. Advenant le décès d'une personne inscrite sous le régime des présents règlements avant le parfait accomplissement des conditions nécessaires à l'obtention des lettres patentes, les obligations de résidence seront suspendues. Les conditions autres que la résidence et la naturalisation seront remplies par le représentant légal de l'inscrit décédé.

Inscriptions incomplètes.

56. Si l'inscrit meurt avant le parfait accomplissement des conditions de l'inscription de la manière prescrite par les présents règlements, son inscription peut être annulée. Toutefois, si l'assurance satisfaisante est donnée que la succession sera administrée et que les prescriptions des règlements seront observées, la Commission peut prolonger le délai pour remplir les conditions d'inscription.

INSCRITS ALIÉNÉS.

Inscrits aliénés.

57. Si un inscrit devient aliéné ou mentalement incapable et, pour cause de cette aliénation ou incapacité mentale, dans l'impossibilité d'achever de remplir les conditions nécessaires pour obtenir les lettres patentes, les obligations de résidence et de naturalisation seront suspendues. Les conditions autres que celles de la résidence peuvent être remplies par le curateur ou le curateur aux biens de l'inscrit ou par quiconque, à la mort de ce dernier, aurait été son représentant légal.

LETTRES PATENTES.

Preuve de l'accomplissement des obligations.

58. Après que l'inscrit a rempli les conditions d'établissement ci-dessus prescrites il peut en présenter la preuve. Cette preuve sera sous forme de déclaration sous serment par l'inscrit, corroborée par une déclaration sous serment de deux personnes désintéressées résidant dans le voisinage.

La déclaration de l'inscrit et de ses témoins sera faite devant un fonctionnaire dûment autorisé par la Commission à recevoir telle preuve.

Inscrits décédés et aliénés.

59. Advenant le décès d'un inscrit, ou dans le cas où un inscrit devient aliéné ou mentalement incapable, la preuve de l'accomplissement des conditions de la concession sera faite par telle personne ou telles personnes et de telle manière que la Commission jugera satisfaisante.

Perte de droits à défaut de preuve.

60. Si la preuve de l'accomplissement des conditions d'inscription n'a pas été fournie, ainsi que prescrit, dans les cinq ans de la date de l'inscription, le droit de l'inscrit en rapport avec le homestead est sujet à déchéance sur l'ordre de la Commission.

Lettres patentes.

61. Si la preuve de l'accomplissement des conditions d'inscription a été soumise ainsi que prescrit, et que la Commission est satisfaite de cette preuve, la Commission s'il n'y a aucune charge sur le terrain pour un prêt fait sous le régime des règlements régissant les prêts pour l'établissement des soldats, recommandera l'émission de la

patente à l'inscrit, ou au cas du décès de l'inscrit, à son représentant légal, ou au nom du défunt lui-même, si la loi de la province où le terrain est situé ne pourvoit pas à la nomination d'un représentant personnel.

Patente émise qu'après remboursement du prêt.

62. Si la preuve de l'accomplissement des conditions d'établissement a été acceptée par la Commission, mais qu'il y a une charge sur le terrain pour des avances faites sous l'empire de la loi, la Commission retardera l'émission de la patente jusqu'à ce que le terrain ait été dégrevé de cette charge.

Certificat quant à la preuve.

63. Dans les cas mentionnés dans l'article précédent l'inscrit, ou au cas de son décès la personne qui aurait droit de recevoir la patente si toutes les conditions avaient été remplies, peut recevoir un certificat de la Commission déclarant que les conditions d'établissement ont été remplies et que sur paiement de la dette contractée sous le régime de la loi les lettres patentes seront délivrées à la personne qui a droit de les recevoir conformément aux présents règlements.

ÉCHANGE D'INSCRIPTIONS.

Quand deux colons peuvent échanger.

64. Deux inscrits quelconques dont les inscriptions sont en règle peuvent pour cause obtenir de la Commission la permission d'échanger leurs inscriptions respectives pourvu que la Commission soit satisfaite que la garantie donnée par un colon qui a obtenu un prêt sous le régime de la loi n'est pas diminuée par cet échange.

ABANDON DE L'INSCRIPTION.

Abandon et réinscription.

65. A la discrétion de la Commission, permission peut être accordée à l'inscrit d'abandonner le terrain pour lequel il s'est inscrit en faisant une déclaration en la forme prescrite par la Commission et il peut lui être permis de s'inscrire pour un autre terrain disponible pour cette fin.

En cas de prêt.

66. Lorsque l'inscrit, ayant obtenu un prêt de la Commission, a créé sur le homestead une charge ou un lien qui n'a pas été acquitté, le privilège d'abandon et de réinscription ne peut être accordé qu'à condition que la dette soit transférée au terrain pour lequel la nouvelle inscription est faite et seulement lorsque la Commission est satisfaite que la garantie du prêt ne sera pas diminuée par la transaction.

Abandon en faveur d'un parent.

67. Lorsqu'une inscription est en règle l'inscrit peut à la discrétion de la Commission obtenir la permission d'abandonner son homestead en faveur d'un père, une mère, une sœur, une fille, un frère, une épouse, ou un mari qui est qualifié pour l'inscription de soldat sous le régime des présents règlements, aux conditions que la Commission peut prescrire.

ANNULATION DE L'INSCRIPTION.

Raisons pour annulation.

68. Une inscription peut être annulée pour une des raisons suivantes:—

(*a*) Si l'inscrit en une année quelconque ne remplit pas les conditions d'établissement prescrites;

(*b*) Si une inscription a été obtenue ou accordée par erreur, ou sous de fausses représentations ou par fraude;

(*c*) Si un inscrit qui a obtenu un prêt de la Commission d'établissement de soldats ne paie pas les versements sur le principal et l'intérêt aux dates où ils sont payables, ou ne se conforme pas aux conditions du prêt;

(*d*) Si l'inscrit ne paie pas les améliorations ou les charges sur le terrain en rapport avec le grain de semence ou les secours accordés, ou autre dette d'un inscrit ou d'un propriétaire précédent du terrain;

(*e*) Si l'inscrit a cédé, hypothéqué ou transféré, ou s'il a consenti à céder, hypothéquer ou transférer son homestead, à moins qu'il ne soit autrement prescrit.

Effet de l'annulation.

69. Lorsqu'une inscription a été annulée pour une raison quelconque, tous les droits de l'inscrit sur son homestead cessent et se terminent dès lors; mais la Commission peut à sa discrétion rembourser à la personne qui a fait les améliorations, en tout ou en partie, l'argent reçu à compte de telles améliorations de celui qui possède ou occupe subséquemment le terrain.

ADMINISTRATION.

70. En ce qui concerne les règlements ci-dessus qui ont rapport à la mise en réserve des terrains, à l'annulation de ces réserves, aux catégories de terrains ouverts à l'inscription, à l'annonce ou l'affichage, aux inscriptions, au règlement des conflits dans les demandes de terrain, à l'accomplissement des conditions d'inscription, à la preuve de l'accomplissement de ces conditions, à l'émission des lettres patentes, à l'échange des inscriptions, à l'abandon des inscriptions soit sans conditions ou en faveur d'un parent, et à l'annulation des inscriptions, partout où il est prescrit que la Commission doit agir, elle le fera par l'entremise du département de l'Intérieur.

DATE DE LA MISE EN VIGUEUR.

71. Les présents règlements entreront en vigueur à une date qui sera fixée par la Commission.

ATTENDU que M. John Inglis McLean, de Fort Vermillion, Province d'Alberta, a demandé la concession gratuite du quart sud-ouest de la section 27, township 108, rang 12, à l'ouest du 5e méridien, dans la dite province d'Alberta, en vertu du fait qu'il occupait ce terrain à la date de l'extinction du titre indien;

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre suppléant de l'Intérieur et en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, d'autoriser pour les présentes la concession gratuite à M. McLean du quart sud-ouest 27, township 108, rang 12, à l'ouest du 5e méridien, contenant 160 acres, plus ou moins.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Attendu que le Département des Affaires des sauvages a demandé la mise en réserve du cimetière des sauvages de House River, petite étendue de terrain d'à peu près deux acres dans le quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, et qui a été affectée à cette fin durant plusieurs années ;

Et attendu que le terrain en question est disponible d'après les archives du Départment de l'Intérieur et peut être décrite plus minutieusement comme suit :—

Commençant à un point sur la borne est du quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, à une distance de 655.38 pieds vers le sud et le long de ladite borne est, à partir de l'angle nord-est dudit quart de section; de là franc ouest sur une distance de 50 pieds jusqu'à un poteau en fer; de là et dans la même direction sur une distance de 27 pieds jusqu'à un point qui, pour les fins de la présente description, est dit " Point A "; de là franc ouest jusqu'à intersection avec la rive droite de la rivière Athabaska ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 22 juin 1918, par Edouard Deville, arpenteur général des terres fédérales, et déposé au département de l'Intérieur; de là vers le nord-ouest en suivant ladite rive jusqu'à une ligne tracée parallèlement à la ligne s'étendant franc nord du point A et 300 pieds perpendiculairement au nord de cette dernière ligne; de là franc est le long de ladite ligne parallèle jusqu'à intersection avec ladite borne est dudit quart de section nord-est ; de là vers le sud en suivant la dite borne est sur une distance de 69 pieds plus ou moins, jusqu'au point de commencement, et contenant deux acres plus ou moins et ainsi que décrit sur le plan ci-annexé.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre suppléant de l'Intérieur, de décréter par les présentes que le terrain ci-haut décrit soit par les présentes transféré au département des Affaires des Sauvages pour les fins d'un cimetière.

PRESENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre suppléant de l'Intérieur, daté le 9 juillet 1918, représentant que la compagnie dite " North American Reindeer Company," ayant son bureau principal à South Bend, Indiana, a demandé des privilèges de pâturage gratuits pour une période de trente ans, pour faire l'élevage des rennes sur l'étendue de terrain indiquée en rose sur la carte ci-annexée et décrite comme étant située dans la partie nord de la province du Manitoba, ainsi que dans les Territoires du Nord-Ouest, comprenant un territoire borné au nord par le 61e degré de latitude nord, à l'est par la Baie-d'Hudson, au sud par la rivière Churchill, les lacs Indian et Granville ainsi que les eaux qui les rallient, et à l'ouest par la rivière Reindeer, le lac Reindeer et le 102e parallèle de longitude, et contenant une superficie de 75,850 milles carrés, plus ou moins.

L'introduction du renne dans l'Alaska par les Etats-Unis a eu pour résultat de fournir un approvisionnement sûr de nourriture aux natifs et des moyens efficaces de transport ; de même qu'au cours des dernières années une quantité considérable de viande provenant du renne a été exportée à Seattle et aux points de la côte du Pacifique. Les régions nord des Territoires du Nord-Ouest sont considérées comme exceptionnellement propres à l'élevage du renne. L'industrie de l'élevage de troupeaux de rennes dans les territoires devrait être d'une grande valeur comme approvisionnement sûr de nourriture pour la population aborigène ; l'emploi du renne comme animal de trait permettra d'explorer efficacement le pays et, en définitive, les troupeaux de rennes devraient contribuer pour une large part à l'approvisionnement de viande du reste du Canada. Cependant, l'introduction du renne dans les régions australes de ce pays comporte un risque considérable ainsi que de fortes dépenses et nécessite de l'expertise dans le soin de ces animaux, et si l'initiative d'une telle entreprise est assumée sur une grande échelle par des particuliers ou par une corporation, de manière à lui assurer un succès raisonnable, le Ministre est d'avis que le Dominion devrait seconder tels particuliers et corporations en leur accordant des privilèges gratuits de pâturage pour une période limitée.

Le ministre demande par conséquent l'autorisation d'accorder des permis de pâturage gratuits pour les rennes dans la région ci-haut décrite, pour une période n'excédant pas trente (30) ans, à tous particuliers ou corporations qui établissent le sérieux de leur entreprise à la satisfaction du Ministre de l'Intérieur.

Pourvu, toutefois, que tous tels permis comportent telles conditions et restrictions que le Ministre peut juger à propos; qu'en aucun cas ces privilèges soient exclusifs et que tous tels permis soient subordonnés à tous tels règlements que le Gouverneur en conseil peut prescrire de temps à autre.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
6-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 10e jour de juillet 1918, représentant que le 14 février 1911 M. William Armstrong, de Portage-La-Prairie, en réponse à sa demande d'acheter les droits de surface de la moitié nord de la subdivision légale 15 de la section 23, township 32, rang 9, à l'ouest du méridien principal pour l'emplacement d'un moulin, a été avisé du fait qu'il pouvait acheter ce terrain au prix de $10 l'acre, ainsi qu'un certain nombre de concessions minières accordées dans cette région, à condition cependant qu'un moulin y soit érigé pour telles fins que déterminées par le Ministre de l'Intérieur et à la satisfaction de ce dernier, et pourvu de plus que ledit terrain soit complètement utilisé pour l'exploitation des gisements de gypse de cette localité.

Le paiement total du prix de vente de ce terrain a été fait au prix spécifié et il a été établi à la satisfaction du Ministre de l'Intérieur qu'un moulin convenable y a été érigé et que le terrain a été utilisé pour les fins requises.

Le Ministre, par conséquent, demande l'autorisation de clore la vente au requérant des droits de surface de la moitié nord de la subdivision légale 15, section 23, township 32, rang 9, à l'ouest du méridien principal.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
6-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 11e jour de juillet 1918, représentant qu'un certain nombre de squatters ont soumis leurs réclamations à son département concernant certaines parties du quart nord-ouest de la section 6, township 3 rang 12, à l'est du méridien principal, ce terrain étant situé près de la station de Badger sur le chemin de fer Canadien Nord. Le rapport fait mention qu'il a été jugé opportun de subdiviser le terrain en question en petits lots couvrant chacun les améliorations d'un des requérants et de permettre ensuite à ces derniers d'acheter ces lots à un prix à être fixé par estimation.

Cette subdivision a été arpentée d'après les instructions de l'Arpenteur général des terres fédérales et le plan en a été enregistré au bureau des titres de terres, à Winnipeg.

Le Ministre, par conséquent, demande l'autorisation de vendre les lots de ladite subdivision au prix déterminé par un fonctionnaire du département de l'Intérieur et aux conditions ordinaires des lots de ville, savoir, le montant total du prix de vente lors de la vente ou un quart du prix de vente à cette date et le reste en trois versements consécutifs égaux, avec intérêt de cinq pour cent par an.

Le Comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
6-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que la Commission du commerce de guerre des Etats-Unis a soumis à licence l'exportation de divers articles, et attendu qu'il est de temps à autre ajouté à la liste de ces articles et qu'elle est modifiée selon les exigences de la guerre, et surtout dans le but de conserver le tonnage et de procurer plus de navires pour le transport en Europe des troupes et des approvisionnements ;

Et attendu qu'il a été représenté par la Commission du commerce de guerre des Etats-Unis que le but de ces restrictions est jusqu'à un certain point manqué vu que le Gouvernement du Canada n'a pas imposé de restrictions semblables sur les exportations ;

Et attendu qu'il est désirable que le Gouvernement du Canada coopère autant que possible avec le Gouvernement des Etats-Unis dans le contrôle des exportations pour les fins mentionnées.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre des Finances, de décréter par les présentes que l'exportation du Canada de tous articles dont l'exportation des Etats-Unis est sujette à licence et qui sont énumérés dans la liste ci-annexée soit par les présentes prohibée, sauf sur une licence approuvée par la Commission du commerce de guerre.

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 27e jour de juillet 1918.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre suppléant du Commerce et de l'Industrie soumet des règlements faits par le Contrôleur du combustible, en vertu de l'autorité qui lui est conférée par le paragraphe (3) de l'arrêté en conseil du 12 juillet 1917 (C.P. 1887), concernant l'importation, la vente et la distribution de la houille en Canada, et en recommande l'approbation ;

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire des dispositions de la *Loi des mesures de guerre, 1914*, d'approuver, ratifier et confirmer les dits règlements, et le Contrôleur du combustible et toutes les personnes mentionnées dans les dits règlements sont par les présentes investis des pouvoirs nécessaires pour mettre en pleine vigueur les dits règlements.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÈGLEMENTS TOUCHANT L'IMPORTATION, LA VENTE ET LA LIVRAISON DE LA HOUILLE ÉMIS PAR LE CONTROLEUR DU COMBUSTIBLE DU CANADA.

En vertu de l'autorité qui lui est conférée par le paragraphe (2) de l'arrêté en conseil du 12 juillet 1917 (C. P. 1887), le soussigné fait les règlements suivants régissant le prix, l'importation, la vente et la livraison de la houille :

(1) Les règlements du Contrôleur du combustible, datés le 15 mars 1918 et approuvés par arrêté en conseil du 20 mars 1918 (C.P. 664), sont modifiés en ajoutant au paragraphe (18) les alinéas suivants :

(*b*) En calculant les frais d'administration afin de déterminer le prix coûtant de la houille le marchand doit y inclure directement ou indirectement toute charge, frais ou coût relativement aux items suivants :

(1) L'intérêt sur le capital placé en terrains, bâtiments, outillage ou autres meubles et immeubles en tant qu'ils concernent le commerce de la houille.

(2) L'intérêt sur les obligations, débentures, autres dettes ou argent emprunté. On peut cependant ajouter l'intérêt sur les comptes réels de pratiques aux taux courants des banques.

(3) Montants attribuables au fonds d'amortissement pour le rachat d'obligations, de débentures, ou pour autres remboursements.

(4) Taxe sur le revenu, excédent de profits ou autres taxes d'affaires, sauf cependant les droits perçus par les départements des Douanes et du Revenu de l'Intérieur sur la houille importée des Etats-Unis d'Amérique.

(5) Déboursés pour améliorations permanentes, outillage ou autres frais attribuables au compte du capital.

(6) Frais de loyer pour cours, bâtiments et outillage.

(*c*) Les salaires et les dépenses des fonctionnaires ou associés ne seront pas augmentés au-dessus de ceux de l'année 1914 en proportion plus grande que les salaires ont augmenté dans d'autres industries. Un marchand peut ajouter son salaire aux frais d'exploitation, mais en proportion raisonnable seulement.

(*d*) La dépréciation des bâtiments ou de l'outillage peut être chargée à des intervalles réguliers, de telle manière qu'à la fin de la durée de ces bâtiments ou de cet outillage ou lorsqu'ils deviendront surannés il existera un fonds égal au premier placement et basé sur la durée probable des bâtiments et de l'outillage, à partir de la date où ils ont été construits ou acquis.

(*e*) Si un marchand augmente le prix de vente de la houille pour faiblage de poids, le chiffre de telle augmentation devra être fixé par computation et non par estimation.

(*f*) Si un marchand tamise de la houille et vend le menu charbon provenant de cette opération à un prix moindre que le prix de vente fixé conformément aux prescriptions des paragraphes 13, 14 et 15 des présents règlements, cette différence peut être répartie proportionnellement sur le coût des diverses grosseurs de houille provenant de ce tamisage.

(*g*) Les marchands qui font le commerce de détail ainsi que le commerce de gros doivent répartir leurs frais d'exploitation sur chaque branche de leur commerce, et cette répartition doit être en proportion raisonnable avec la moyenne de tels frais et des frais fixes des marchands qui ne font que le commerce de détail seul ou le commerce de gros seul.

(*h*) Toute la houille vendue aux consommateurs doit porter la même proportion de frais d'exploitation et de frais fixes par tonne, et il n'est pas permis à un marchand de répartir ses frais d'exploitation et ses frais fixes en plus grande proportion sur une variété, une qualité ou une grosseur quelconque de houille que sur une autre.

(*i*) Les escomptes et les rabais qui, pour argent comptant ou pour toute autre considération, peuvent être accordés à un acheteur par un marchand ne doivent pas être censés augmenter les frais d'exploitation et les frais fixes en calculant le prix de vente de la houille.

(*k*) Sur la recommandation de l'Administrateur du combustible, le Contrôleur du combustible peut fixer les frais de réception, manutention, livraison et exploitation pour toute municipalité par un avis au Commissaire du combustible par l'entremise de l'Administrateur du combustible.

(2) Tout détailleur de houille est tenu d'afficher dans un endroit bien en vue de la partie de son bureau à laquelle le public a accès un avis bien lisible, imprimé ou clavigraphié, contenant une liste des prix de détail de toutes les sortes et grosseurs de houille dont il fait commerce, y compris les escomptes s'il y en a.

(3) Le paragraphe 17 des dits règlements est modifié en y ajoutant l'alinéa suivant :

(*b*) Le fonctionnaire en charge de la branche du combustible du bureau Fédéral des Statistiques est par les présentes constitué un agent dûment autorisé du Contrôleur du Combustible.

C. A. MAGRATH,
Contrôleur du Combustible.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 5e jour d'août 1918

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à son Excellence le Gouverneur-général en conseil, à la recommandation du ministre de la Justice et en vertu des pouvoirs conférés par la *Loi des mesures de guerre, 1914*, ou autrement, de décréter par les présentes que les dispositions de la convention concernant le Service Militaire des citoyens des Etats-Unis en Canada, et de Canadiens aux Etats-Unis, entreront en vigueur et auront force de loi à partir du 30 juillet 1918, date où la dite convention a été ratifiée par Sa Majesté et par le Président des Etats-Unis, ainsi que prescrit par l'article VI de ladite convention.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

CANADA.

RÈGLEMENTS CONCERNANT LES DEMANDES DE CANADIENS POUR EXEMPTION DIPLOMATIQUE DU SERVICE MILITAIRE AUX ETATS-UNIS.

1. La Convention du Service Militaire entre la Grande-Bretagne et les Etats-Unis en rapport avec le Canada s'applique à tous les sujets britanniques du sexe masculin aux Etats-Unis agés de 20 à 44 ans, ces deux âges inclus, comprenant ceux qui, ayant obtenu leurs premiers papiers : (a) sont nés ou ont été naturalisés en Canada et qui, avant de se rendre aux Etats-Unis, résidaient ordinairement en Grande-Bretagne ou au Canada, ou dans toute autre partie des possessions de Sa Majesté auxquelles le service obligatoire a été appliqué par statut, ou en dehors des possessions britanniques ; ou (b) ne sont pas nés ou n'ont pas été naturalisés en Canada, mais qui avant de se rendre aux Etats-Unis résidaient ordinairement en Canada. Ces derniers sont dans les présentes appelés Canadiens.

II. Les Canadiens de l'âge militaire actuel des Etats-Unis, soit 21 à 30 ans, ces deux âges compris, peuvent, durant une période de soixante jours de la date de l'échange des ratifications de la convention, s'enrôler volontairement dans le corps expéditionnaire canadien à tout bureau de la Mission de recrutement britannique ou canadienne, ou peuvent s'adresser pour l'enrôlement à tout agent consulaire anglais ou tout comité civil de recrutement. Si, durant cette période ils ne s'enrôlent pas, ils deviennent sujets, à moins d'être exemptés, au service militaire sous l'empire des lois des Etats-Unis.

III. Les Canadiens n'ayant pas l'âge militaire actuel des Etats-Unis sont sujet aux mêmes prescriptions, sauf que la période pour l'enrôlement volontaire sera de trente jours de la date qui peut être fixée pour leur enregistrement sous le régime des lois des Etats-Unis.

V. L'ambassadeur anglais à Washington a le pouvoir d'accorder aux canadiens l'exemption du service militaire aux Etats-Unis durant les périodes respectives susdites de soixante et de trente jours, selon le cas ; et le Sénat des Etats-Unis ayant approuvé la Convention, les canadiens peuvent maintenant demander telle exemption, subordonnément aux régles et restrictions suivantes :

1. Seuls peuvent faire cette demande ceux qui, au cas où ils n'ont pas droit à l'exemption, décident de s'enrôler dans le corps expéditionnaire canadien. Les autres Canadiens qui désirent demander l'exemption peuvent s'adresser, sous l'empire des lois et règlements locaux, aux bureaux d'exemption des Etats-Unis.

2. Les Canadiens qui, aux conditions ci-dessus mentionnées, désirent demander l'exemption diplomatique peuvent présenter leur demande par écrit, attestée par un affidavit ou une déclaration solennelle, au directeur de la branche du service militaire du département de la Justice, à Ottawa, et le requérant doit dans chaque cas déclarer (i) ses noms et prénoms tout au long; (ii) le lieu de sa naissance; (iii) son adresse; (iv) son âge; (v) son occupation ; (vi) sa position quant à une épouse et famille; (vii) s'il a ses premiers certificats d'enregistrement ou non; et, s'il est enregistré sous le régime de la loi et des règlements du service militaire sélectif des Etats-Unis, il doit aussi donner (viii) le nom et le numéro du bureau local; (ix) son numéro de série; (x) son numéro d'ordre; (xi) sa classe; (xii) le résultat de son examen médical.

Le requérant doit aussi inclure deux photographies (non montées) ou donner de sa personne une description suffisante pour les fins d'identification, comprenant les détails suivants : (1) âge ; (2) grandeur ; (3) poids; (4) couleur des yeux ; (5) teint ; (6) couleur des cheveux ; (7) marques distinctives, s'il y en a.

3. La demande doit être faite par celui pour qui l'exemption est demandée, et approuvée d'une ou plus des raisons suivantes, qui doivent être spécifiées :

(*a*) Qu'il est membre de la réserve régulière ou auxiliaire de Sa Majesté, ainsi que défini par l'*Army Act*.

(*b*) Qu'il est membre des forces milltaires levées par le gouvernement d'une des possessions de Sa Majesté, autre que le Canada, ou par le gouvernement de l'Inde.

(*c*) Qu'il sert dans la Marine Royale ou dans le corps militaire de la Marine Royale, ou dans le Service Naval du Canada, ou qu'il est membre du Corps Expédition naire Canadien.

(*d*) Que depuis le 4 août 1914 il a servi dans les forces militaires ou navales de la Grande-Bretagne ou de ses alliés sur un des théâtres de la guerre et qu'il a été honorablement congédié.

(*e*) Qu'il est ministre de la religion ou membre d'un ordre reconnu, de caractère exclusivement religieux, ou ministre d'une dénomination religieuse existant en Canada le 29 août 1918.

(*f*) Qu'il est opportun dans l'intérêt national qu'au lieu d'être employé dans le service militaire il soit engagé dans un autre travail d'importance nationale, dans lequel il est habituellement engagé ou pour lequel il a des aptitudes spéciales, comme par exemple les missions ou délégations anglaises ou canadiennes. La demande d'un employé basée sur ces raisons doit être appuyée par un affidavit ou une déclaration solennelle de son patron.

(*g*) Qu'il est opportun, dans l'intérêt national, qu'il soit instruit ou exercé pour tout travail d'importance nationale pour le Canada pour lequel il s'instruit ou s'exerce actuellement.

(*h*) Qu'il est impropre au service militaire à cause de maladie ou d'infirmité, ainsi que certifié par les officiers médicaux attachés à la Mission de recrutement anglaise et canadienne.

Il est essentiel que l'engagement suivant soit ajouté à l'affidavit ou la déclaration solennelle à l'appui de sa demande :

" Je prends l'engagement solennel que s'il est déclaré que je n'ai pas droit à l'exemption je m'enrôlerai, lorsque j'en serai requis par le Directeur de la branche du service militaire du département de la Justice à Ottawa, ou autre autorité canadienne compétente, dans le corps expéditionnaire canadien et me présenterai pour le service au temps et à l'endroit désigné, conditionnellement au paiement de mes frais de voyage raisonnables à cette fin."

Une des conditions de l'exemption sera aussi que le réquérant réponde promptement à toutes questions concernant sa demande d'exemption qui peuvent lui être posées par le Directeur ou autre autorité compétente canadienne.

Les certificats d'exemption accordés sous le régime des présents règlements sont sujets à revision, restriction, extension ou annulation pour cause.

Le délai pour la prise en considération des demandes d'exemption étant strictement limité, les Canadiens qui désirent faire cette demande sous le régime des présents règlements doivent comprendre qu'il est important de présenter leur demande aussitôt que possible.

La Commission des Vivres du Canada, par les présentes ordonne—

1. La mise en vigueur des sous-sections (*a*) et (*b*) de la section 3 de l'Ordre n° 50 de cette Commission sera suspendue jusqu'à une date qui sera fixée plus tard.

3. Que la sous-section (*e*) de le section 3 de l'Ordre n° 50 est amendée en enlevant le mot "devra" et le remplaçant par le mot "pourra".

4. Que la section 4 de l'Ordre n° 50 est amendée en enlevant le mot "d'un" dans la première ligne et en insérant à sa place les mots "d'un tel".

5. Que la section 5 de l'Ordre n° 50 est par les présentes révoquée.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone*, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé"*; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollar

Taxes supplémentaires

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....	$100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000.....	100 00

5. Quand un bill est à l'effet d'augmenter ou tend augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

[The following Proclamation was first published in an *Extra of the* CANADA GAZETTE, dated the *2nd August, 1918.*]

DEVONSHIRE.

[L.S.]

CANADA.

GEORGE THE FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in anywise concern,—GREETING:

A PROCLAMATION of conditional amnesty respecting men belonging to Class I under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, Deputy Minister of Justice, Canada.

WHEREAS considerable numbers of men belonging to Class I under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under Our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted,

Or absented themselves without leave from our Canadian Expeditionary Force,

And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in Our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

NOW KNOW YE that we in the exercise of Our powers, and of Our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known that the penalties of the law will not be imposed or exacted as against the men who belong to Class I under Our Military Service Act, 1917, and who have disobeyed Our Proclamation aforesaid; or who have received notice from any of Our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from Our Expeditionary Force, provided they report for duty on or before the twenty-fourth day of August, 1918.

And we do hereby strictly warn and solemnly impress upon all such men, and as well those who employ, harbour, conceal or assist them in their disobedience, that, if they persist in their failure to report, absence or desertion until the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law, subject to the judgment of our courts martial which will be convened to try such cases or other competent tribunals; and also that those who employ, harbour, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided however that nothing contained in this Our Proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty; Our intention being merely to forego or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said twenty-fourth day of August, 1918.

Of all of which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. WITNESS: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this FIRST day of AUGUST, in the year of Our Lord one thousand nine hundred and eighteen, and in the ninth year of Our Reign.

By Command,

THOMAS MULVEY,
Under-Secretary of State.

WAR OFFICE,
18th July, 1918.

WITH reference to the awards conferred as announced in the *London Gazette* dated 18th February, 1918 (see *Canada Gazette* 6th April, 1918), the following are the statements of service for which the decorations were conferred :—

Awarded a Bar to the Distinguished Service Order.

CANADIAN FORCE.

Lt.-Col. Lorne Talbot McLaughlin, D.S.O., Infy.
For conspicuous gallantry and devotion to duty. He deployed his battalion for the attack under very difficult conditions and heavy fire, captured all his objectives, and consolidated the position. His conduct was an inspiration to all under his command.

Awarded the Distinguished Service Order.

CANADIAN FORCE.

Capt. (A/Maj.) Archie Fairburn Brown, Infy.
For conspicuous gallantry and devotion to duty in an attack. He led his men over very difficult ground to the capture of the first objective and, when two other company commanders were wounded, he took command of all the assaulting troops and led a successful attack on the final objective. Though he was severely wounded, he remained at the captured position until it was consolidated. His courage and ability were instrumental in securing the success of the attack.

Maj. Albert Desbrisay Carter, Infy., and R.F.C.
For conspicuous gallantry and devotion to duty. He destroyed two enemy aeroplanes, drove down several others out of control, and on two occasions attacked enemy troops from a low altitude. He showed great keenness and dash as a patrol leader.

Capt. John Knox Crawford, Infy.
For conspicuous gallantry and devotion to duty. He commanded two companies in an attack, and when the advance was held up and the situation became critical he rallied his men and led them successfully to the objective, capturing fifty-nine prisoners and five machine guns. His initiative and determination were alone responsible for the success of the operation.

T./Capt. John Ross Macpherson, Infy.
For conspicuous gallantry and devotion to duty. After a personal reconnaissance he led his company forward and surrounded and captured an enemy strong point together with its garrison, in spite of determined resistance and intense shell fire. His energy and initiative were entirely responsible for the success of the operation which straightened out the line for a further successful attack on the following day.

Awarded a Bar to the Military Cross.

CANADIAN FORCE.

Lt. Andrew Lusk Anderson, M.C., Fld. Arty.
For conspicuous gallantry and devotion to duty when in charge of an ammunition pack train. While he was moving ammunition from an old position the enemy opened a heavy bombardment, but he succeeded in getting all his animals and men clear and saving the ammunition. He delivered the ammunition to the forward position and guided his column back through heavy shell fire with great skill. His courage and

judgment in most difficult circumstances saved many casualties.

Lt. Irving Cecil Hall, M.C., M.G.C.

For conspicuous gallantry and devotion to duty. When two machine guns were put out of action and most of the crews were killed or wounded in an attack, he led two new crews and guns up to the front line through a heavy barrage and reorganized the defence of the position. He set a splendid example of fearlessness and leadership.

Capt. Frederick William Lees, M.C., A.M.C.

For conspicuous gallantry and devotion to duty. He worked untiringly attending to the wounded and superintending their evacuation. Though his aid post was continually under heavy shell fire he carried on his work with an energy and cheerfulness which were a splendid example to all. He saved many lives by his devotion to duty.

Lt. Henry Thomas Lord, M.C., Infy.

For conspicuous gallantry and devotion to duty. He showed great determination and courage in leading his men in spite of strong resistance to the capture of an enemy strong point. Though severely wounded in both legs after the capture of the position he remained on the spot and directed the consolidation. His pluck and endurance were an inspiration to all ranks.

Capt. (A./Maj.) Samuel Kenyon Lount, M.C., Infy.

For conspicuous gallantry and devotion to duty. He was in command of a support company during an attack and led it forward to assist in consolidating the captured ground. He showed great ability and initiative in leading his men to the position through an intense barrage with few casualties, and in controlling and encouraging his men at their work under very heavy fire. He did splendid work on this and several other occasions.

Capt. Thomas Patrick O'Kelly, M.C., Infy.

For conspicuous gallantry and devotion to duty as brigade transport officer during lengthy operations. He went forward every night under constant shell fire to ensure supplies getting through, and only his courage and resource enabled this to be successfully done, as casualties to men and animals were very heavy. His courage and determination were the more conspicuous as, throughout the whole period, he was suffering from a broken shoulder, and in spite of severe pain refused to withdraw until the division was relieved.

Capt. (A./Maj.) (now Maj.) Richard Worrall, M.C., Infy.

For conspicuous gallantry and devotion to duty while in command of his battalion. He moved about on open ground between his companies reconnoitring the position under heavy fire, and obtained information which was of the greatest value in the subsequent operations. His resolute and courageous conduct and splendid leadership were an inspiration to his battalion.

Awarded the Military Cross.

CANADIAN FORCE.

Lt. George Frederick Adams, Infy.

For conspicuous gallantry and devotion to duty. When the other officers of his company became casualties he took command of the company and led them through a heavy barrage to reinforce the advance position. During the consolidation he continually exposed himself to the enemy's fire encouraging his men. Through twice buried and badly shaken by bursting shells, he refused to leave the line, and set a splendid example of coolness and courage under very difficult conditions.

Lt. John Macintyre Airth, Infy.

For conspicuous gallantry and devotion to duty. When the situation was very obscure during an attack and several runners had become casualties in attempts to obtain information, he went forward in daylight over the open for 800 yards under intense fire and obtained most valuable information which resulted in the breaking up of an enemy counter-attack. He showed splendid courage and determinatin.

Capt. Percy Carruther Band, Infy.

For conspicuous gallantry and devotion to duty. He led his company in the attack with the greatest skill and initiative under most difficult conditions. Though wounded, he remained with his men and set them an inspiring example of courage and resource.

Lt. Charles Benjamin Bate, Engrs.

For conspicuous gallantry and devotion to duty while engaged on the construction of a plank road. His infantry working parties of 250 men were frequently dispersed by shell fire. On each occasion, with the help of his sappers, he collected the party and remained at work until the task was completed.

Lt. Arthur Boyes, Infy.

For conspicuous gallantry and devotion to duty in an attack. When the flank of the battalion became exposed during an attack he used excellent judgment in forming a defensive flank, and by his coolness and contempt of danger inspired his men with such confidence as to avert all danger from the exposed flank.

Lt. Victor William Bunn, Infy.

For conspicuous gallantry and devotion to duty. When in charge of a working party, which was heavily shelled, he displayed exceptional skill and courage in manœuvring his men and keeping them together. [1912]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd July, 1918, from the Minister of the Interior, stating that letters patent were issued on the 7th November, 1907, to Mr. Arthur Hitchcock of Moosejaw, for the north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 160 acres, which Mr. Hitchcock had been allowed to purchase at the rate of $3 an acre for a home farm and corral in connection with his ranch.

Subsequently it was ascertained that Mr. Hitchcock's improvements were located upon the north-east quarter of the said Section 3, and in compliance with his request it was decided in 1908 to exchange the north-west quarter of this section for the north-east quarter thereof, provided Mr. Hitchcock filed in the Department of the Interior a duplicate certificate of title in favour of the Crown covering the north-west quarter which had been patented to him.

The lands referred to were recently inspected by an officer of the Department of the Interior, who reported that he found both quarter sections very rough, only fit for grazing purposes and that there is very little difference, if any, in the value thereof, the north-east quarter, which Mr. Hitchcock desires to acquire, being the rougher of the two.

The Minister recommends that the exchange be confirmed and that he be authorized to issue Letters Patent in favour of Mr. Arthur Hitchcock for the said north-east quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 161 acres, and which is available for the purpose, upon his filing in the Department of the Interior, a duplicate certificate of title in favour of the Crown, free of all encumbrances, covering the said north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, above referred to.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU
7–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 24th July, 1918, from the Minister of the Interior stating that the south-east quarter of Section 26, Township 40, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, was, with other lands, vested in the Governor and Company of Adventurers of England trading into Hudson's Bay, commonly called the Hudson's Bay Company, upon the 3rd day of January, 1907, under the provisions in that behalf contained in the Dominion Lands Act,

The Minister further states that a homestead entry for the said quarter section was, by oversight, granted on the 9th August, 1912, to Mr. Thomas William Ripper, who has been in continuous occupation of the land since 1913, and made valuable improvements thereon.

At the request of the Department of the Interior, the Hudson's Bay Company surrendered the quarter section in question, in order that Mr. Ripper's entry therefor might be confirmed, and selected, in lieu thereof, the north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres and which has been reserved for the company for some time.

The Minister therefore recommends that this exchange be confirmed under the provisions of section 76 of the Dominion Lands Act, and that letters patent for the said north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, and which is available for the purpose, be issued in favour of the Hudson's Bay Company in exchange for the south-east quarter of Section 26, Township 48, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, above mentioned, and which is now vested in His Majesty King George the Fifth in the right of the Dominion of Canada, and that the homestead entry granted for the last mentioned land on the 9th August, 1912, to the said Thomas William Ripper, be confirmed.

The Committee concur in the foregoing recommendation and submit the same for approval.

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case or squatters before survey.

Due consideration of all claims.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Application before Sub-agent.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-agent or a Local Representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-agent or Local Representative has been received.

Sickness of applicant.

Provided further that if on account of sickness or other satisfactory reason shown to the agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 25th day of July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th July, 1918, from the Acting Minister of the Interior, stating that the Department of the Interior, has had before it the claims of a number of squatters to portions of the northwest quarter of Section 6 in Township 3 and Range 12, east of the Principal meridian, the land referred to being situated near the station of Badger on the Canadian Northern Railway, and that it was considered advisable to subdivide the land in question into small lots so as to cover the claimants' improvements and allow them to purchase the lots at a price to be fixed by valuation.

This subdivision has been surveyed under the instructions of the Surveyor-General of Dominion Lands and the plan thereof has been registered in the Winnipeg Land Titles Office.

The Minister, therefore, recommends that he be authorized to dispose of the lots in the said subdivision at the valuation placed thereon by an officer of the Interior and on the usual terms respecting Government townsites, namely, either the whole of the purchase price at the date of sale or one fourth of the purchase pice at that date and the remainder in three equal consecutive annual instalments, with interest at five per cent per annum.

The Committee concur in the foregoing recommendation, and submit the same for approval.

The lands so reserved for the company are as follows ;

The company are now applying for the issue of patents covering the lands selected by them in lieu of those released for the extension of the Stony Indian Reserve. The lands applied for being all available according to the records of the Department of the Interior, the Minister, therefore, recommends that the exchange with the company be authorized and that the difference in area on account of this exchange be credited to the company's land grant in the books of the Department of the Interior.

The Committee concur in the foregoing recommendation, and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 25th day of July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS Mr. John Inglis McLean, of Fort Vermilion, in the Province of Alberta, has made application for a free grant of the S.W. ¼ of section 27, Township 108, Range 12, west of the Fifth meridian, in the said Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian title ;

And whereas evidence has been submitted showing Mr. McLean to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No.8 in the summer of 1899 ;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of the Interior, and under the provisions of Section 76 of the Dominion Lands Act, is pleased to authorize and doth hereby authorize a free grant of the S.W. ¼ of Section 27, Township 108, Range 12, west of the Fifth meridian, containing 160 acres, more or less, to Mr. McLean.

RODOLPHE BOUDREAU,
5–4 Clerk of the Privy Council.

[1830]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Ottawa, Thursday, 25th July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th July, 1918, from the Acting Minister of the Interior, stating that application has been made by the North American Reindeer Company (incorporated) with headquarters at South Bend, Indiana, for free grazing privileges for a period of thirty years, for the purpose of raising reindeer on the track outlined in pink on the attached map, and described as situated in the northern part of the Province of Manitoba, and in the Northwest Territories, and comprising that territory bounded on the north by the sixty-first degree of north latitude, on the east by Hudson's Bay, on the south by Churchill River, Indian and Granville Lakes and the waters connecting them, and on the west by Reindeer River, Reindeer Lake and the one hundred and second parallel of longitude, containing an area of 75,850 square miles more or less.

The introduction of reindeer into Alaska by the United States has resulted in an assured food supply for the natives and efficient means of transportation ; and within recent years a considerable quantity of reindeer meat has been available for export to Seattle and other pacific coast points. It is considered that the northern areas of the Northwest Territories are exceptionally suitable for reindeer. The development of reindeer herds in the Territories should be of great value in the matter of an assured food supply for the native population ; the utilization of trained reindeer will provide means of transportation and permit of effective exploration of the country ; and eventually the reindeer herds should contribute substantially to the meat supply of the rest of Canada. However, the introduction of reindeer into northern Canada will necessarily involve considerable risk and a large expenditure as well as expert handling and if the pioneer work is undertaken by private individuals or corporations on an extensive scale, sufficient to ensure reasonable success, the minister is of the opinion that such persons or corporations should receive encouragement from the Dominion to the extent of free grazing privileges for a limited term.

The minister, therefore, recommends that he be authorized to grant permits for free grazing privileges for reindeer in the area above described for a period not exceeding thirty years (30 years) to any persons or corporations who establish the bona fides of their enterprise to the satisfaction of the Minister of the Interior.

Provided that all such permits shall contain such conditions and restrictions as the minister may specify ; that in no case shall the privileges given be exclusive ; and that all permits shall be subject to such regulations as the Governor in Council may from time to time prescribe.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU
5–4 Clerk of the Privy Council.

(a) That he is a member of His Majesty's regular reserve or auxiliary forces, as by the Army Act.

(b) That he is a member of the military forces raised by the governments of any of His Majesty's Dominions, other than Canada, or by the government of India.

(c) That he is serving in the Royal Navy or in the Royal Marines, or in the Naval Service of Canada, or that he is a member of the Canadian Expeditionary Force.

(d) That he has since 4th August, 1914, served in the military or naval forces of Great Britain or her allies in a theatre of actual war, and has been honourably discharged therefrom.

(*f*) That it is expedient in the national interest that he should, instead of being employed in military service, be engaged in other work of Canadian national importance in which he is habitually engaged, or for which he has special qualifications, as, for instance, British or Canadian missions or business. The application for an employee upon this ground must be supported by an affidavit or solemn declaration of his employer.

(*g*) That it is expedient in the national interest that he should be educated or trained for any work of Canadian national importance for which he is being educated or trained.

Certificates of exemption granted under these regulations shall be subject to be reviewed, limited, extended or withdrawn upon cause shown.

As the time within which applications for exemption may be considered is strictly limited, Canadians who wish to apply under these regulations should realize the importance of submitting their applications at the earliest possible date.

APPENDIX

Convention Relating to the Service of Citizens of the United States in Canada and of Canadians in the United States.

The President of the United States of America and His Majesty the King of the United Kingdom of Great Britain and Ireland, and of the British Dominions Beyond the Seas, Emperor of India, being convinced that for the better prosecution of the present war it is desirable that citizens of the United States in Canada and Canadian British subjects in the United States shall either return to their own country to perform military service in its army or shall serve in the army of the country in which they remain, have resolved to enter into a convention to that end and have accordingly appointed as their plenipotentiaries the President of the United States of America, Robert Lansing, Secretary of State of the United States, and His Britannic Majesty, the Earl of Reading, Lord Chief Justice of England, high commissioner and ambassador extraordinary and plenipotentiary on special mission to the United States, who, after having communicated to each other their respective full powers found to be in proper form, have agreed upon and concluded the following articles:

Article I.

All male citizens of the United States in Canada (hereinafter called Americans) and all male British subjects in the United States (*a*) who were born or naturalized in Canada, and who, before proceeding to the United States were ordinarily resident in Great Britain or Canada or in any other part of His Majesty's Dominions to which compulsory military service has been or may be hereafter by law applied, or outside the British Dominions; or (*b*) who were not born or naturalized in Canada, but who, before proceeding to the United States, were ordinarily resident in Canada (hereinafter called Canadian) shall, unless before the time limited by this convention they enlist or enroll in the forces of their own country or return to the United States or Canada, respectively, for the purpose of military service, be subject to military service and entitled to exemption or discharge therefrom under the laws and regulations, from time to time in force, of the country in which they are: *Provided*, That in respect to Americans in Canada, the ages for military service shall be the ages specified in the laws of the United States prescribing compulsory military service, and in respect to Canadians in the United States the ages for military service shall be for the time being 20 to 44 years, both inclusive.

Article II.

Americans and Canadians within the age limits aforesaid who desire to enter the military service of their own country must enlist or enroll or must leave Canada or the United States, as the case may be, for the purpose of military service in their own country before the expiration of 60 days after the date of the exchange of ratifications of this convention, if liable to military service in the country in which they are at the said date; or, if not so liable, then before the expiration of 30 days after the time when liability shall accrue; or, as to those holding certificates of exemption under Article III of this convention, before the expiration of 30 days after the date on which any such certificate becomes inoperative unless sooner renewed; or as to those who apply for certificates of exemption under Article III, and whose applications are refused, then before the expiration of 30 days after the date of such refusal, unless the application be sooner granted.

Article III.

The Government of the United States, through the consul general at Ottawa, and His Britannic Majesty's Government through the British ambassador at Washington, may issue certificates of exemption from military service to Americans and Canadians, respectively, upon application or otherwise, within 60 days from the date of the exchange of ratifications of this convention or within 30 days from the date when such citizens or subjects become liable to military service in accordance with Article I, provided that the applications be made or the certificates be granted prior to their entry into the military service of either country. Such certificates may be special or general, temporary or conditional, and may be modified, renewed or revoked in the discretion of the Government granting them. Persons holding such certificates shall, so long as the certificates are in force, not be liable to military service in the country in which they are.

ARTICLE IV.

The Government of the United States and the Government of Canada will, respectively, so far as possible facilitate the return of Canadians and Americans who may desire to return to their own country for military service, but shall not be responsible for providing transport or the cost of transport for such persons.

ARTICLE V.

No citizen or subject of either country who, under the provisions of this convention, enters the military service of the other shall, by reason of such service, be considered, after this convention shall have expired or after his discharge, to have lost his nationality or to be under any allegiance to the United States or to His Britannic Majesty, as the case may be.

ARTICLE VI.

The present convention shall be ratified by the President of the United States of America, by and with the advice and consent of the Senate of the United States, and by His Britannic Majesty, and the ratifications shall be exchanged at Washington or at London as soon as possible. It shall come into operation on the date on which the ratifications are exchanged and shall remain in force until the expiration of 60 days after either of the contracting parties shall have given notice of termination to the other ; whereupon any citizen or subject of either country incorporated into the military service of the other under this convention shall be as soon as possible discharged therefrom.

In witness whereof the respective plenipotentiaries have signed the present convention and have affixed thereto their seals.

Done in duplicate at Washington the third day of June, in the year of our Lord one thousand nine hundred and eighteen.

Saturday, the 6th day of July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS under the provisions of the Order in Council of the 7th December, 1907, certain Dominion lands were set apart to be reserved for the Doukhobor communities during the pleasure of the government ;

And whereas from time to time certain of lands so reserved have been withdrawn from reservation as being no longer required for the purpose for which they were set apart and homestead entries were granted thereon to members of the Doukhobor com-

munities participating in the reserves and to the general public ;

And whereas the Doukhobor Commission which recently visited the reserves with a view to investigating the whole situation recommends the discontinuance of the reserves ;

And whereas it is desirable that the matter be dealt with as promptly as possible in order that any surplus land remaining available after all the rightful claims have been adjusted might be made available for soldier settlement ;

(6) That any Doukhobor who is permitted to obtain homestead entry in a Doukhobor reserve shall thereby exhaust his homestead right.

(7) That all available surplus lands remaining in the reserves after all claims have been adjusted be reserved for solder settlement.

Thursday, the 25th day of July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 10th July, 1918, from the Acting Minister of the Interior, stating that on the 14th day of February, 1911, Mr. William Armstrong, of Portage la Prairie, was advised in reply to an application made by him, that he would be permitted to purchase the surface rights of the north half of Legal Subdivision 15 of Section 23, Township 32, Range 9, west of the Principal Meridian, at the rate of $10 an acre, as a mill-site in connection with a number of mining leases granted in that vicinity, the sale, however, to be subject to the erection of a mill suitable for the purpose and satisfactory to the Minister of the Interior, and the thorough utilization of the land in connection with the operation of gypsum locations in that locality.

Payment in full has been made of the purchase price of the land of the specified rate, and evidence has been furnished to the satisfaction of the Minister of the Interior that a suitable mill has been erected, and that the land has been utilized for the purpose for which it was required.

The Minister, therefore, recommends that he be authorized to complete the sale to the applicant of the surface rights of the north half of Legal Subdivision 15 of Section 23, Township 32, Range 9, west of the Principal Meridian.

The Committee concur in the foregoing recommendation, and submit the same for approval.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 12th July, 1918, from the Acting Minister of the Interior, stating that the Regulations governing the Dominion Forest Reserves prohibit fishing in any other manner than by angling and trolling in those waters in Alberta, south of the north boundary of township 55.

It has been reported by the forest officers that there are a number of lakes in township 52, range 26, west 5th meridian, in the Athabaska Division of the Rocky Mountains Forest Reserve, which are well supplied with white and jackfish ; that these lakes have furnished a supply of fish to the surrounding settlers for some years past without any appreciable diminution of the supply, and that the enforcement of the prohibitive regulation referred to will, in view of the present shortage of food, result in hardship for the settlers who have been accustomed to use nets in obtaining a supply of fish from these lakes.

The Minister therefore recommends that authority be granted to issue domestic fishing permits for these lakes during the years 1918, 1919 and 1920, not to exceed a total of 12 such permits in each year, for the use of 100 feet of 5½ inch mesh gill net, at a fee of $4.00 for resident British subjects, each permit to cover only the summer or winter season as the case may be.

The committee concur in the foregoing recommendation and submit the same for approval.

And whereas the parcel of land in question is undisposed of according to the records of the Department of the Interior, and may be more particularly described ae follows :—

Commencing at a point on the East boundary of the North East quarter of Section 18 in the 83rd Township and 16th Range, West of the 4th Meridian in the Province of Alberta, distant 655.38 feet, measured southerly along the said east boundary from the North-east corner of the said quarter section, thence due West a distance of 50 feet to an iron post ; thence due South a distance of 204 feet to an iron post ; thence continuing on the same course a distance of 27 feet to a point which for the purpose of this description may be described as Point A ; thence due West

to intersection with the right bank of the Athabaska River as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa, on the 22nd day of June, A.D. 1918, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior; thence northwesterly following the said bank to a line drawn parallel with and 300 feet perpendicularly distant northerly from the line drawn due west from the point A; thence due east along the said parallel line to intersection with the said east boundary of said north-east quarter section; thence southerly along said east boundary a distance of 69 feet, more or less, to the point of commencement and containing by admeasurement two acres, more or less, and as shown on the plan hereto attached.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order and it is hereby ordered that the parcel of land above described, shall be and the same is hereby transferred to the Department of Indian Affairs for the purpose of a cemetery.

5-4 Clerk of the Privy Council.

[1966.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday the 10th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS there has been laid before His Excellency the Governor General in Council a report from the Minister of Agriculture stating as follows, viz:—

The crop situation over Southern Manitoba, in Southern and Southwestern Saskatchewan and in Southern and part of Central Alberta is exceedingly critical owing to continued dry weather.

A very serious situation has arisen on this account in so far as feed for live stock is concerned particularly in regard to their requirements next winter. The situation strongly indicates that action should be taken to conserve forage and feed of all kinds that our farmers may not be forced to sell their breeding stock so essential to the keeping up of the supply of meat and dairy products needed by Great Britain and the other allies now and in the near future.

It is further important that our breeding stock be kept up to, and if possible increased over, what it is at present, if we are to do our part in the rehabilitation of the stock-breeding industries in Europe once the war is over. That Canada will be called upon to do much in this line is evident already from the fact that delegations from at least one of the war stricken countries are now touring Canada with this end in view.

Therefore, in view of the above, His Excellency the Governor General in Council, on the recommendation of the Minister of Agriculture and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make the following Regulations and the same are hereby made and established accordingly:

Regulations.

1. No stack of straw remaining from the crops of last year or the product of the crops of the present year, situate in either of the Provinces of Manitoba, Saskatchewan or Alberta, shall be burned or otherwise destroyed without the written permission of the Deputy Minister of Agriculture of the Province in which such straw is situate.

(2) Any person violating the provisions of this regulation shall be liable, on summary conviction, under the provisions of Part XV of the Criminal Code, to a fine of not less than ten dollars and not exceeding one hundred dollars, or to imprisonment for any term not exceeding thirty days or to both fine and imprisonment.

2. The Order in Council of the twelfth day of July, 1918, P.C. 1713, is hereby rescinded and repealed.

RODOLPHE BOUDREAU,
7-2 Clerk of the Privy Council.

[1908]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Justice reports that the regulations established by Order in Council of the 20th September, 1916, for the control and registration of aliens of enemy nationality require amendment in the following respects:—

(*a*) The existing regulations only require aliens of enemy nationality of military age and having no permanent place of residence or abode in Canada, to register. It is deemed expedient that all aliens of enemy nationality over the age of 16 years be required to conform to the regulations.

(*b*) Under the existing regulations registered aliens having permission to travel from one point to another have been obliged to report at points en route. It is deemed expedient that such aliens be relieved of this obligation except when they remain at one place for 24 hours or more.

(*c*) The existing regulations contain no provision exempting registered aliens from obligation to report while employed in unorganized districts where there is no chief officer of police to whom they can report. It is deemed expedient that such aliens be relieved of the obligation to report while employed in such districts.

(*d*) The existing regulations require all registered aliens, including certain aliens of enemy nationality who are nevertheless well known to be friendly aliens in fact, to report monthly to the chief officer of police. It is deemed expedient that certain of these friendly aliens, viz: the Czechs or Members of the Bohemian National Alliance, Turkish subjects who are by race Greeks, Armenians, Syrians, or of other community well known as opposed to Turkish regime and of Christian faith, be exempted from this obligation at the discretion of the chief commissioner of police.

(*e*) Under the existing regulations the offence of departing from any place without permission has been solely within the jurisdiction of courts of the province where the place of departure is situate. It is deemed expedient that the courts at any place where the alien is apprehended be given jurisdiction to deal with the offence.

(*f*) It has been brought to the attention of the Minister of Justice that a large number of registered aliens have failed to comply with the law requiring every male person to be regularly engaged in some useful occupation, and it is deemed expedient that the enforcement of this law be facilitated by requiring registered aliens to established to the satisfaction of the chief officer of police that they have been complying with the law in this respect, before they be granted permission to travel from one place to another.

(*g*) It has been brought to the attention of the Minister of Justice that aliens of enemy nationality who have not registered or who have not obtained the proper permission have hitherto been able to travel from one point to another with little interference. It is deemed expedient, therefore, that such aliens be refused transportation as hereinafter provided.

(*h*) Hitherto the provincial constables have not been included in the term "chief officer of police" within the meaning of the regulations. It is deemed expedient that such provincial constables be given the powers of chief officers of police. It is also deemed expedient that postmasters be given authority to record the reports of registered aliens at points where there is no chief officer of police within a radius of five miles. It is further deemed expedient that the chief officers of police be required to render monthly reports to the chief commissioner of police at Ottawa, as hereinafter provided.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Justice and under the authority of the War Measures Act, 1914, is pleased to order and it is hereby ordered as follows:—

The above mentioned Order in Council of the 20th September, 1916, establishing Regulations for the control and registration of aliens of enemy nationality is hereby cancelled and the following regulations are hereby made and sanctioned in lieu thereof :—

1. Every alien of enemy nationality over the age of sixteen years, residing or being in Canada, shall, unless he has previously registered or reported in the manner herein required within twenty days after the publication of these regulations in the *Canada Gazette* attend upon the chief officer of police of the city, town, village, county or district in which such alien of enemy nationality resides or is and report to the said chief officer of police his name, age, place of residence, nationality and occupation, and truly answer all such questions as may be put to him by or on behalf of the said chief officer of police with regard to any of the matters aforesaid, or the causes or purposes of such alien of enemy nationality being within Canada.

2. The said chief officer of police shall, if satisfied that any registered alien of enemy nationality may, consistently with the public interest, be suffered to remain at large, make out and deliver to such alien of enemy nationality a certificate of parole in the form set forth in schedule hereto annexed marked "A," and shall furnish to the chief commissioner of police, Ottawa, a monthly return of such aliens of enemy nationality, in form set forth in schedule "C."

3. It shall be the duty of any alien of enemy nationality to whom is issued a certificate of parole as aforesaid to preserve the same carefully and carry it upon his person and to produce the same for inspection at any time when required by any peace officer or military officer.

4. An alien of enemy nationality to whom any certificate of parole shall have been issued shall not quit or depart from the city, town, village, county or district within which his certificate of parole was issued without first attending upon the chief officer or police who issued the same and declaring to him the cause or purpose of his desire to quit or depart from the city, town, village, county or district aforesaid, and the name of the place to which such alien of enemy nationality intends or desires to go, and he shall thereupon truly answer all such questions as may be put to him by or on behalf of the said chief officer of police touching all or any of the matters aforesaid.

5. The said chief officer of police shall, if satisfied that it is not contrary to the public interest that such alien of enemy nationality should be permitted to quit or depart from the city, town, village, county or district in which the certificate of parole was issued as aforesaid, endorse upon the said certificate of parole, in the form set forth in Schedule "B" hereto, notice to the effect, that the said alien of enemy nationality has been duly granted permission to go to the place therein specified and shall notify the chief commissioner of police, Ottawa, each month on form Schedule "B" of the particulars of such permission.

6. The chief officer may refuse permission to any alien of enemy nationality to depart from any place unless such alien satisfies him that he has complied with the law requiring every male person to be regularly engaged in some useful occupation and that he has been regularly employed for at least 20 days out of the 30 days immediately proceeding his application to depart.

7. All ticket agents and conductors of railway or Steamboat Companies or other officers, shall under penalty of violating these regulations, refuse to sell tickets or give transportation to any alien of enemy nationality, who does not produce certificate of parole with notice of permission to travel from one point to another endorsed thereon (Form B).

8. An alien of enemy nationality having so reported and having obtained the permission referred to in section 5 herein shall not be required to report while en route unless he remain in one place for a period of twenty-four hours or more, but shall immediately upon arrival at his destination attend upon and report to the chief officer of police at such place. The chief officer of police shall furnish to the chief commissioner of police, at Ottawa, according to schedule "E," a monthly list of such persons reporting.

9. Aliens of enemy nationality granted permission to proceed for the purposes of employment to places where there is no chief officer of police to whom they can report shall not be required to report during such period as they remain in the said employment, but shall report immediately upon their return to the place where such permission was granted, or upon arrival at any place where there is a chief officer of police and where they remain for 24 hours or more.

10. An alien of enemy nationality having obtained a certificate of parole shall at regular intervals of one month thereafter attend upon and report to the chief officer of police who issued his certificate of parole, unless in the meantime he shall have obtained permission in manner aforesaid to remove or go to a place outside of the city, town, village county or district within which his certifiate of parole was issued, in which case he shall report at the same intervals to the chief officer of police of the place to which he has removed or gone.

11. The following may at the discretion of the chief commissioner of police be granted exemption from reporting monthly, but shall be governed by all other regulations herein mentioned :—Aliens of enemy nationality of fifty years and over, or those maimed or crippled so as to render them unfit for any military service ; Czechs or members of the Bohemian National Alliance ; Turkish subjects who are by race Greeks, Armenians, Syrians or of other community well known as opposed to Turkish regime, and of Christian faith.

12. A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, he following information:—

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

DEVONSHIRE

[L.S.]

CANADA.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront ou qu'icelles pourront de quelque manière concerner,—SALUT :

PROCLAMATION d'amnistie conditionnelle concernant ceux des hommes de la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, qui ont désobéi à notre Proclamation du 13 octobre 1917, ou aux ordres de se rapporter pour le service, ou qui sont déserteurs ou absents sans permis de la Force expéditionnaire canadienne :

E. L. NEWCOMBE, Sous-ministre de la Justice, Canada.

ATTENDU qu'un nombre considérable d'hommes de la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, appelés au service actif dans la Force expéditionnaire canadienne pour la défense du Canada par Notre proclamation du 13 octobre 1917, bien qu'ils soient par là devenus légalement enrôlés dans le service militaire canadien,

Ont fait défaut de se rapporter pour le service, suivant qu'ils en étaient légalement requis sous l'empire de ladite *Loi concernant le Service Militaire* et des règlements promulgués en conséquence, y compris Notre Arrêté en conseil en date du 20 avril dernier,—

Ou ont déserté,

Ou se sont absentés sans permis de Notre Force expéditionnaire canadienne ;

Et attendu qu'il est représenté que la situation grave et regrettable dans laquelle ces hommes se trouvent, est due, dans bien des cas, au fait que, nonobstant l'information et l'injonction fournies par Notre dite proclamation, ils ont mal compris leur devoir ou leur obligation, ou ont été induits en erreur par les conseils de gens mal inspirés, déloyaux ou séditieux ;

Et Attendu que Nous désirons, dans la mesure possible, éviter l'infliction des lourdes pénalités édictées par la loi pour la punition des offenses graves dont ces soldats se sont rendus coupables,—et leur fournir l'occasion, dans une période de temps limitée, de se rapporter et mettre leurs services à la disposition de la Force expéditionnaire canadienne, comme ils sont légalement tenus de le faire et comme cela est nécessaire à la défence de la Puissance du Canada.

SACHEZ MAINTENANT que dans l'exercice de Nos pouvoirs, et de Notre bon vouloir et plaisir, Nous proclamons, déclarons, publions et portons à la connaissance de tous, que les pénalités édictées par la loi ne seront pas imposées ou exigées au sujet des hommes appartenant à la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, qui ont désobéi à Notre proclamation susdite, ou qui, ayant reçu avis de Nos registraires ou députés registraires de se rapporter à une date passée, ont manqué de se rapporter ainsi ; ou qui, s'étant rapportés et ayant obtenu un congé, ont manqué de se rapporter à l'expiration de leur congé ou qui ont déserté de Notre Force expéditionnaire, pourvu que ceux concernés se rapportent pour le service le ou avant le 24 août 1918.

Et nous avertissons strictement tous les hommes ainsi concernés et leur signifions solennellement, ainsi qu'à ceux qui emploient, reçoivent, cachent ou assistent ceux-là dans leur désobéissance, que s'ils persistent dans leur défaut de se rapporter, dans leur absence ou dans leur désertion jusqu'à l'expiration de la date en dernier lieu mentionnée, ils seront poursuivis et punis avec toutes les rigueurs et la sévérité de la loi, et deviendront passibles du jugement de nos cours martiales qui seront assemblées pour juger ces cas, ou de tous autres tribunaux compétents ; et aussi que ceux qui emploient, reçoivent, cachent ou assistent ces hommes, deviendront eux-mêmes strictement soumis aux mêmes pénalités que les coupables principaux et sujets aux mêmes punitions, pénalités, forfaitures que la loi met à la disposition des autorités pour la punition desdites offenses.

Pourvu que rien de ce qui est contenu dans Notre présente proclamation ne soit interprété comme diminuant l'obligation dans laquelle se trouvent ces hommes de se rapporter au service le plus tôt possible, ou comme leur accordant l'immunité contre l'arrestation ou la détention qui pourrait être effectuée dans l'intervalle dans le but de les forcer à l'exercice du service militaire ; Notre intention étant seulement de ne pas prononcer ou de remettre les pénalités encourues jusqu'à présent pour défaut de se rapporter, pour absence sans permis ou pour désertion, dont seraient passibles les hommes décrits plus haut, qui le ou avant le 24 août prochain seront rentrés dans l'exercice des devoirs militaires auxquels ils sont astreints.

De tout ce qui précède Nos féaux sujets, et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance, d'obéir strictement et se conformer à Nos présents commandements, directions et exigences, et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN: Notre très fidèle et très aimé cousin et conseiller Victor-Christian-William, duc de Devonshire, marquis d'Hartington, comte de Devonshire, comte de Burlington, baron Cavendish de Hardwicke, baron Cavendish de Keighley, chevalier de Notre très noble Ordre de la Jarretière ; membre de Notre très honorable Conseil privé ; chevalier grand-croix de Notre Ordre très distingué de Saint-Michel et de Saint-Georges ; chevalier grand-croix de Notre Ordre royal de Victoria, Gouverneur général et Commandant en chef de Notre Dominion du Canada.

ATTENDU que M. John Inglis McLean, de Fort Vermillion, Province d'Alberta, a demandé la concession gratuite du quart sud-ouest de la section 27, township 108, rang 12, à l'ouest du 5e méridien, dans la dite province d'Alberta, en vertu du fait qu'il occupait ce terrain à la date de l'extinction du titre indien;

Et attendu qu'il a été établi que M. McLean était réellement en possession du terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre suppléant de l'Intérieur et en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, d'autoriser pour les présentes la concession gratuite à M. AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 12e jour de juillet 1918, représentant que les règlements régissant les réserves forestières fédérales défendent de faire la pêche autrement qu'à la ligne à main et à la ligne traînante dans les eaux de l'Alberta au sud de la borne nord du township 55.

Les fonctionnaires du service ont fait rapport que plusieurs lacs du township 52, rang 26, à l'ouest du 5e méridien. dans la réserve forestière des Montagnes Rocheuses de la division d'Athabaska abondent en poisson blanc et en brochet ; que depuis plusieurs années, ces lacs ont fourni du poisson aux colons des environs sans diminution appréciable de la quantité et que vu la mise en vigueur des règlements prohibitifs susmentionnés sera une cause de privation pour les colons qui ont été accoutumés à se servir de filets pour leur approvisionnement de poisson dans ces lacs.

Le ministre, par conséquent, demande l'autorisation d'accorder des permis de pêche dans ces lacs pour consommation domestique pour les années 1918, 1919 et 1920. Il ne sera pas accordé plus de 12 permis par année. Ces permis seront pour 100 pieds de filet tramaillé de cinq pouces et demi de maille. L'honoraire sera de $4 pour les sujets britanniques résidents. Chaque permis ne couvrira que la saison d'été ou d'hiver, selon le cas.

Le comité agrée cette recommandation et la soumet pour approbation.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, de décréter par les présentes que le dit terrain soit par le présent arrêté transféré au département des Travaux Publics pour les fins susdites.

Attendu que le Département des Affaires des sauvages a demandé la mise en réserve du cimetière des sauvages de House River, petite étendue de terrain d'à peu près deux acres dans le quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, et qui a été affectée à cette fin durant plusieurs années ;

Et attendu que le terrain en question est disponible d'après les archives du Départment de l'Intérieur et peut être décrite plus minutieusement comme suit :—

Commençant à un point sur la borne est du quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, à une distance de 655.38 pieds vers le sud et le long de ladite borne est, à partir de l'angle nord-est dudit quart de section; de là franc ouest sur une distance de 50 pieds jusqu'à un poteau en fer; de là et dans la même direction sur une distance de 27 pieds jusqu'à un point qui, pour les fins de la présente description, est dit " Point A "; de là franc ouest jusqu'à intersection avec la rive droite de la rivière Athabaska ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 22 juin 1918, par Edouard Deville, arpenteur général des terres fédérales, et déposé au département de l'Intérieur; de là vèrs le nord-ouest en suivant ladite rive jusqu'à une ligne tracée parallèlement à la ligne s'étendant franc nord du point A et 300 pieds perpendiculairement au nord de cette dernière ligne; de là franc est le long de ladite ligne parallèle jusqu'à intersection avec ladite borne est dudit quart de section nord-est ; de là vers le sud en suivant la dite borne est sur une distance de 69 pieds plus ou moins, jusqu'au point de commencement, et contenant deux acres plus ou moins et ainsi que décrit sur le plan ci-annexé.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre suppléant de l'Intérieur, de décréter par les présentes que le terrain ci-haut décrit soit par les présentes transféré au département des Affaires des Sauvages pour les fins d'un cimetière.

PRESENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre suppléant de l'Intérieur, daté le 9 juillet 1918, représentant que la compagnie dite " North American Reindeer Company," ayant son bureau principal à South Bend, Indiana, a demandé des privilèges de pâturage gratuits pour une période de trente ans, pour faire l'élevage des rennes sur l'étendue de terrain indiquée en rose sur la carte ci-annexée et décrite comme étant située dans la partie nord de la province du Manitoba, ainsi que dans les Territoires du Nord-Ouest, comprenant un territoire borné au nord par le 61e degré de latitude nord, à l'est par la Baie-d'Hudson, au sud par la rivière Churchill, les lacs Indian et Granville ainsi que les eaux qui les rallient, et à l'ouest par la rivière Reindeer, le lac Reindeer et le 102e parallèle de longitude, et contenant une superficie de 75,850 milles carrés, plus ou moins.

L'introduction du renne dans l'Alaska par les Etats-Unis a eu pour résultat de fournir un approvisionnement sûr de nourriture aux natifs et des moyens efficaces de transport ; de même qu'au cours des dernières années une quantité considérable de viande provenant du renne a été exportée à Seattle et aux points de la côte du Pacifique. Les régions nord des Territoires du Nord-Ouest sont considérées comme exceptionnellement propres à l'élevage du renne. L'industrie de l'élevage de troupeaux de rennes dans les territoires devrait être d'une grande valeur comme approvisionnement sûr de nourriture pour la population aborigène ; l'emploi du renne comme animal de trait permettra d'explorer efficacement le pays et, en définitive, les troupeaux de rennes devraient contribuer pour une large part à l'approvisionnement de viande du reste du Canada. Cependant, l'introduction du renne dans les régions australes de ce pays comporte un risque considérable ainsi que de fortes dépenses et nécessite de l'expertise dans le soin de ces animaux, et si l'initiative d'une telle entreprise est assumée sur une grande échelle par des particuliers ou par une corporation, de manière à lui assurer un succès raisonnable, le Ministre est d'avis que le Dominion devrait seconder tels particuliers et corporations en leur accordant des privilèges gratuits de pâturage pour une période limitée.

Le ministre demande par conséquent l'autorisation d'accorder des permis de pâturage gratuits pour les rennes dans la région ci-haut décrite, pour une période n'excédant pas trente (30) ans, à tous particuliers ou corporations qui établissent le sérieux de leur entreprise à la satisfaction du Ministre de l'Intérieur.

Pourvu, toutefois, que tous tels permis comportent telles conditions et restrictions que le Ministre peut juger à propos; qu'en aucun cas ces privilèges soient exclusifs et que tous tels permis soient subordonnés à tous tels règlements que le Gouverneur en conseil peut prescrire de temps à autre.

Le comité agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 10e jour de juillet 1918, représentant que le 14 février 1911 M. William Armstrong, de Portage-La-Prairie, en réponse à sa demande d'acheter les droits de surface de la moitié nord de la subdivision légale 15 de la section 23, township 32, rang 9, à l'ouest du méridien principal pour l'emplacement d'un moulin, a été avisé du fait qu'il pouvait acheter ce terrain au prix de $10 l'acre, ainsi qu'un certain nombre de concessions minières accordées dans cette région, à condition cependant qu'un moulin y soit érigé pour telles fins que déterminées par le Ministre de l'Intérieur et à la satisfaction de ce dernier, et pourvu de plus que ledit terrain soit complètement utilisé pour l'exploitation des gisements de gypse de cette localité.

Le paiement total du prix de vente de ce terrain a été fait au prix spécifié et il a été établi à la satisfaction du Ministre de l'Intérieur qu'un moulin convenable y a été érigé et que le terrain a été utilisé pour les fins requises.

Le Ministre, par conséquent, demande l'autorisation de clore la vente au requérant des droits de surface de la moitié nord de la subdivision légale 15, section 23, township 32, rang 9, à l'ouest du méridien principal.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 11e jour de juillet 1918, représentant qu'un certain nombre de squatters ont soumis leurs réclamations à son département concernant certaines parties du quart nord-ouest de la section 6, township 3 rang 12, à l'est du méridien principal, ce terrain étant situé près de la station de Badger sur le chemin de fer Canadien Nord. Le rapport fait mention qu'il a été jugé opportun de subdiviser le terrain en question en petits lots couvrant chacun les améliorations d'un des requérants et de permettre ensuite à ces derniers d'acheter ces lots à un prix à être fixé par estimation.

Cette subdivision a été arpentée d'après les instructions de l'Arpenteur général des terres fédérales et le plan en a été enregistré au bureau des titres de terres, à Winnipeg.

Le Ministre, par conséquent, demande l'autorisation de vendre les lots de ladite subdivision au prix déterminé par un fonctionnaire du département de l'Intérieur et aux conditions ordinaires des lots de ville, savoir, le montant total du prix de vente lors de la vente ou un quart du prix de vente à cette date et le reste en trois versements consécutifs égaux, avec intérêt de cinq pour cent par an.

Le Comité agrée cette recommandation et la soumet pour approbation.

ATTENDU que la Commission du commerce de guerre des Etats-Unis a soumis à licence l'exportation de divers articles; et attendu qu'il est de temps à autre ajouté à la liste de ces articles et qu'elle est modifiée selon les exigences de la guerre, et surtout dans le but de conserver le tonnage et de procurer plus de navires pour le transport en Europe des troupes et des approvisionnements ;

Et attendu qu'il a été représenté par la Commission du commerce de guerre des Etats-Unis que le but de ces restrictions est jusqu'à un certain point manqué vu que le Gouvernement du Canada n'a pas imposé de restrictions semblables sur les exportations ;

Et attendu qu'il est désirable que le Gouvernement du Canada coopère autant que possible avec le Gouvernement des Etats-Unis dans le contrôle des exportations pour les fins mentionnées.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre des Finances, de décréter par les présentes que l'exportation du Canada de tous articles dont l'exportation des Etats-Unis est sujette à licence et qui sont énumérés dans la liste ci-annexée soit par les présentes prohibée, sauf sur une licence approuvée par la Commission du commerce de guerre.

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 27e jour de juillet 1918.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre suppléant du Commerce et de l'Industrie soumet des règlements faits par le Contrôleur du combustible, en vertu de l'autorité qui lui est conférée par le paragraphe (3) de l'arrêté en conseil du 12 juillet 1917 (C.P. 1887), concernant l'importation, la vente et la distribution de la houille en Canada, et en recommande l'approbation ;

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire des dispositions de la *Loi des mesures de guerre, 1914*, d'approuver, ratifier et confirmer les dits règlements, et le Contrôleur du combustible et toutes les personnes mentionnées dans les dits règlements sont par les présentes investis des pouvoirs nécessaires pour mettre en pleine vigueur les dits règlements.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÈGLEMENTS TOUCHANT L'IMPORTATION, LA VENTE ET LA LIVRAISON DE LA HOUILLE ÉMIS PAR LE CONTROLEUR DU COMBUSTIBLE DU CANADA.

En vertu de l'autorité qui lui est conférée par le paragraphe (2) de l'arrêté en conseil du 12 juillet 1917 (C. P. 1887), le soussigné fait les règlements suivants régissant le prix, l'importation, la vente et la livraison de la houille :

(1) Les règlements du Contrôleur du combustible, datés le 15 mars 1918 et approuvés par arrêté en conseil du 20 mars 1918 (C.P. 664), sont modifiés en ajoutant au paragraphe (18) les alinéas suivants :

(*b*) En calculant les frais d'administration afin de déterminer le prix coûtant de la houille le marchand doit y inclure directement ou indirectement toute charge, frais ou coût relativement aux items suivants :

(1) L'intérêt sur le capital placé en terrains, bâtiments, outillage ou autres meubles et immeubles en tant qu'ils concernent le commerce de la houille.

(2) L'intérêt sur les obligations, débentures, autres dettes ou argent emprunté. On peut cependant ajouter l'intérêt sur les comptes réels de pratiques aux taux courants des banques.

(3) Montants attribuables au fonds d'amortissement pour le rachat d'obligations, de débentures, ou pour autres remboursements.

(4) Taxe sur le revenu, excédent de profits ou autres taxes d'affaires, sauf cependant les droits perçus par les départements des Douanes et du Revenu de l'Intérieur sur la houille importée des Etats-Unis d'Amérique.

(5) Déboursés pour améliorations permanentes, outillage ou autres frais attribuables au compte du capital.

(6) Frais de loyer pour cours, bâtiments et outillage.

(*c*) Les salaires et les dépenses des fonctionnaires ou associés ne seront pas augmentés au-dessus de ceux de l'année 1914 en proportion plus grande que les salaires ont augmenté dans d'autres industries. Un marchand peut ajouter son salaire aux frais d'exploitation, mais en proportion raisonnable seulement.

(*d*) La dépréciation des bâtiments ou de l'outillage peut être chargée à des intervalles réguliers, de telle manière qu'à la fin de la durée de ces bâtiments ou de cet outillage ou lorsqu'ils deviendront surannés il existera un fonds égal au premier placement et basé sur la durée probable des bâtiments et de l'outillage, à partir de la date où ils ont été construits ou acquis.

(*e*) Si un marchand augmente le prix de vente de la houille pour faiblage de poids, le chiffre de telle augmentation devra être fixé par computation et non par estimation.

(*f*) Si un marchand tamise de la houille et vend le menu charbon provenant de cette opération à un prix moindre que le prix de vente fixé conformément aux prescriptions des paragraphes 13, 14 et 15 des présents règlements, cette différence peut être répartie proportionnellement sur le coût des diverses grosseurs de houille provenant de ce tamisage.

(*g*) Les marchands qui font le commerce de détail ainsi que le commerce de gros doivent répartir leurs frais d'exploitation sur chaque branche de leur commerce, et cette répartition doit être en proportion raisonnable avec la moyenne de tels frais et des frais fixes des marchands qui ne font que le commerce de détail seul ou le commerce de gros seul.

(*h*) Toute la houille vendue aux consommateurs doit porter la même proportion de frais d'exploitation et de frais fixes par tonne, et il n'est pas permis à un marchand de répartir ses frais d'exploitation et ses frais fixes en plus grande proportion sur une variété, une qualité ou une grosseur quelconque de houille que sur une autre.

(*i*) Les escomptes et les rabais qui, pour argent comptant ou pour toute autre considération, peuvent être accordés à un acheteur par un marchand ne doivent pas être censés augmenter les frais d'exploitation et les frais fixes en calculant le prix de vente de la houille.

(*k*) Sur la recommandation de l'Administrateur du combustible, le Contrôleur du combustible peut fixer les frais de réception, manutention, livraison et exploitation pour toute municipalité par un avis au Commissaire du combustible par l'entremise de l'Administrateur du combustible.

(2) Tout détailleur de houille est tenu d'afficher dans un endroit bien en vue de la partie de son bureau à laquelle le public a accès un avis bien lisible, imprimé ou clavigraphié, contenant une liste des prix de détail de toutes les sortes et grosseurs de houille dont il fait commerce, y compris les escomptes s'il y en a.

(3) Le paragraphe 17 des dits règlements est modifié en y ajoutant l'alinéa suivant :

(*b*) Le fonctionnaire en charge de la branche du combustible du bureau Fédéral des Statistiques est par les présentes constitué un agent dûment autorisé du Contrôleur du Combustible.

Contrôleur du Combustible.

V. L'ambassadeur anglais à Washington a le pouvoir d'accorder aux canadiens l'exemption du service militaire aux Etats-Unis durant les périodes respectives susdites de soixante et de trente jours, selon le cas ; et le Sénat des Etats-Unis ayant approuvé la Convention, les canadiens peuvent maintenant demander telle exemption, subordonnément aux régles et restrictions suivantes :

1. Seuls peuvent faire cette demande ceux qui, au cas où ils n'ont pas droit à l'exemption, décident de s'enrôler dans le corps expéditionnaire canadien. Les autres Canadiens qui désirent demander l'exemption peuvent s'adresser, sous l'empire des lois et règlements locaux, aux bureaux d'exemption des Etats-Unis.

2. Les Canadiens qui, aux conditions ci-dessus mentionnées, désirent demander l'exemption diplomatique peuvent présenter leur demande par écrit, attestée par un affidavit ou une déclaration solennelle, au directeur de la branche du service militaire du département de la Justice, à Ottawa, et le requérant doit dans chaque cas déclarer (i) ses noms et prénoms tout au long; (ii) le lieu de sa naissance; (iii) son adresse; (iv) son âge; (v) son occupation ; (vi) sa position quant à une épouse et famille; (vii) s'il a ses premiers certificats d'enregistrement ou non; et, s'il est enregistré sous le régime de la loi et des règlements du service militaire sélectif des Etats-Unis, il doit aussi donner (viii) le nom et le numéro du bureau local; (ix) son numéro de série; (x) son numéro d'ordre; (xi) sa classe; (xii) le résultat de son examen médical.

Le requérant doit aussi inclure deux photographies (non montées) ou donner de sa personne une description suffisante pour les fins d'identification, comprenant les détails suivants : (1) âge ; (2) grandeur ; (3) poids; (4) couleur des yeux ; (5) teint ; (6) couleur des cheveux ; (7) marques distinctives, s'il y en a.

3. La demande doit être faite par celui pour qui l'exemption est demandée, et approuvée d'une ou plus des raisons suivantes, qui doivent être spécifiées :

(*a*) Qu'il est membre de la réserve régulière ou auxiliaire de Sa Majesté, ainsi que défini par l'*Army Act*.

(*b*) Qu'il est membre des forces milltaires levées par le gouvernement d'une des possessions de Sa Majesté, autre que le Canada, ou par le gouvernement de l'Inde.

(*c*) Qu'il sert dans la Marine Royale ou dans le corps militaire de la Marine Royale, ou dans le Service Naval du Canada, ou qu'il est membre du Corps Expédition naire Canadien.

(*d*) Que depuis le 4 août 1914 il a servi dans les forces militaires ou navales de la Grande-Bretagne ou de ses alliés sur un des théâtres de la guerre et qu'il a été honorablement congédié.

(*e*) Qu'il est ministre de la religion ou membre d'un ordre reconnu, de caractère exclusivement religieux, ou ministre d'une dénomination religieuse existant en Canada le 29 août 1918.

(*f*) Qu'il est opportun dans l'intérêt national qu'au lieu d'être employé dans le service militaire il soit engagé dans un autre travail d'importance nationale, dans lequel il est habituellement engagé ou pour lequel il a des aptitudes spéciales, comme par exemple les missions ou délégations anglaises ou canadiennes. La demande d'un employé basée sur ces raisons doit être appuyée par un affidavit ou une déclaration solennelle de son patron.

(*g*) Qu'il est opportun, dans l'intérêt national, qu'il soit instruit ou exercé pour tout travail d'importance nationale pour le Canada pour lequel il s'instruit ou s'exerce actuellement.

(*h*) Qu'il est impropre au service militaire à cause de maladie ou d'infirmité, ainsi que certifié par les officiers médicaux attachés à la Mission de recrutement anglaise et canadienne.

Il est essentiel que l'engagement suivant soit ajouté à l'affidavit ou la déclaration solennelle à l'appui de sa demande :

" Je prends l'engagement solennel que s'il est déclaré que je n'ai pas droit à l'exemption je m'enrôlerai, lorsque j'en serai requis par le Directeur de la branche du service militaire du département de la Justice à Ottawa, ou autre autorité canadienne compétente, dans le corps expéditionnaire canadien et me présenterai pour le service au temps et à l'endroit désigné, conditionnellement au paiement de mes frais de voyage raisonnables à cette fin."

Une des conditions de l'exemption sera aussi que le requérant réponde promptement à toutes questions concernant sa demande d'exemption qui peuvent lui être posées par le Directeur ou autre autorité compétente canadienne.

Les certificats d'exemption accordés sous le régime des présents règlements sont sujets à revision, restriction, extension ou annulation pour cause.

Le délai pour la prise en considération des demandes d'exemption étant strictement limité, les Canadiens qui désirent faire cette demande sous le régime des présents règlements doivent comprendre qu'il est important de présenter leur demande aussitôt que possible.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 24e jour de juillet 1918, représentant que le quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, ainsi que d'autres terrains, a été cédé le 3 janvier 1907 au Gouverneur et à la compagnie dite "Company of Adventurers of England" faisant le commerce dans la baie d'Hudson et ordinairement connue sous le nom de "Hudson's Bay Company", en vertu des dispositions à cet effet contenues dans la *Loi des terres fédérales.*

Le Ministre représente de plus qu'une inscription de homestead pour ledit quart de section a été, par erreur, accordée le 9 août 1912 à M. Thomas William Ripper qui a occupé continuellement ce terrain depuis 1913 et qui y a fait des améliorations considérables.

A la demande du département de l'Intérieur, la Compagnie de la Baie d'Hudson a cédé le quart de section en question pour que l'inscription de M. Ripper, puisse être confirmée et choisi en échange le quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel avait été depuis quelques temps réservé pour la compagnie.

Le ministre recommande, par conséquent, que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et que des lettres patentes pour le dit quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel terrain est disponible pour cette fin, soient émises à la compagnie de la Baie-d'Hudson en échange du quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, dont Sa Majesté le Roi George V a actuellement la propriété pour le Dominion du Canada, et que l'inscription de homestead du dit terrain accordée le 9 août 1912 au dit Thomas William Ripper soit confirmée.

Le comité agrée cette recommandation et la soumet pour approbation.

Hitchcock d'acheter au prix de $3 l'acre pour les fins d'une ferme et d'un enclos à bétail en rapport avec son ranch.

On s'assura plus tard du fait que M. Hitchcock avait fait ses améliorations sur le quart nord-est de ladite section 3, et conformément à sa demande il fut décidé, en 1908, d'échanger le quart nord-ouest de cette section pour le quart nord-est de cette même section, pourvu que M. Hitchcock déposât au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, couvrant le quart nord-ouest dont la patente lui avait été accordée.

Le terrain en question a récemment été inspecté par un fonctionnaire du département de l'Intérieur, qui a fait rapport que les deux quarts de section sont très accidentés, ne sont propres qu'au pâturage, qu'il y a très peu ou point de différence de valeur entre les deux quarts de section; le quart nord-est que M. Hitchcock désire acheter étant le plus accidenté des deux.

Le ministre recommande que l'échange soit confirmé et demande l'autorisation d'émettre des lettres patentes en faveur de M. Hitchcock pour le dit quart nord-est de la section 3, township 21, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan, contenant 161 acres, et qui est actuellement disponible, dès qu'il déposera au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, franc et quitte de toutes charges, du quart nord-ouest.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
7–4 Greffier du Conseil privé.

[1908]

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 5e jour d'août 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de la Justice fait rapport que les règlements établis par un arrêté en conseil du 20 septembre 1916, touchant le contrôle et l'enregistrement des aubains de nationalité ennemie, exigent modification sous les rapports suivants:

(*a*) Les règlements actuels n'exigent l'enregistrement que des aubains de nationalité ennemie qui sont d'âge militaire et qui n'ont pas de lieu de résidence permanente en Canada. Il est jugé opportun que tous les aubains de nationalité ennemie au-dessus de 16 ans soient requis de se conformer aux règlements.

(*b*) D'après les règlements actuels les aubains enregistrés ayant la permission de voyager d'un point à un autre ont dû se présenter aux autorités à certains points en route. Il est jugé opportun que ces aubains soient relevés de cette obligation, sauf lorsqu'ils séjournent au même endroit 24 heures ou plus.

(*c*) Les règlements actuels ne contiennent aucune disposition relevant les aubains de l'obligation de se présenter aux autorités lorsqu'ils sont employés dans des districts non organisés où il n'y a pas de premier officier de police auquel ils peuvent se présenter. Il est jugé opportun que tels aubains soient relevés de l'obligation d'ainsi se présenter au cours de leur emploi dans tels districts.

(*d*) Les règlements actuels prescrivent que tous les aubains enregistrés, y compris certains aubains de natio-

nalité ennemie qui sont cependant reconnus étrangers, amis de fait, se présenteront mensuellement au premier officier de police. Il est jugé opportun que certains de ces étrangers amis, savoir : les Tchèques ou membres de l'Alliance Nationale Bohémienne, les sujets turcs qui sont de race grecque, arménienne, syrienne ou appartenant à d'autres peuples de foi chrétienne opposés au régime turc soient relevés de cette obligation, à la discrétion du commissaire en chef de police.

(*e*) D'après les règlements actuels, l'infraction constituée par le départ d'un endroit quelconque sans permission a été complètement de la juridiction de cours de la province où se trouve le point de départ. Il est jugé opportun que telle juridiction soit donnée aux cours de tout endroit où tel étranger est appréhendé.

(*f*) Il a été porté à l'attention du ministre de la Justice qu'un grand nombre d'aubains enregistrés ont négligé de se conformer aux dispositions de la loi qui prescrit que toutes les personnes du sexe masculin doivent être régulièrement employées à des travaux utiles, et il est jugé opportun que pour faciliter la mise en vigueur de cette loi les aubains enregistrés soient requis d'établir, à la satisfaction du premier officier de police, qu'ils se sont conformés à la loi sous ce rapport avant que permission leur soit accordée de voyager d'un endroit à un autre ;

(*g*) Il a été porté à l'attention du ministre de la Justice que certains aubains de nationalité ennemie qui ne se sont pas enregistrés ou qui n'ont pas obtenu la permission voulue ont jusqu'ici voyagé d'un endroit à l'autre sans être inquiétés. Il est par conséquent jugé opportun de refuser de transporter tels étrangers ainsi que ci-après prescrit.

(*h*) Jusqu'ici les mots "premier officier de police" ne s'appliquaient pas aux constables provinciaux aux termes des règlements. Il est jugé opportun que soient conférés aux constables provinciaux les pouvoirs de premier officier de police. Il est aussi jugé opportun de donner aux maîtres de poste l'autorité de consigner les rapports des aubains enregistrés aux endroits où il n'y a pas de premier officier de police dans un rayon de cinq milles. Il est de plus jugé opportun que les premiers officiers de police soient requis de faire rapport chaque mois au commissaire en chef de police à Ottawa, ainsi que prévu ci-après.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu de la *Loi des mesures de guerre de 1914*, de décréter par les présentes ce qui suit:

L'arrêté en conseil ci-dessus mentionné, du 20 septembre 1916, établissant des règlements pour le contrôle et l'enregistrement des aubains de nationalité ennemie, est par les présentes annulé, et les règlements suivants sont sanctionnés et leur sont par les présentes substitués :

1. Tout aubain de nationalité ennemie âgé de plus de seize ans, à moins qu'il ne se soit auparavant enregistré ou présenté de la manière prescrite par les présents règlements, doit, dans les vingt jours qui suivent la publication des présents règlements dans la *Gazette du Canada*, se présenter devant le premier officier de police de la cité, de la ville, du village, du comté ou du district où réside ou séjourne le dit aubain pour déclarer au dit premier officier de police son nom, son âge, son lieu de résidence, sa nationalité et son état, et répondre à toutes questions qui peuvent lui être posées par le dit premier officier de police ou en son nom touchant les renseignements susdits ou concernant les causes ou motifs de la présence au Canada du dit aubain de nationalité ennemie.

2. Si le dit premier officier de police est d'avis que le dit aubain de nationalité ennemie peut rester en liberté sans préjudice à l'intérêt public, il préparera et remettra au dit aubain de nationalité ennemie un certificat de parole dans les termes de la formule "A" de l'annexe aux présents règlements, et adressera au commissaire de police en chef à Ottawa un rapport mensuel de ces aubains de nationalité ennemie, en la forme de l'annexe "C".

4. Tout aubain de nationalité ennemie qui a obtenu un certificat de parole comme susdit doit le conserver avec soin, le porter sur sa personne et le produire pour vérification chaque fois qu'en est faite la demande par un officier de paix ou un officier militaire.

4. Tout aubain de nationalité ennemie qui a obtenu un certificat de parole ne doit pas partir ni s'éloigner de la cité, la ville, le village, le comté ou le district mentionné dans son certificat de parole sans au préalable se présenter devant le premier officier de police qui lui a accordé le dit certificat et déclarer le motif ou l'objet de son désir de partir ou s'éloigner de la cité, la ville, le village, ou le district susdit, ainsi que le nom de l'endroit où le dit aubain de nationalité ennemie se propose ou désire se rendre; et sur ce doit répondre à toutes questions qui peuvent lui être posées par le dit premier officier de police ou au nom de ce dernier, touchant tout ou partie des matières susdites.

5. Si le dit officier de police reconnaît qu'il n'est pas au préjudice de l'intérêt public qu'il soit permis au dit aubain de nationalité ennemie de partir ou s'éloigner de la cité, la ville, le village, le comté ou le district mentionné dans le certificat de parole comme susdit, il signera au dos du dit certificat de parole un avis dans les termes de la formule "B" de l'annexe aux présents règlements et à l'effet que le dit aubain de nationalité ennemie a dûment reçu permission d'aller à l'endroit désigné, au dos du dit certificat, et chaque mois il notifiera le commissaire de police en chef dans les termes de l'annexe "D" des détails de telle permission.

6. Le premier officier de police peut refuser à un aubain de nationalité ennemie la permission de partir pour un endroit quelconque, à moins que cet aubain ne l'ait convaincu qu'il s'est conformé à la loi qui prescrit que toute personne du sexe masculin doit être régulièrement engagée dans une occupation utile et qu'elle a été régulièrement employée pendant au moins 20 jours des 30 jours précédant immédiatement sa demande de permission de partir.

7. Tous les agents de billets et les chefs de train ou capitaines ou autres officiers des compagnies de chemin de fer ou des compagnies de navigation, devront sous peine d'infraction des présents règlements refuser de vendre des billets ou de transporter tout aubain de nationalité ennemie qui ne présente pas un certificat de parole portant à l'endos (formule B) l'avis de permission de voyager d'un endroit à un autre.

8. Tout aubain de nationalité ennemie qui a fait la déclaration susdite et a obtenu le permis mentionné à l'article 5 ci-dessus ne sera pas requis de se présenter ainsi que prescrit pendant qu'il est en route, à moins qu'il ne séjourne dans un endroit pour une période de vingt-quatre heures ou plus, mais il devra, dès son arrivée à sa destination, se présenter au premier officier de police de cet endroit. Le premier officier de police adressera au commissaire de police, à Ottawa, dans les termes de l'annexe "E," une liste mensuelle des personnes qui se présentent ainsi à lui.

9. Les aubains de nationalité ennemie qui ont obtenu la permission de se rendre, pour y prendre de l'emploi, à des endroits où il n'y a pas de chef de police auquel ils peuvent se présenter ne seront pas requis de le faire durant la période où ils sont ainsi employés, mais ils se présenteront immédiatement à leur retour à l'endroit où telle permission a été accordée, ou dès leur arrivée à un endroit où il y a un chef de police et où ils séjournent pendant vingt-quatre heures et plus.

10. Tout aubain de nationalité ennemie qui a obtenu un certificat de parole doit dès lors, à des intervalles d'un mois, se présenter et se produire devant le premier officier de police qui lui a accordé un certificat de parole, à moins que dans l'intervalle il ait obtenu de la manière susdite la permission de partir ou d'aller à un endroit hors la cité, la ville, le village, le comté ou le district mentionné dans son certificat de parole, auquel cas il devra se produire aux dites intervalles au premier officier de police de l'endroit où il s'est rendu ou est allé.

11. Les suivants peuvent à la discrétion du commissaire en chef de police être exemptés de l'obligation de se présenter chaque mois, mais ils seront soumis à tous les autres règlements ici contenus. Les aubains de nationalité ennemie âgés de cinquante ans et plus, ou ceux qui sont tellement infirmes qu'ils sont impropres au service militaire ; les Tchèques ou membres de l'Alliance Nationale Bohémienne ; les sujets turcs qui sont de race grecque, arménienne ou syrienne ou de tout autre peuple reconnu être opposé au régime turc et de foi chrétienne.

12. De pareille manière, avant que tout aubain de nationalité annemie parte ou s'éloigne de tout endroit où il est obligé de se produire comme susdit, il doit se présenter devant le premier officier de police du dit endroit et se produire comme susdit et obtenir dans les termes et formules susdits la signature du dit officier au dos de son certificat de parole.

13. Tout refus, omission ou négligence de la part d'un aubain de nationalité ennemie d'observer ou d'exécuter l'un quelconque des dispositifs des présents règlements ou de s'y soumettre, constitue un délit et le coupable, sur conviction sommaire, sous la partie XIV du *Code criminel*, est passible d'emprisonnement pour un terme n'excédant pas six mois ou d'une amende n'excédant pas $500.00 ou de l'emprisonnement et de l'amende susdits. De plus, tout refus, omission ou négligence de la part d'un aubain de nationalité ennemie à qui a été accordé un certificat de parole, de produire et soumettre à un examen raisonable son certificat de parole quand demande lui en est faite par un officier militaire, constitue un délit et le coupable est passible des mêmes peines de la même manière. Le délit de partir d'un endroit quelconque sans permission peut être poursuivi à tout endroit où peut se rendre ou se trouver le délinquant et est de la juridiction de la cour ou des juges à tout endroit où le délinquant est arrêté.

14. L'expression "premier officier de police" dans le sens des présents règlements signifie et comprend le chef de police, la constable en chef ou le premier officier de paix de toute municipalité, et dans les provinces de Saskatchewan et d'Alberta, les territoires du Nord-Ouest et le territoire du Yukon, le premier officier de la Royale Gendarmerie à cheval du Nord-Ouest, exerçant l'autorité dans tout district où il n'existe pas d'organisation municipale ni d'officier de police municipal, et comprend aussi le successeur ou le remplaçant dudit premier officier de police tel que défini dans le présent paragraphe. Toutefois, en ce qui concerne les villes de Montréal et de Winnipeg, ladite expression signifie le registraire des aubains ennemis, et aux endroits où il n'y a pas d'officier de police dans un rayon de cinq milles, le maître de poste peut enregistrer les rapports des aubains de nationalité ennemie.

Samedi, le 10e jour d'août 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il a été soumis à Son Excellence le Gouverneur général en conseil un rapport du ministre de l'Agriculture représentant ce qui suit, savoir :

L'état de la récolte dans le sud du Manitoba, le sud et le sud-ouest de la Saskatchewan et le sud et le centre de l'Alberta est excessivement critique vu la sécheresse prolongée.

Une situation très sérieuse a résulté de ce fait en ce qui concerne l'alimentation du bétail, particulièrement quant aux besoins de l'hiver prochain. La situation indique clairement que des mesures devraient être prises pour conserver le fourrage et les aliments du bétail de toutes sortes pour que nos cultivateurs ne soient pas forcés de vendre leurs bestiaux d'élevage si essentiels à la conservation de l'approvisionnement de viande et de produits de la laiterie dont la Grande-Bretagne et ses alliés ont si grand besoin et qu'ils requerront dans un avenir prochain.

Il est de plus important que notre stock d'animaux reproducteurs soit conservé, et si possible augmenté, si nous voulons faire notre part dans la réhabilitation des industries de l'élevage du bétail en Europe après la guerre. Il est déjà évident que le Canada sera appelé à prendre une grande part à cette œuvre du fait que des délégations d'au moins un des pays affligés par la guerre visitent actuellement le Canada dans ce but.

Par conséquent, en vue de ce qui précède, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Agriculture et en vertu des dispositions de la *Loi des mesures de guerre de 1914*, d'établir les règlements suivants, qui sont par les présentes faits et établis en conséquence :

RÈGLEMENTS.

1. Aucune meule de paille restant des récoltes de l'été dernier et de cette année, soit dans les provinces de Manitoba, Saskatchewan ou d'Alberta, ne sera brûlée ou autrement détruite sans la permission écrite du sous-ministre de l'Agriculture de la province où se trouve cette paille.

2. Toute personne qui enfreint les dispositions de ce règlement est passible sur conviction sommaire, sous le régime des dispositions de la partie XV du Code criminel, d'une amende d'au moins dix dollars et n'excédant pas cent dollars ou d'emprisonnement pour une période quelconque n'excédant pas trente jours, ou des deux peines de l'amende et de l'emprisonnement.

3. L'arrêté en conseil du douzième jour de juillet 1918 (C.P. 1713) est par les présentes rescindé.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

ÉXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

[The following Proclamation was first published in an *Extra of the* CANADA GAZETTE, dated the *2nd August, 1918.*]

DEVONSHIRE.

[L.S.]

CANADA.

GEORGE THE FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in anywise concern,—GREETING:

A PROCLAMATION of conditional amnesty respecting men belonging to Class I under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, Deputy Minister of Justice, Canada.

WHEREAS considerable numbers of men belonging to Class I under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under Our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted,

Or absented themselves without leave from our Canadian Expeditionary Force,

And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in Our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

NOW KNOW YE that we in the exercise of Our powers, and of Our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known that the penalties of the law will not be imposed or exacted as against the men who belong to Class I under Our Military Service Act, 1917, and who have disobeyed Our Proclamation aforesaid; or who have received notice from any of Our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from Our Expeditionary Force, provided they report for duty on or before the twenty-fourth day of August, 1918.

And we do hereby strictly warn and solemnly impress upon all such men, and as well those who employ, harbour, conceal or assist them in their disobedience, that, if they persist in their failure to report, absence or desertion until the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law, subject to the judgment of our courts martial which will be convened to try such cases or other competent tribunals; and also that those who employ, harbour, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided however that nothing contained in this Our Proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty; Our intention being merely to forego or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said twenty-fourth day of August, 1918.

Of all of which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. WITNESS: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this FIRST day of AUGUST, in the year of Our Lord one thousand nine hundred and ighteen, and in the ninth year of Our Reign.

By Command,

THOMAS MULVEY,
Under-Secretary of State.

[1912]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd July, 1918, from the Minister of the Interior, stating that letters patent were issued on the 7th November, 1907, to Mr. Arthur Hitchcock of Moosejaw, for the north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 160 acres, which Mr. Hitchcock had been allowed to purchase at the rate of $3 an acre for a home farm and corral in connection with his ranch.

Subsequently it was ascertained that Mr. Hitchcock's improvements were located upon the north-east quarter of the said Section 3, and in compliance with his request it was decided in 1908 to exchange the north-west quarter of this section for the north-east quarter thereof, provided Mr. Hitchcock filed in the Department of the Interior a duplicate certificate of title in favour of the Crown covering the north-west quarter which had been patented to him.

The lands referred to were recently inspected by an officer of the Department of the Interior, who reported that he found both quarter sections very rough, only fit for grazing purposes and that there is very little difference, if any, in the value thereof, the north-east quarter, which Mr. Hitchcock desires to acquire, being the rougher of the two.

The Minister recommends that the exchange be confirmed and that he be authorized to issue Letters Patent in favour of Mr. Arthur Hitchcock for the said north-east quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 161 acres, and which is available for the purpose, upon his filing in the Department of the Interior, a duplicate certificate of title in favour of the Crown, free of all encumbrances, covering the said north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, above referred to.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 24th July, 1918, from the Minister of the Interior stating that the south-east quarter of Secti n 26, Township 40, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, was, with other lands, vested in the Governor and Company of Adventures of England trading into Hudson's Bay, commonly called the Hudson's Bay Company, upon the 3rd day of January, 1907, under the provisions in that behalf contained in the Dominion Lands Act,

The Minister further states that a homestead entry for the said quarter section was, by oversight, granted on the 9th August, 1912, to Mr. Thomas William Ripper, who has been in continuous occupation of the land since 1913, and made valuable improvements thereon.

At the request of the Department of the Interior, the Hudson's Bay Company surrendered the quarter section in question, in order that Mr. Ripper's entry therefor might be confirmed, and selected, in lieu thereof, the north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres and which has been reserved for the company for some time.

The Minister therefore recommends that this exchange be confirmed under the provisions of section 76 of the Dominion Lands Act, and that letters patent for the said north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, and which is available for the purpose, be issued in favour of the Hudson's Bay Company in exchange for the south-east quarter of Section 26, Township 48, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, above mentioned, and which is now vested in His Majesty King George the Fifth in the right of the Dominion of Canada, and that the homestead entry granted for the last mentioned land on the 9th August, 1912, to the said Thomas William Ripper, be confirmed.

The Committee concur in the foregoing recommendation and submit the same for approval.

And whereas evidence has been submitted showing Mr. McLean to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No.8 in the summer of 1899 ;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of the Interior, and under the provisions of Section 76 of the Dominion Lands Act, is pleased to authorize and doth hereby authorize a free grant of the S.W. ¼ of Section 27, Township 108, Range 12, west of the Fifth meridian, containing 160 acres, more or less, to Mr. McLean.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Ottawa, Thursday, 25th July, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th July, 1918, from the Acting Minister of the Interior, stating that application has been made by the North American Reindeer Company (incorporated) with headquarters at South Bend, Indiana, for free grazing privileges for a period of thirty years, for the purpose of raising reindeer on the track outlined in pink on the attached map, and described as situated in the northern part of the Province of Manitoba, and in the Northwest Territories, and comprising that territory bounded on the north by the sixty-first degree of north latitude, on the east by Hudson's Bay, on the south by Churchill River, Indian and Granville Lakes and the waters connecting them, and on the west by Reindeer River, Reindeer Lake and the one hundred and second parallel of longitude, containing an area of 75,850 square miles more or less.

The introduction of reindeer into Alaska by the United States has resulted in an assured food supply for the natives and efficient means of transportation ; and within recent years a considerable quantity of reindeer meat has been available for export to Seattle and other pacific coast points. It is considered that the northern areas of the Northwest Territories are exceptionally suitable for reindeer. The development of reindeer herds in the Territories should be of great value in the matter of an assured food supply for the native population ; the utilization of trained reindeer will provide means of transportation and permit of effective exploration of the country ; and eventually the reindeer herds should contribute substantially to the meat supply of the rest of Canada. However, the introduction of reindeer into northern Canada will necessarily involve considerable risk and a large expenditure as well as expert handling and if the pioneer work is undertaken by private individuals or corporations on an extensive scale, sufficient to ensure reasonable success, the minister is of the opinion that such persons or corporations should receive encouragement from the Dominion to the extent of free grazing privileges for a limited term.

The minister, therefore, recommends that he be authorized to grant permits for free grazing privileges for reindeer in the area above described for a period not exceeding thirty years (30 years) to any persons or corporations who establish the bona fides of their enterprise to the satisfaction of the Minister of the Interior.

Provided that all such permits shall contain such conditions and restrictions as the minister may specify ; that in no case shall the privileges given be exclusive ; and that all permits shall be subject to such regulations as the Governor in Council may from time to time prescribe.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU
Clerk of the Privy Council.

Squatting on lands valuable for timber or which are in a timber berth, whether timbered or not, will give no right either to the land or timber and will result in ejectment proceedings and loss of improvements.

31. A person desirous of taking up land by squatting before the survey thereof must first notify the Dominion Land Agent and ascertain whether the land would be otherwise available when surveyed.

One Day Priority to Adjoining Settler.

CONFLICTING CLAIMS.

Determining priority.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case or squatters before survey.

Due consideration of all claims.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Application before Sub-agent.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-agent or a Local Representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-agent or Local Representative has been received.

Sickness of applicant.

Provided further that if on account of sickness or other satisfactory reason shown to the agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Doubtful cases.

Provided also that if the agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

Land available to any Settler.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above-mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

A settler may be required by the agent to make a statutory declaration as to the quantity of merchantable timber which is on the land applied for, and at the discretion of the agent he may withhold the land from entry until a special inspection has been made by a timber inspector and the case submitted to the department for decision.

Lands Required for Water Supply, Etc.

AT THE GOVERNMENT HOUSE AT OTTAWA
Thursday, the 25th day of July, 1918.

PRESENT:
HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th July, 1918, from the Acting Minister of the Interior, stating that the Department of the Interior, has had before it the claims of a number of squatters to portions of the northwest quarter of Section 6 in Township 3 and Range 12, east of the Principal meridian, the land referred to being situated near the station of Badger on the Canadian Northern Railway, and that it was considered advisable to subdivide the land in question into small lots so as to cover the claimants' improvements and allow them to purchase the lots at a price to be fixed by valuation.

This subdivision has been surveyed under the instructions of the Surveyor-General of Dominion Lands and the plan thereof has been registered in the Winnipeg Land Titles Office.

The Minister, therefore, recommends that he be authorized to dispose of the lots in the said subdivision at the valuation placed thereon by an officer of the Interior and on the usual terms respecting Government townsites, namely, either the whole of the purchase price at the date of sale or one fourth of the purchase pice at that date and the remainder in three equal consecutive annual instalments, with interest at five per cent per annum.

The Committee concur in the foregoing recommendation, and submit the same for approval.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 10th July, 1918, from the Acting Minister of the Interior, stating that on the 14th day of February, 1911, Mr. William Armstrong, of Portage la Prairie, was advised in reply to an application made by him, that he would be permitted to purchase the surface rights of the north half of Legal Subdivision 15 of Section 23, Township 32, Range 9, west of the Principal Meridian, at the rate of $10 an acre, as a mill-site in connection with a number of mining leases granted in that vicinity, the sale, however, to be subject to the erection of a mill suitable for the purpose and satisfactory to the Minister of the Interior, and the thorough utilization of the land in connection with the operation of gypsum locations in that locality.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 12th July, 1918, from the Acting Minister of the Interior, stating that the Regulations governing the Dominion Forest Reserves prohibit fishing in any other manner than by angling and trolling in those waters in Alberta, south of the north boundary of township 55.

It has been reported by the forest officers that there are a number of lakes in township 52, range 26, west 5th meridian, in the Athabaska Division of the Rocky Mountains Forest Reserve, which are well supplied with white and jackfish; that these lakes have furnished a supply of fish to the surrounding settlers for some years past without any appreciable diminution of the supply, and that the enforcement of the prohibitive regulation referred to will, in view of the present shortage of food, result in hardship for the settlers who have been accustomed to use nets in obtaining a supply of fish from these lakes.

The Minister therefore recommends that authority be granted to issue domestic fishing permits for these lakes during the years 1918, 1919 and 1920, not to exceed a total of 12 such permits in each year, for the use of 100 feet of 5½ inch mesh gill net, at a fee of $4.00 for resident British subjects, each permit to cover only the summer or winter season as the case may be.

The committee concur in the foregoing recommendation and submit the same for approval.

7–4 Clerk of the Privy Council

[1966.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday the 10th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS there has been laid before His Excellency the Governor General in Council a report from the Minister of Agriculture stating as follows, viz :—

The crop situation over Southern Manitoba, in Southern and Southwestern Saskatchewan and in Southern and part of Central Alberta is exceedingly critical owing to continued dry weather.

A very serious situation has arisen on this account in so far as feed for live stock is concerned particularly in regard to their requirements next winter. The situation strongly indicates that action should be taken to conserve forage and feed of all kinds that our farmers may not be forced to sell their breeding stock so essential to the keeping up of the supply of meat and dairy products needed by Great Britain and the other allies now and in the near future.

It is further important that our breeding stock be kept up to, and if possible increased over, what it is at present, if we are to do our part in the rehabilitation of the stock-breeding industries in Europe once the war is over. That Canada will be called upon to do much in this line is evident already from the fact that delegations from at least one of the war stricken countries are now touring Canada with this end in view.

Therefore, in view of the above, His Excellency the Governor General in Council, on the recommendation of the Minister of Agriculture and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make the following Regulations and the same are hereby made and established accordingly :

Regulations.

1. No stack of straw remaining from the crops of last year or the product of the crops of the present year, situate in either of the Provinces of Manitoba, Saskatchewan or Alberta, shall be burned or otherwise destroyed without the written permission of the Deputy Minister of Agriculture of the Province in which such straw is situate.

(2) Any person violating the provisions of this regulation shall be liable, on summary conviction, under the provisions of Part XV of the Criminal Code, to a fine of not less than ten dollars and not exceeding one hundred dollars, or to imprisonment for any term not exceeding thirty days or to both fine and imprisonment.

2. The Order in Council of the twelfth day of July, 1918, P.C. 1713, is hereby rescinded and repealed.

RODOLPHE BOUDREAU,
7–2 Clerk of the Privy Council.

[1908]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Justice reports that the regulations established by Order in Council of the 20th September, 1916, for the control and registration of aliens of enemy nationality require amendment in the following respects :—

(*a*) The existing regulations only require aliens of enemy nationality of military age and having no permanent place of residence or abode in Canada, to register. It is deemed expedient that all aliens of enemy nationality over the age of 16 years be required to conform to the regulations.

(*b*) Under the existing regulations registered aliens having permission to travel from one point to another have been obliged to report at points en route. It is deemed expedient that such aliens be relieved of this obligation except when they remain at one place for 24 hours or more.

(*c*) The existing regulations contain no provision exempting registered aliens from obligation to report while employed in unorganized districts where there is no chief officer of police to whom they can report. It is deemed expedient that such aliens be relieved of the obligation to report while employed in such districts.

(*d*) The existing regulations require all registered aliens, including certain aliens of enemy nationality who are nevertheless well known to be friendly aliens in fact, to report monthly to the chief officer of police. It is deemed expedient that certain of these friendly aliens, viz: the Czechs or Members of the Bohemian National Alliance, Turkish subjects who are by race Greeks, Armenians, Syrians, or of other community well known as opposed to Turkish regime and of Christian faith, be exempted from this obligation at the discretion of the chief commissioner of police.

(*e*) Under the existing regulations the offence of departing from any place without permission has been solely within the jurisdiction of courts of the province where the place of departure is situate. It is deemed expedient that the courts at any place where the alien is apprehended be given jurisdiction to deal with the offence.

(*f*) It has been brought to the attention of the Minister of Justice that a large number of registered aliens have failed to comply with the law requiring every male person to be regularly engaged in some useful occupation, and it is deemed expedient that the enforcement of this law be facilitated by requiring registered aliens to established to the satisfaction of the chief officer of police that they have been complying with the law in this respect, before they be granted permission to travel from one place to another.

(*g*) It has been brought to the attention of the Minister of Justice that aliens of enemy nationality who have not registered or who have not obtained the proper permission have hitherto been able to travel from one point to another with little interference. It is deemed expedient, therefore, that such aliens be refused transportation as hereinafter provided.

(*h*) Hitherto the provincial constables have not been included in the term "chief officer of police" within the meaning of the regulations. It is deemed expedient that such provincial constables be given the powers of chief officers of police. It is also deemed expedient that postmasters be given authority to record the reports of registered aliens at points where there is no chief officer of police within a radius of five miles. It is further deemed expedient that the chief officers of police be required to render monthly reports to the chief commissioner of police at Ottawa, as hereinafter provided.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Justice and under the authority of the War Measures Act, 1914, is pleased to order and it is hereby ordered as follows :—

The above mentioned Order in Council of the 20th September, 1916, establishing Regulations for the control and registration of aliens of enemy nationality is hereby cancelled and the following regulations are hereby made and sanctioned in lieu thereof :—

1. Every alien of enemy nationality over the age of sixteen years, residing or being in Canada, shall, unless he has previously registered or reported in the manner herein required within twenty days after the publication of these regulations in the *Canada Gazette* attend upon the chief officer of police of the city, town, village, county or district in which such alien of enemy nationality resides or is and report to the said chief officer of police his name, age, place of residence, nationality and occupation, and truly answer all such questions as may be put to him by or on behalf of the said chief officer of police with regard to any of the matters aforesaid, or the causes or purposes of such alien of enemy nationality being within Canada.

2. The said chief officer of police shall, if satisfied that any registered alien of enemy nationality may, consistently with the public interest, be suffered to remain at large, make out and deliver to such alien of enemy nationality a certificate of parole in the form set forth in schedule hereto annexed marked "A," and shall furnish to the chief commissioner of police, Ottawa, a monthly return of such aliens of enemy nationality, in form set forth in schedule "C."

3. It shall be the duty of any alien of enemy nationality to whom is issued a certificate of parole as aforesaid to preserve the same carefully and carry it upon his person and to produce the same for inspection at any time when required by any peace officer or military officer.

4. An alien of enemy nationality to whom any certificate of parole shall have been issued shall not quit or depart from the city, town, village, county or district within which his certificate of parole was issued without first attending upon the chief officer or police who issued the same and declaring to him the cause or purpose of his desire to quit or depart from the city, town, village, county or district aforesaid, and the name of the place to which such alien of enemy nationality intends or desires to go, and he shall thereupon truly answer all such questions as may be put to him by or on behalf of the said chief officer of police touching all or any of the matters aforesaid.

5. The said chief officer of police shall, if satisfied that it is not contrary to the public interest that such alien of enemy nationality should be permitted to quit or depart from the city, town, village, county or district in which the certificate of parole was issued as aforesaid, endorse upon the said certificate of parole, in the form set forth in Schedule "B" hereto, notice to the effect that the said alien of enemy nationality has been duly granted permission to go to the place therein specified and shall notify the chief commissioner of police, Ottawa, each month on form Schedule "B" of the particulars of such permission.

6. The chief officer may refuse permission to any alien of enemy nationality to depart from any place unless such alien satisfies him that he has complied with the law requiring every male person to be regularly engaged in some useful occupation and that he has been regularly employed for at least 20 days out of the 30 days immediately proceeding his application to depart.

7. All ticket agents and conductors of railway or Steamboat Companies or other officers, shall under penalty of violating these regulations, refuse to sell tickets or give transportation to any alien of enemy nationality, who does not produce certificate of parole with notice of permission to travel from one point to another endorsed thereon (Form B).

8. An alien of enemy nationality having so reported and having obtained the permission referred to in section 5 herein shall not be required to report while en route unless he remain in one place for a period of twenty-four hours or more, but shall immediately upon arrival at his destination attend upon and report to the chief officer of police at such place. The chief officer of police shall furnish to the chief commissioner of police, at Ottawa, according to schedule "E," a monthly list of such persons reporting.

9. Aliens of enemy nationality granted permission to proceed for the purposes of employment to places where there is no chief officer of police to whom they

can report shall not be required to report during such period as they remain in the said employment, but shall report immediately upon their return to the place where such permission was granted, or upon arrival at any place where there is a chief officer of police and where they remain for 24 hours or more.

10. An alien of enemy nationality having obtained a certificate of parole shall at regular intervals of one month thereafter attend upon and report to the chief officer of police who issued his certificate of parole, unless in the meantime he shall have obtained permission in manner aforesaid to remove or go to a place outside of the city, town, village county or district within which his certifiate of parole was issued, in which case he shall report at the same intervals to the chief officer of police of the place to which he has removed or gone.

11. The following may at the discretion of the chief commissioner of police be granted exemption from reporting monthly, but shall be governed by all other regulations herein mentioned :—Aliens of enemy nationality of fifty years and over, or those maimed or crippled so as to render them unfit for any military service ; Czechs or members of the Bohemian National Alliance ; Turkish subjects who are by race Greeks, Armenians, Syrians or of other community well known as opposed to Turkish regime, and of Christian faith.

12. Before any alien of enemy nationality shall remove or go from any place at which he is for the time being obliged to report, he shall attend upon the chief officer of police for that place and report in manner aforesaid, and obtain an endorsement upon his certificate of parole in form and effect as hereinbefore required.

13. Any refusal, failure or neglect on the part of any alien of enemy nationality, or of any other person to observe, fulfil and comply with any requirement of these regulations shall constitute an offence punishable by summary conviction under part XV of the Criminal Code, by the imposition of a penalty of imprisonment for a term not exceeding six months or a fine not exceeding $500, or of both such imprisonment and fine, and moreover, any refusal, failure or neglect on the part of any alien of enemy nationality to whom a certificate of parole has been granted to produce and submit to reasonable inspection, whenever required by any peace or military officer, his certificate of parole, shall constitute an offence punishable in like manner by the imposition of a like penalty. The offence of departing from any place without permission may be charged and prosecuted at any place to which the offender may go or where he may be and shall be within the jurisdiction of the court or justices there or at any place where the offender is apprehended.

14. The expression "chief officer of police" as used in these regulations shall mean and include the chief officer of police, chief constable or principal peace officer of any municipality, and any officer or constable of the Royal North West Mounted Police or provincial police exercising authority in any district, and shall include also the successor or representative in office of any such chief officer of police as herein defined. Provided that the said expression for the cities of Montreal and Winnipeg respectively shall include the Registrar of Alien Enemies, and at points where no police officer is located within a radius of five miles, the postmaster may record the reports of aliens of enemy nationality.

Saturday, the 10th day of August, 1918

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS there has been laid before the Governor General in Council a report from the Minister of Justice submitting as follows with regard to the reinforcements for the Canadian Expeditionary Force to be obtained under the Military Service Act, 1917, viz :—

It is provided by Subsection 4 of Section 13 of the said Act that "unless further authorized by Parliament the reinforcements provided under this Act shall not exceed one hundred thousand men". These are according to the provisions of the Act reinforcements for the Canadian Expeditionary Force now engaged in active service overseas, to be raised by selective draft, and it is obviously desirable to obtain for the purposes of the authorized reinforcements, the men who are most qualified for military service and who can best be spared from their civil avocations. In order to achieve this object it is not infrequently necessary, in the process of selection, to suspend decision, or to require certain probationary service, and to proceed tentatively, seeing that the class called is productive of more men who are available for the service than will supply the limited number of reinforcements. In the competition for selection there are questions of physical fitness for military service to be considered, and as well questions of the relative usefulness of the men to the community in their ordinary occupations; compassionate considerations or questions of extreme individual hardship also present themselves. It has therefore been found expedient or necessary in the general interest that many of the men who have reported for duty should be put in a position to stand by pending final selection or determination of acceptability , and this has been accomplished by means of conditional discharge ; the granting of leave of absence ; or the treating of the period of training in Canada as a period of probation during which a man although conditionally embodied in the force, may, if for any reason he prove less desirable than another who may take his place, be finally removed from the complement of reinforcements to be provided.

Having regard to the progress of the war, and to the advice of the military authorities who are charged with the operations against the enemy, it is necessary that the entire body of 100,000 reinforcements for the Canadian Expeditionary Force overseas should be provided and despatched as soon as possible for the defence of the country ; and it is not only reasonable and proper, but also strictly necessary in conformity with the expressed intention of the Act, that the number of these reinforcements should be computed by reference only to the men ultimately selected and actually despatched for overseas service. Nevertheless questions have been suggested as to the definition of the force and the time and method of ascertaining the numbers which compose the reinforcements within the statutory meaning ;

And whereas it is deemed essential that the powers and proceedings which have been authorized for raising the reinforcements shall continue and be used or invoked for the purpose of producing and despatching from Canada not less than one hundred thousand efficient soldiers for overseas service.

Therefore, for the avoidance of any doubt or question, His Excellency the Governor General in Council, on the recommendation of the Minister of Justice and pursuant to the powers conferred by the War Measures Act, 1914, or otherwise vested in the Governor in Council, is pleased to make the following Regulation and the same is hereby made and established accordingly:—

Regulation.

All the powers conferred by the Military Service Act, 1917, and by the regulations thereunder, or under

the War Measures Act, 1914, and which were heretofore or are now capable of being exercised for the purpose of obtaining men to reinforce the Canadian Expeditionary Force now engaged in active service overseas, and as well the procedure which has been enacted or authorized in that behalf, continue in force and shall be executed so that and until the number of men obtained under the authority of the Military Service Act, 1917, and the said regulations, who have embarked or been despatched or shall embark or be despatched in Canada for service in the said force overseas, shall in aggregate amount to one hundred thousand.

RODOLPHE BOUDREAU,
8-2 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 20th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

And whereas it is further necessary, in the opinion of the Minister of Justice, that regulations be enacted declaring liability to military service in Canada of United States citizens who are subject to the provisions of the Convention and providing for the procedure by which such liability may be enforced ;

Therefore, for the purposes aforesaid, His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under the powers conferred on the Governor in Council by The War Measures Act, 1914, or otherwise existing in that behalf, is pleased to sanction and doth hereby sanction the following Regulations, entitled "United States Military Service Convention Regulations."

(151) Ship Protests—Modification of proceedings.

Under the authority of an Order in Council dated the 2nd day of July, 1918, Collectors of Customs at ports of entry on the Pacific and Atlantic, including ports on the Gulf and River St. Lawrence up to and including the Port of Montreal, are authorized, during the present war, to do any notarial act for the purpose of noting and extending ship protests, and are authorized to receive any statutory declarations required in connection therewith.

The Masters of all British ships have been instructed that no note of protest of loss or of any occurrence whatsoever arising in respect of their ships is to be made by them in the Dominion of Canada except before a Collector of Customs.

Collectors of Customs are instructed, when the Master of a British ship reports inwards and when issuing a clearance to a British ship, to direct the attention of the Master of such ship to the above requirements.

NOTE: Protests by Masters of British ships trading on the inland waters of Canada, or protests in respect of loss or other occurrence arising while a British ship is on any of the inland waters of Canada, do not require to be made before a Collector of Customs. In such cases the Master may follow the usual and existing practice.

For the information and guidance of Collectors before whom a Master may present himself in connection with Ship Protests, it should be stated that a Protest may be made in the first instance, or the Master may desire to make a Note or Entry of Protest only, which may later be extended to a regular protest before the same or another Collector of Customs.

The Note or Entry of Protest is merely a notice of the Master's intention to protest, should an extended protest afterwards become necessary or advisable.

A Note or Entry of Protest, also a Protest—if made in the first instance—should be made as soon as possible after the arrival of the ship in port. If made later than twenty-four hours after arrival, it should contain a brief statement of the cause of the delay.

Note or Entry of Protest forms, Protest forms, and Extended Protest forms, may be obtained from Collectors of Customs.

The Note or Entry of Protest should be made in duplicate, signed by the Master and formally certified to by the Collector, and one copy retained by the Collector and placed on file. When a Protest is made or extended, the original is to be retained and filed by the Collector and certified copies are to be given or mailed to the Master and to the Owner of the ship.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

DEVONSHIRE.

[L.S.]

CANADA.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront ou qu'icelles pourront de quelque manière concerner,—SALUT :

PROCLAMATION d'amnistie conditionnelle concernant ceux des hommes de la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, qui ont désobéi à notre Proclamation du 13 octobre 1917, ou aux ordres de se rapporter pour le service, ou qui sont déserteurs ou absents sans permis de la Force expéditionnaire canadienne :

E. L. NEWCOMBE, Sous-ministre de la Justice, Canada.

ATTENDU qu'un nombre considérable d'hommes de la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, appelés au service actif dans la Force expéditionnaire canadienne pour la défense du Canada par Notre proclamation du 13 octobre 1917, bien qu'ils soient par là devenus légalement enrôlés dans le service militaire canadien,

Ont fait défaut de se rapporter pour le service, suivant qu'ils en étaient légalement requis sous l'empire de ladite *Loi concernant le Service Militaire* et des règlements promulgués en conséquence, y compris Notre Arrêté en conseil en date du 20 avril dernier,—

Ou ont déserté,

Ou se sont absentés sans permis de Notre Force expéditionnaire canadienne ;

Et attendu qu'il est représenté que la situation grave et regrettable dans laquelle ces hommes se trouvent, est due, dans bien des cas, au fait que, nonobstant l'information et l'injonction fournies par Notre dite proclamation, ils ont mal compris leur devoir ou leur obligation, ou ont été induits en erreur par les conseils de gens mal inspirés, déloyaux ou séditieux ;

Et Attendu que Nous désirons, dans la mesure possible, éviter l'infliction des lourdes pénalités édictées par la loi pour la punition des offenses graves dont ces soldats se sont rendus coupables,—et leur fournir l'occasion, dans une période de temps limitée, de se rapporter et mettre leurs services à la disposition de la Force expéditionnaire canadienne, comme ils sont légalement tenus de le faire et comme cela est nécessaire à la défence de la Puissance du Canada.

SACHEZ MAINTENANT que dans l'exercice de Nos pouvoirs, et de Notre bon vouloir et plaisir, Nous proclamons, déclarons, publions et portons à la connaissance de tous, que les pénalités édictées par la loi ne seront pas imposées ou exigées au sujet des hommes appartenant à la classe I sous l'empire de la *Loi concernant le Service Militaire, 1917*, qui ont désobéi à Notre proclamation susdite, ou qui, ayant reçu avis de Nos registraires ou députés registraires de se rapporter à une date passée, ont manqué de se rapporter ainsi ; ou qui, s'étant rapportés et ayant obtenu un congé, ont manqué de se rapporter à l'expiration de leur congé ou qui ont déserté de Notre Force expéditionnaire, pourvu que ceux concernés se rapportent pour le service le ou avant le 24 août 1918.

Et nous avertissons strictement tous les hommes ainsi concernés et leur signifions solennellement, ainsi qu'à ceux qui emploient, reçoivent, cachent ou assistent ceux-là dans leur désobéissance, que s'ils persistent dans leur défaut de se rapporter, dans leur absence ou dans leur désertion jusqu'à l'expiration de la date en dernier lieu mentionnée, ils seront poursuivis et punis avec toutes les rigueurs et la sévérité de la loi, et deviendront passibles du jugement de nos cours martiales qui seront assemblées pour juger ces cas, ou de tous autres tribunaux compétents ; et aussi que ceux qui emploient, reçoivent, cachent ou assistent ces hommes, deviendront eux-mêmes strictement soumis aux mêmes pénalités que les coupables principaux et sujets aux mêmes punitions, pénalités, forfaitures que la loi met à la disposition des autorités pour la punition desdites offenses.

Pourvu que rien de ce qui est contenu dans Notre présente proclamation ne soit interprété comme diminuant l'obligation dans laquelle se trouvent ces hommes de se rapporter au service le plus tôt possible, ou comme leur accordant l'immunité contre l'arrestation ou la détention qui pourrait être effectuée dans l'intervalle dans le but de les forcer à l'exercice du service militaire ; Notre intention étant seulement de ne pas prononcer ou de remettre les pénalités encourues jusqu'à présent pour défaut de se rapporter, pour absence sans permis ou pour désertion, dont seraient passibles les hommes décrits plus haut, qui le ou avant le 24 août prochain seront rentrés dans l'exercice des devoirs militaires auxquels ils sont astreints.

De tout ce qui précède Nos féaux sujets, et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance, d'obéir strictement et se conformer à Nos présents commandements, directions et exigences, et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN: Notre très fidèle et très aimé cousin et conseiller Victor-Christian-William, duc de Devonshire, marquis d'Hartington, comte de Devonshire, comte de Burlington, baron Cavendish de Hardwicke, baron Cavendish de Keighley, chevalier de Notre très noble Ordre de la Jarretière ; membre de Notre très honorable Conseil privé ; chevalier grand-croix de Notre Ordre très distingué de Saint-Michel et de Saint-Georges ; chevalier grand-croix de Notre Ordre royal de Victoria, Gouverneur général et Commandant en chef de Notre Dominion du Canada.

A Notre Hôtel du Gouvernement, en Notre Cité d'OTTAWA, ce PREMIER jour d'AOUT en l'année de Notre-Seigneur mil neuf cent dix-huit, et de Notre règne la neuvième

À tous ceux à qui les présentes parviendront,—

Mais le Souverain aura le loisir de rappeler dans l'Ordre toute personne dont la nomination aurait ainsi été cancellée et annulée lorsque les circonstances le justifient et qu'il est opportun de le faire.

21. Il est ordonné qu'une médaille relative au dit Très Excellent Ordre sera décernée aux personnes qui ne sont pas membres des cinq classes du dit Très Excellent

Attendu que le Département des Affaires des sauvages a demandé la mise en réserve du cimetière des sauvages de House River, petite étendue de terrain d'a peu près deux acres dans le quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, et qui a été affectée à cette fin durant plusieurs années ;

Et attendu que le terrain en question est disponible d'après les archives du Département de l'Intérieur et peut être décrite plus minutieusement comme suit :—

Commençant à un point sur la borne est du quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, à une distance de 655.38 pieds vers le sud et le long de ladite borne est, à partir de l'angle nord-est dudit quart de section; de là franc ouest sur une distance de 50 pieds jusqu'à un poteau en fer; de là et dans la même direction sur une distance de 27 pieds jusqu'à un point qui, pour les fins de la présente description, est dit " Point A "; de là franc ouest jusqu'à intersection avec la rive droite de la rivière Athabaska ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 22 juin 1918, par Edouard Deville, arpenteur général des terres fédérales, et déposé au département de l'Intérieur; de là vers le nord-ouest en suivant ladite rive jusqu'à une ligne tracée parallèlement à la ligne s'étendant franc nord du point A et 300 pieds perpendiculairement au nord de cette dernière ligne; de là franc est le long de ladite ligne parallèle jusqu'à intersection avec ladite borne est dudit quart de section nord-est ; de là vers le sud en suivant la dite borne est sur une distance de 69 pieds plus ou moins, jusqu'au point de commencement, et contenant deux acres plus ou moins et ainsi que décrit sur le plan ci-annexé.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre suppléant de l'Intérieur, de décréter par les présentes que le terrain ci-haut décrit soit par les présentes transféré au département des Affaires des Sauvages pour les fins d'un cimetière.

PRESENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre suppléant de l'Intérieur, daté le 9 juillet 1918, représentant que la compagnie dite " North American Reindeer Company," ayant son bureau principal à South Bend, Indiana, a demandé des privilèges de pâturage gratuits pour une période de trente ans, pour faire l'élevage des rennes sur l'étendue de terrain indiquée en rose sur la carte ci-annexée et décrite comme étant située dans la partie nord de la province du Manitoba, ainsi que dans les Territoires du Nord-Ouest, comprenant un territoire borné au nord par le 61e degré de latitude nord, à l'est par la Baie-d'Hudson, au sud par la rivière Churchill, les lacs Indian et Granville ainsi que les eaux qui les rallient, et à l'ouest par la rivière Reindeer, le lac Reindeer et le 102e parallèle de longitude, et contenant une superficie de 75,850 milles carrés, plus ou moins.

L'introduction du renne dans l'Alaska par les Etats-Unis a eu pour résultat de fournir un approvisionnement sûr de nourriture aux natifs et des moyens efficaces de transport ; de même qu'au cours des dernières années une quantité considérable de viande provenant du renne a été exportée à Seattle et aux points de la côte du Pacifique. Les régions nord des Territoires du Nord-Ouest sont considérées comme exceptionnellement propres à l'élevage du renne. L'industrie de l'élevage de troupeaux de rennes dans les territoires devrait être d'une grande valeur comme approvisionnement sûr de nourriture pour la population aborigène ; l'emploi du renne comme animal de trait permettra d'explorer efficacement le pays et, en définitive, les troupeaux de rennes devraient contribuer pour une large part à l'approvisionnement de viande du reste du Canada. Cependant, l'introduction du renne dans les régions australes de ce pays comporte un risque considérable ainsi que de fortes dépenses et nécessite de l'expertise dans le soin de ces animaux, et si l'initiative d'une telle entreprise est assumée sur une grande échelle par des particuliers ou par une corporation, de manière à lui assurer un succès raisonnable, le Ministre est d'avis que le Dominion devrait seconder tels particuliers et corporations en leur accordant des privilèges gratuits de pâturage pour une période limitée.

Le ministre demande par conséquent l'autorisation d'accorder des permis de pâturage gratuits pour les rennes dans la région ci-haut décrite, pour une période n'excédant pas trente (30) ans, à tous particuliers ou corporations qui établissent le sérieux de leur entreprise à la satisfaction du Ministre de l'Intérieur.

Pourvu, toutefois, que tous tels permis comportent telles conditions et restrictions que le Ministre peut juger à propos; qu'en aucun cas ces privilèges soient exclusifs et que tous tels permis soient subordonnés à tous tels règlements que le Gouverneur en conseil peut prescrire de temps à autre.

Le comité agrée cette recommandation et la soumet pour approbation.

6-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 10e jour de juillet 1918, représentant que le 14 février 1911 M. William Armstrong, de Portage-La-Prairie, en réponse à sa demande d'acheter les droits de surface de la moitié nord de la subdivision légale 15 de la section 23, township 32, rang 9, à l'ouest du méridien principal pour l'emplacement d'un moulin, a été avisé du fait qu'il pouvait acheter ce terrain au prix de $10 l'acre, ainsi qu'un certain nombre de concessions minières accordées dans cette région, à condition cependant qu'un moulin y soit érigé pour telles fins que déterminées par le Ministre de l'Intérieur et à la satisfaction de ce dernier, et pourvu de plus que ledit terrain soit complètement utilisé pour l'exploitation des gisements de gypse de cette localité.

Le paiement total du prix de vente de ce terrain a été fait au prix spécifié et il a été établi à la satisfaction du Ministre de l'Intérieur qu'un moulin convenable y a été érigé et que le terrain a été utilisé pour les fins requises.

Le Ministre, par conséquent, demande l'autorisation d'octroyer la vente au requérant des droits de surface de la moitié nord de la subdivision légale 15, section 23, township 32, rang 9, à l'ouest du méridien principal.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que sous l'empire d'un décret de Son Honneur le lieutenant-gouverneur en conseil, daté du 14e jour de septembre 1917, la province de Manitoba a demandé que soit transféré à cette province le terrain compris dans les limites du chemin public, traversant les sections 11 et 12, township 13, rang 11, à l'est du méridien principal, ainsi qu'indiqué sur un plan dudit chemin approuvé et confirmé à Ottawa le 27 septembre 1917, par Edouard Deville, arpenteur général des terres fédérales, et déposé au département de l'Intérieur sous le numéro 26336;

Et attendu que ne sont pas patentés les terrains affectés par ledit chemin,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, et en vertu des dispositions de l'article 13, chapitre 99, Statuts revisés du Canada, 1906, de décréter par les présentes que le dit terrain, comprenant 4.39 acres, dans le quart nord-est de la section 11, 4.21 acres dans le quart nord-ouest de la section 12, et 4.42 acres dans le quart nord-est de la section 12 dudit township soit transféré à la Couronne pour la province de Manitoba.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 24e jour de juillet 1918, représentant que le quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, ainsi que d'autres terrains, a été cédé le 3 janvier 1907 au Gouverneur et à la compagnie dite "Company of Adventurers of England" faisant le commerce dans la baie d'Hudson et ordinairement connue sous le nom de "Hudson's Bay Company", en vertu des dispositions à cet effet contenues dans la *Loi des terres fédérales*.

Le Ministre représente de plus qu'une inscription de homestead pour ledit quart de section a été, par erreur, accordée le 9 août 1912 à M. Thomas William Ripper qui a occupé continuellement ce terrain depuis 1913 et qui y a fait des améliorations considérables.

A la demande du département de l'Intérieur, la Compagnie de la Baie d'Hudson a cédé le quart de section en question pour que l'inscription de M. Ripper, puisse être confirmée et choisi en échange le quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel avait été depuis quelques temps réservé pour la compagnie.

Le ministre recommande, par conséquent, que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et que des lettres patentes pour le dit quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel terrain est disponible pour cette fin, soient émises à la compagnie de la Baie-d'Hudson en échange du quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, dont Sa Majesté le Roi George V a actuellement la propriété pour le Dominion du Canada, et que l'inscription de homestead du dit terrain accordée le 9 août 1912 au dit Thomas William Ripper soit confirmée.

Le comité agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 23e jour de juillet 1918, représentant que le 7 novembre 1907, des lettres patentes ont été accordées à M. Arthur Hitchcock, de Moosejaw, pour le quart nord-ouest de la section 3, township 21, rang 7, à l'ouest, du 3e méridien, province de la Saskatchewan, contenant 160 acres, qu'il avait été permis à M. Hitchcock d'acheter au prix de $3 l'acre pour les fins d'une ferme et d'un enclos à bétail en rapport avec son ranch.

On s'assura plus tard du fait que M. Hitchcock avait fait ses améliorations sur le quart nord-est de ladite section 3, et conformément à sa demande il fut décidé, en 1908, d'échanger le quart nord-ouest de cette section pour le quart nord-est de cette même section, pourvu que M. Hitchcock déposât au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, couvrant le quart nord-ouest dont la patente lui avait été accordée.

Le terrain en question a récemment été inspecté par un fonctionnaire du département de l'Intérieur, qui a fait rapport que les deux quarts de section sont très accidentés, ne sont propres qu'au pâturage, qu'il y a très peu ou point de différence de valeur entre les deux quarts de section; le quart nord-est que M. Hitchcock désire acheter étant le plus accidenté des deux.

Le ministre recommande que l'échange soit confirmé et demande l'autorisation d'émettre des lettres patentes en faveur de M. Hitchcock pour le dit quart nord-est de la section 3, township 21, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan, contenant 161 acres, et qui est actuellement disponible, dès qu'il déposera au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, franc et quitte de toutes charges, du quart nord-ouest.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de la Justice fait rapport que les règlements établis par un arrêté en conseil du 20 septembre 1916, touchant le contrôle et l'enregistrement des aubains de nationalité ennemie, exigent modification sous les rapports suivants:

(*a*) Les règlements actuels n'exigent l'enregistrement que des aubains de nationalité ennemie qui sont d'âge militaire et qui n'ont pas de lieu de résidence permanente en Canada. Il est jugé opportun que tous les aubains de nationalité ennemie au-dessus de 16 ans soient requis de se conformer aux règlements.

(*b*) D'après les règlements actuels les aubains enregistrés ayant la permission de voyager d'un point à un autre ont dû se présenter aux autorités à certains points en route. Il est jugé opportun que ces aubains soient relevés de cette obligation, sauf lorsqu'ils séjournent au même endroit 24 heures ou plus.

(*c*) Les règlements actuels ne contiennent aucune disposition relevant les aubains de l'obligation de se présenter aux autorités lorsqu'ils sont employés dans des districts non organisés où il n'y a pas de premier officier de police auquel ils peuvent se présenter. Il est jugé opportun que tels aubains soient relevés de l'obligation d'ainsi se présenter au cours de leur emploi dans tels districts.

(*d*) Les règlements actuels prescrivent que tous les aubains enregistrés, y compris certains aubains de natio-

nalité ennemie qui sont cependant reconnus étrangers, amis de fait, se présenteront mensuellement au premier officier de police. Il est jugé opportun que certains de ces étrangers amis, savoir : les Tchèques ou membres de l'Alliance Nationale Bohémienne, les sujets turcs qui sont de race grecque, arménienne, syrienne ou appartenant à d'autres peuples de foi chrétienne opposés au régime turc soient relevés de cette obligation, à la discrétion du commissaire en chef de police.

(*e*) D'après les règlements actuels, l'infraction constituée par le départ d'un endroit quelconque sans permission a été complètement de la juridiction de cours de la province où se trouve le point de départ. Il est jugé opportun que telle juridiction soit donnée aux cours de tout endroit où tel étranger est appréhendé.

(*f*) Il a été porté à l'attention du ministre de la Justice qu'un grand nombre d'aubains enregistrés ont négligé de se conformer aux dispositions de la loi qui prescrit que toutes les personnes du sexe masculin doivent être régulièrement employées à des travaux utiles, et il est jugé opportun que pour faciliter la mise en vigueur de cette loi les aubains enregistrés soient requis d'établir, à la satisfaction du premier officier de police, qu'ils se sont conformés à la loi sous ce rapport avant que permission leur soit accordée de voyager d'un endroit à un autre :

(*g*) Il a été porté à l'attention du ministre de la Justice que certains aubains de nationalité ennemie qui ne se sont pas enregistrés ou qui n'ont pas obtenu la permission voulue ont jusqu'ici voyagé d'un endroit à l'autre sans être inquiétés. Il est par conséquent jugé opportun de refuser de transporter tels étrangers ainsi que ci-après prescrit.

(*h*) Jusqu'ici les mots "premier officier de police" ne s'appliquaient pas aux constables provinciaux aux termes des règlements. Il est jugé opportun que soient conférés aux constables provinciaux les pouvoirs de premier officier de police. Il est aussi jugé opportun de donner aux maîtres de poste l'autorité de consigner les rapports des aubains enregistrés aux endroits où il n'y a pas de premier officier de police dans un rayon de cinq milles. Il est de plus jugé opportun que les premiers officiers de police soient requis de faire rapport chaque mois au commissaire en chef de police à Ottawa, ainsi que prévu ci-après.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu de la *Loi des mesures de guerre de 1914*, de décréter par les présentes ce qui suit:

L'arrêté en conseil ci-dessus mentionné, du 20 septembre 1916, établissant des règlements pour le contrôle et l'enregistrement des aubains de nationalité ennemie, est par les présentes annulé, et les règlements suivants sont sanctionnés et leur sont par les présentes substitués :

1. Tout aubain de nationalité ennemie âgé de plus de seize ans, à moins qu'il ne se soit auparavant enregistré ou présenté de la manière prescrite par les présents règlements, doit, dans les vingt jours qui suivent la publication des présents règlements dans la *Gazette du Canada*, se présenter devant le premier officier de police de la cité, de la ville, du village, du comté ou du district où réside ou séjourne le dit aubain pour déclarer au dit premier officier de police son nom, son âge, son lieu de résidence, sa nationalité et son état, et répondre à toutes questions qui peuvent lui être posées par le dit premier officier de police ou en son nom touchant les renseignements susdits ou concernant les causes ou motifs de la présence au Canada du dit aubain de nationalité ennemie.

2. Si le dit premier officier de police est d'avis que le dit aubain de nationalité ennemie peut rester en liberté sans préjudice à l'intérêt public, il préparera et remettra au dit aubain de nationalité ennemie un certificat de parole dans les termes de la formule "A" de l'annexe aux présents règlements, et adressera au commissaire de police en chef à Ottawa un rapport mensuel de ces aubains de nationalité ennemie, en la forme de l'annexe "C".

4. Tout aubain de nationalité ennemie qui a obtenu un certificat de parole comme susdit doit le conserver avec soin, le porter sur sa personne et le produire pour vérification chaque fois qu'en est faite la demande par un officier de paix ou un officier militaire.

4. Tout aubain de nationalité ennemie qui a obtenu un certificat de parole ne doit pas partir ni s'éloigner de la cité, la ville, le village, le comté ou le district mentionné dans son certificat de parole sans au préalable se présenter devant le premier officier de police qui lui a accordé le dit certificat et déclarer le motif ou l'objet de son désir de partir ou s'éloigner de la cité, la ville, le village, ou le district susdit, ainsi que le nom de l'endroit où le dit aubain de nationalité ennemie se propose ou désire se rendre; et sur ce doit répondre à toutes questions qui peuvent lui être posées par le dit premier officier de police ou au nom de ce dernier, touchant tout ou partie des matières susdites.

5. Si le dit officier de police reconnaît qu'il n'est pas au préjudice de l'intérêt public qu'il soit permis au dit aubain de nationalité ennemie de partir ou s'éloigner de la cité, la ville, le village, le comté ou le district mentionné dans le certificat de parole comme susdit, il signera au dos du dit certificat de parole un avis dans les termes de la formule "B" de l'annexe aux présents règlements et à l'effet que le dit aubain de nationalité ennemie a dûment reçu permission d'aller à l'endroit désigné, au dos du dit certificat, et chaque mois il notifiera le commissaire de police en chef dans les termes de l'annexe "D" des détails de telle permission.

6. Le premier officier de police peut refuser à un aubain de nationalité ennemie la permission de partir pour un endroit quelconque, à moins que cet aubain ne l'ait convaincu qu'il s'est conformé à la loi qui prescrit que toute personne du sexe masculin doit être régulièrement engagée dans une occupation utile et qu'elle a été régulièrement employée pendant au moins 20 jours des 30 jours précédant immédiatement sa demande de permission de partir.

7. Tous les agents de billets et les chefs de train ou capitaines ou autres officiers des compagnies de chemin de fer ou des compagnies de navigation, devront sous peine d'infraction des présents règlements refuser de vendre des billets ou de transporter tout aubain de nationalité ennemie qui ne présente pas un certificat de parole portant à l'endos (formule B) l'avis de permission de voyager d'un endroit à un autre.

8. Tout aubain de nationalité ennemie qui a fait la déclaration susdite et a obtenu le permis mentionné à l'article 5 ci-dessus ne sera pas requis de se présenter ainsi que prescrit pendant qu'il est en route, à moins qu'il ne séjourne dans un endroit pour une période de vingt-quatre heures ou plus, mais il devra, dès son arrivée à sa destination, se présenter au premier officier de police de cet endroit. Le premier officier de police adressera au commissaire de police, à Ottawa, dans les termes de l'annexe "E," une liste mensuelle des personnes qui se présentent ainsi à lui.

9. Les aubains de nationalité ennemie qui ont obtenu la permission de se rendre, pour y prendre de l'emploi, à des endroits où il n'y a pas de chef de police auquel ils peuvent se présenter ne seront pas requis de le faire durant la période où ils sont ainsi employés, mais ils se présenteront immédiatement à leur retour à l'endroit où telle permission a été accordée, ou dès leur arrivée à un endroit où il y a un chef de police et où ils séjournent pendant vingt-quatre heures et plus.

10. Tout aubain de nationalité ennemie qui a obtenu un certificat de parole doit dès lors, à des intervalles d'un mois, se présenter et se produire devant le premier officier de police qui lui a accordé un certificat de parole, à moins que dans l'intervalle il ait obtenu de la manière susdite la permission de partir ou d'aller à un endroit hors la cité, la ville, le village, le comté ou le district mentionné dans son certificat de parole, auquel cas il devra se produire aux dites intervalles au premier officier de police de l'endroit où il s'est rendu ou est allé.

11. Les suivants peuvent à la discrétion du commissaire en chef de police être exemptés de l'obligation de se présenter chaque mois, mais ils seront soumis à tous les autres règlements ici contenus. Les aubains de nationalité ennemie âgés de cinquante ans et plus, ou ceux qui sont tellement infirmes qu'ils sont impropres au service militaire ; les Tchèques ou membres de l'Alliance Nationale Bohémienne ; les sujets turcs qui sont de race grecque, arménienne ou syrienne ou de tout autre peuple reconnu être opposé au régime turc et de foi chrétienne.

12. De pareille manière, avant que tout aubain de nationalité annemie parte ou s'éloigne de tout endroit où il est obligé de se produire comme susdit, il doit se présenter devant le premier officier de police du dit endroit et se produire comme sus dit et obtenir dans les termes et formules susdits la signature du dit officier au dos de son certificat de parole.

13. Tout refus, omission ou négligence de la part d'un aubain de nationalité ennemie d'observer ou d'exécuter l'un quelconque des dispositifs des présents règlements ou de s'y soumettre, constitue un délit et le coupable, sur conviction sommaire, sous la partie XIV du *Code criminel*, est passible d'emprisonnement pour un terme n'excédant pas six mois ou d'une amende n'excédant pas $500.00 ou de l'emprisonnement et de l'amende susdits. De plus, tout refus, omission ou négligence de la part d'un aubain de nationalité ennemie à qui a été accordé un certificat de parole, de produire et soumettre à un examen raisonable son certificat de parole quand demande lui en est faite par un officier militaire, constitue un délit et le coupable est passible des mêmes peines de la même manière. Le délit de partir d'un endroit quelconque sans permission peut être poursuivi à tout endroit où p ut se rendre ou se trouver le délinquant et est de la juridiction de la cour ou des juges à tout endroit où le délinquant est arrêté.

14. L'expression "premier officier de police" dans le sens des présents règlements signifie et comprend le chef de police, la constable en chef ou le premier officier de paix de toute municipalité, et dans les provinces de Saskatchewan et d'Alberta, les territoires du Nord-Ouest et le territoire du Yukon, le premier officier de la Royale Gendarmerie à cheval du Nord-Ouest, exerçant l'autorité dans tout district où il n'existe pas d'organisation municipale ni d'officier de police municipal, et comprend aussi le successeur ou le remplaçant dudit premier officier de police tel que défini dans le présent paragraphe. Toutefois, en ce qui concerne les villes de Montréal et de Winnipeg, ladite expression signifie le registraire des aubains ennemis, et aux endroits où il n'y a pas d'officier de police dans un rayon de cinq milles, le maître de poste peut enregistrer les rapports des aubains de nationalité ennemie.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il a été soumis à Son Excellence le Gouverneur général en conseil un rapport du ministre de l'Agriculture représentant ce qui suit, savoir :

L'état de la récolte dans le sud du Manitoba, le sud et le sud-ouest de la Saskatchewan et le sud et le centre de l'Alberta est excessivement critique vu la sécheresse prolongée.

Une situation très sérieuse a résulté de ce fait en ce qui concerne l'alimentation du bétail, particulièrement quant aux besoins de l'hiver prochain. La situation indique clairement que des mesures devraient être prises pour conserver le fourrage et les aliments du bétail de toutes sortes pour que nos cultivateurs ne soient pas forcés de vendre leurs bestiaux d'élevage si essentiels à la conservation de l'approvisionnement de viande et de produits de la laiterie dont la Grande-Bretagne et ses alliés ont si grand besoin et qu'ils requerront dans un avenir prochain.

Il est de plus important que notre stock d'animaux reproducteurs soit conservé, et si possible augmenté, si nous voulons faire notre part dans la réhabilitation des industries de l'élevage du bétail en Europe après la guerre. Il est déjà évident que le Canada sera appelé à prendre une grande part à cette œuvre du fait que des délégations d'au moins un des pays affligés par la guerre visitent actuellement le Canada dans ce but.

Par conséquent, en vue de ce qui précède, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Agriculture et en vertu des dispositions de la *Loi des mesures de guerre de 1914*, d'établir les règlements suivants, qui sont par les présentes faits et établis en conséquence :

RÈGLEMENTS.

1. Aucune meule de paille restant des récoltes de l'été dernier et de cette année, soit dans les provinces de Manitoba, Saskatchewan ou d'Alberta, ne sera brûlée ou autrement détruite sans la permission écrite du sous-ministre de l'Agriculture de la province où se trouve cette paille.

2. Toute personne qui enfreint les dispositions de ce règlement est passible sur conviction sommaire, sous le régime des dispositions de la partie XV du Code criminel, d'une amende d'au moins dix dollars et n'excédant pas cent dollars ou d'emprisonnement pour une période quelconque n'excédant pas trente jours, ou des deux peines de l'amende et de l'emprisonnement.

3. L'arrêté en conseil du douzième jour de juillet 1918 (C.P. 1713) est par les présentes rescindé.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 12e jour de juillet 1918, représentant que les règlements régissant les réserves forestières fédérales défendent de faire la pêche autrement qu'à la ligne à main et à la ligne traînante dans les eaux de l'Alberta au sud de la borne nord du township 55.

Les fonctionnaires du service ont fait rapport que plusieurs lacs du township 52, rang 26, à l'ouest du 5e méridien, dans la réserve forestière des Montagnes Rocheuses de la division d'Athabaska abondent en poisson blanc et en brochet ; que depuis plusieurs années, ces lacs ont fourni du poisson aux colons des environs sans diminution appréciable de la quantité et que vu la mise en vigueur des règlements prohibitifs susmentionnés sera une cause de privation pour les colons qui ont été accoutumés à se servir de filets pour leur approvisionnement de poisson dans ces lacs.

Le ministre, par conséquent, demande l'autorisation d'accorder des permis de pêche dans ces lacs pour consommation domestique pour les années 1918, 1919 et 1920. Il ne sera pas accordé plus de 12 permis par année. Ces permis seront pour 100 pieds de filet tramaillé de cinq pouces et demi de maille. L'honoraire sera de $4 pour les sujets britanniques résidents. Chaque permis ne couvrira que la saison d'été ou d'hiver, selon le cas.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 11e jour de juillet 1918, représentant qu'un certain nombre de squatters ont soumis leurs réclamations à son département concernant certaines parties du quart nord-ouest de la section 6, township 3 rang 12, à l'est du méridien principal, ce terrain étant situé près de la station de Badger sur le chemin de fer Canadien Nord. Le rapport fait mention qu'il a été jugé opportun de subdiviser le terrain en question en petits lots couvrant chacun les améliorations d'un des requérants et de permettre ensuite à ces derniers d'acheter ces lots à un prix à être fixé par estimation.

Cette subdivision a été arpentée d'après les instructions de l'Arpenteur général des terres fédérales et le plan en a été enregistré au bureau des titres de terres, à Winnipeg.

Le Ministre, par conséquent, demande l'autorisation de vendre les lots de ladite subdivision au prix déterminé par un fonctionnaire du département de l'Intérieur et aux conditions ordinaires des lots de ville, savoir, le montant total du prix de vente lors de la vente ou un quart du prix de vente à cette date et le reste en trois versements consécutifs égaux, avec intérêt de cinq pour cent par an.

Le Comité agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'a été soumis au Gouverneur général en conseil un rapport du ministre de la Justice représentant ce qui suit au sujet des renforts pour le corps expéditionnaire canadien qui seront obtenus sous le régime de la *Loi du service militaire de 1917*, savoir :

Il est prescrit par le paragraphe 4 de l'article 13 de ladite loi que " à moins d'autorisation ultérieure par le Parlement, les renforts prévus sous le régime de la présente loi ne doivent pas dépasser cent mille." D'après les dispositions de la loi ces renforts pour le corps expéditionnaire canadien actuellement en service actif outre-mer doivent être enrôlés par levée sélective, et il est évidemment désirable d'obtenir pour les renforts autorisés les hommes les mieux qualifiés pour le service militaire et dont leurs occupations civiles peuvent le mieux se dispenser. Pour atteindre ce but il est fréquemment nécessaire, dans le procédé de sélection, de suspendre la décision ou d'exiger un certain service stagiaire et de procéder par expérience, considérant que la classe appelée fournit plus d'hommes aptes au service qu'il n'est nécessaire pour l'effectif limité des renforts. Dans le concours pour la sélection surgissent des questions d'aptitude physique au service militaire aussi bien que des questions d'utilité relative des hommes à la communauté dans leurs occupations ordinaires ; il se présente aussi des considérations ou questions de nature sympathique dans les cas d'inconvénients extrêmes pour les particuliers. Il a par conséquent été jugé opportun ou nécessaire dans l'intérêt général que nombre d'hommes qui se sont présentés pour le service soient mis en mesure d'attendre la sélection finale ou la détermination de leur aptitude au service, ce qui a été accompli au moyen d'un congé permanent conditionnel ou d'un congé temporaire, ou en considérant la période d'entraînement en Canada comme un stage durant lequel la recrue, quoique conditionnellement enrôlée dans le corps, peut, si pour une raison quelconque elle est jugée moins désirable qu'une autre qui peut la remplacer, être finalement congédiée de l'effectif des renforts à fournir.

Considérant les progrès de la guerre et l'opinion des autorités militaires qui ont charge des opérations contre l'ennemi, il est nécessaire que l'effectif entier de 100,000 hommes de renforts pour le corps expéditionnaire canadien outre-mer soit levé et envoyé aussitôt que possible pour la défense du pays ; et il est non seulement raisonnable et convenable, mais aussi strictement nécessaire, conformément à l'intention expresse de la loi, que l'affectif de ces renforts soit calculé au seul point de vue des hommes définitivement choisis et envoyés outre-mer pour service actif. Néanmoins, des doutes ont surgi quant à la définition du corps et quant au temps et à la méthode de déterminer le nombre de ceux qui composent ces renforts dans les termes de la loi ;

Et attendu qu'il est jugé essentiel que les pouvoirs conférés et les mesures autorisées pour la levée des renforts se continuent et soient employés ou invoqués dans le but de lever au Canada et d'envoyer au moins cent mille hommes valides pour le service d'outre-mer.

Par conséquent, afin d'éliminer tout doute, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et conformément aux pouvoirs conférés par la *Loi des mesures de guerre, 1914*, ou dont le Gouverneur en conseil est autrement revêtu, d'établir le règlement suivant, qui est par les présentes établi en conséquence :

Règlement.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que les ratifications de la Convention du service militaire réciproque entre le Canada et les Etats-Unis ayant été échangées à Londres le 30 juillet 1918, la Convention a été déclarée avoir force de loi par l'arrêté en conseil du 5 août 1918 ;

Et attendu que le ministre de la Justice est d'avis qu'il est de plus nécessaire que des règlements soient établis déclarant que, sont sujets au service militaire en Canada les citoyens des Etats-Unis auxquels s'appliquent les dispositions de la Convention, et établissant une procédure pour la mise en vigueur des dits règlements.

Par conséquent, pour les fins susdites, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi des mesures de guerre de 1914*, ou existant autrement à cette fin, de sanctionner par les présentes les règlements suivants, intitulés : "Règlements de la Convention du Service Militaire des Etats-Unis".

Il plaît, de plus, à Son Excellence le Gouverneur général en conseil, de décréter et déclarer par les présentes que lesdits règlements ont force de loi.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÈGLEMENTS DE LA CONVENTION DU SERVICE MILITAIRE DES ETATS-UNIS.

1. Dans les présents règlements et pour les fins de ces règlements et de tous autres règlements modificateurs ou additionels concernant le service militaire de citoyens des Etats-Unis en Canada, à moins d'incompatibilité avec le sujet ou le contexte,—

(*a*) "Convention" signifie la convention règlementant réciproquement le service militaire de sujets britanniques canadiens aux Etats-Unis et de citoyens des Etats-Unis au Canada, dont les ratifications ont été échangées à Londres entre Sa Majesté et le Président des Etats-Unis le 30 juillet 1918 ;

(*b*) "exemption diplomatique" est une expression employée pour définir la condition de ceux qui ont des certificats d'exemption du service militaire, accordés par le gouvernement des Etats-Unis sous le régime de l'article III de la Convention, lesquels certificats sont encore en vigueur ;

(*c*) les questionnaires auront telle forme et contiendront telles questions ou exigeront tels renseignements pertinents que le ministre de la Justice peut prescrire ou ordonner ;

(*d*) "registraire" signifie le registraire ou sous-registraire sous le régime de la *Loi du service militaire de 1917* pour la province ou le district où réside, ou se trouve le citoyen des Etats-Unis concerné ;

(*e*) "inscrit" signifie un citoyen des Etats-Unis qui se sera présenté au registraire conformément à l'article 3 des présents règlements et dans le délai qui y est spécifié, et ceux qui se présentent ainsi seront censés s'enregistrer ou s'être enregistrés ;

(*f*) "citoyen des États-Unis", au singulier ou au pluriel, ne désigne que les citoyens du sexe masculin des Etat-Unis en Canada, entre les âges alors spécifiés dans les lois des Etats-Unis qui prescrivent le service militaire obligatoire, non compris ceux qui ont obtenu l'exemption diplomatique ;

(*g*) où il est prescrit qu'un délit quelconque est passible d'amende et d'emprisonnement, il sera du pouvoir de la cour qui adjuge d'imposer soit l'amende ou l'emprisonnement, dans les limites spécifiées, à la discrétion de la cour ;

(*h*) Les dispositions de la *Loi d'interprétation*, Statuts revisés du Canada, 1906, s'appliqueront.

2. Les citoyens des Etats Unis sont, par les présentes, assujétis au service militaire en Canada et ils auront droit à l'exemption ou au congé sous le régime des lois et règlements régissant le service militaire actuellement en vigueur en Canada ou qui pourront l'être de temps à autre. Toutefois, outre les raisons d'exemption prescrites pour les sujets britanniques, les citoyens des Etats-Unis peuvent demander l'exemption en raison du fait qu'ils se sont enrôlés dans le délai limité par la Convention ; mais la preuve de tel enrôlement est à charge de la personne qui l'allègue.

3. Tout citoyen des Etats-Unis, dans les dix jours après l'expiration du délai fixé par la Convention durant lequel le gouvernement des Etats-Unis peut lui délivrer un certificat d'exemption diplomatique, devra déclarer sincèrement au registraire, par lettre chargée et d'une écriture bien lisible, son nom au long, son occupation et la date de sa naissance, mentionnant aussi s'il est célibataire, marié ou veuf ; et, dans ce dernier cas, s'il a un enfant vivant ; aussi, si marié, la date de son mariage ; puis son lieu de résidence et son adresse ordinaire au Canada ; et, s'il réside dans une ville ou localités où les rues sont nommées et les maisons numérotées, le nom de la rue et le numéro de la maison ; ou s'il réside dans un autre endroit, le numéro du lot et de la concession, la section, le township et le méridien, ou autre description précise permettant de connaître son lieu de résidence, eu égard à la coutume dans la localité où il réside. Si sans excuse raisonnable il néglige de faire cette déclaration en la manière et avec les détails ci-dessus mentionnés et dans le delai susdit, il est coupable de délit et passible sur conviction sommaire d'une amende n'excédant pas cinq cents dollars et d'emprisonnement pour une période n'excédant pas six mois, et de plus d'une amende de dix dollars pour chaque jour après le délai fixé pour l'enregistrement pendant lequel il continue à n'être pas enregistré.

4. Tout citoyen des Etats-Unis qui a obtenu l'exemption diplomatique, bien qu'il ne soit pas autrement sujet aux présents règlements, doit dans les dix jours après que cette exemption a été accordée faire au registraire cette déclaration, de la même manière et avec les mêmes détails prescrits à l'article précédent ; il doit de plus inclure dans sa déclaration les détails exacts et complets de son certificat d'exemption diplomatique. Négligence ou omission sans excuse raisonnable de se conformer aux prescriptions du présent article constitue un délit passible de la même manière des peines prévues à l'article précédent.

5. Le registraire, sur l'ordre du ministre de la Justice, adressera à chacun ou à tout inscrit, ou à toute classe quelconque d'inscrits, par la poste chargée, un questionnaire auquel doit répondre l'inscrit, exigeant tels détails, preuve et renseignements qui peuvent être nécessaires ou désirables pour décider si l'inscrit est sujet au service militaire ou à droit à l'exemption ; et le registraire peut, de la même manière, s'il est jugé nécessaire ou opportun, adresser de temps à autre à un conscrit quelconque d'autres questionnaires pour revision ou autres fins. Il est du devoir de tout inscrit auquel un questionnaire est adressé de répondre exactement et pleinement par écrit aux questions qui y sont posées et de retourner au registraire par lettre chargée le questionnaire, avec ces réponses et les autres preuves et renseignements requis, afin que le registraire les reçoive par livraison postale ordinaire vingt jours au plus après que le questionnaire a été adressé à l'inscrit par le registraire ; et si l'inscrit, sans excuse raisonnable, néglige ou omet de renvoyer le questionnaire avec les réponses, preuves et détails ci-dessus mentionnés, dans le délai susdit ou dans tel autre délai que le ministre de la Justice peut autoriser par écrit, il doit se présenter pour le service militaire à l'expiration de ce délai, comme dans le cas ci-après prévu de citoyens des Etats-Unis qui négligent ou omettent de se présenter pour l'enregistrement, et il est passible des mêmes peines s'il ne se présente pas ainsi pour le service militaire.

6. Si un inscrit fait une réponse fausse ou trompeuse à une question quelconque qui lui est posée dans un questionnaire, il est coupable de délit et passible sur conviction sommaire d'emprisonnement pour une période n'excédant pas un an.

7. Les demandes d'exemption peuvent être présentées avec les réponses des inscrits à leurs questionnaires et considérées et décidées d'apres ces réponses et tous autres renseignements ou preuves qui peuvent être raisonnablement exigés ou offerts, et, sauf ainsi qu'autrement prescrit, de la même manière qu'en ce qui concerne les demandes d'exemption de sujets britanniques.

8. Un inscrit, bien qu'il puisse en tout temps se présenter volontairement, ne sera pas requis de se présenter pour le service militaire avant l'expiration de vingt jours après que le registraire lui a adressé un questionnaire sous pli chargé, ni tant qu'est pendante une demande d'exemption faite par ou pour l'inscrit, ni tant qu'il a un certificat d'exemption accordé sous le régime des présents règlements.

9. (*a*) Les inscrits, lorsqu'ils seront notifiés par le registraire de se présenter pour le service militaire se présenteront, tel que requis, aux dates et endroits respectivement et de la manière spécifiée et prescrite dans l'avis.

(*b*) Les citoyens des Etats-Unis qui négligent ou omettent de s'enregistrer, conformément aux présents règlements, se présenteront pour le service militaire à l'un des postes de bataillons du Corps Expéditionnaire Canadien immédiatement après l'expiration du délai durant lequel ils auraient dû s'enregistrer ; et si, sans excuse raisonnable, un citoyen des Etats-Unis, soit un inscrit ou non, néglige de se conformer aux prescriptions que lui impose le présent article, il est coupable de délit et passible, sur conviction sommaire, d'emprisonnement pour une période n'excédant pas cinq ans.

10. Les registraires ont le pouvoir de délivrer des certificats d'exemption à des citoyens des Etats-Unis sans en référer à un tribunal dans les cas où il est évident, considérant les faits allégués dans la demande, la preuve soumise et les renseignements obtenus par le registraire, que le requérant à droit à l'exemption ; mais tout certificat délivré par un registraire dans l'exercice de ce pouvoir est sujet à révision par un tribunal d'appel, ou par le juge d'appel central, sur demande ou avis par ou pour un représentant public attaché au bureau du registraire ou au bureau du registraire en chef du Canada.

11. Les dispositions de la *Loi du service militaire de 1917* et des règlements établis sous le régime de cette loi, ainsi que les dispositions des règlements affectant le service militaire sanctionnés sous l'empire de la *Loi des mesures de guerre de 1914*, en autant qu'ils ne sont pas incompatibles aves une loi ou un règlement s'appliquant spécialement ou exclusivement aux citoyens des des Etats-Unis, s'appliqueront en autant que possible aux citoyens des Etats-Unis de la même manière qu'ils s'appliquent aux sujets britanniques, et les formules prescrites peuvent être employées avec telles adaptations qui peuvent être utiles ou nécessaires pour convenir aux circonstances du cas, pourvu que la restriction prévue par le paragraphe 4 de l'article 13 de la *Loi du service militaire de 1917* ne soit censée s'appliquer qu'aux sujets britanniques seulement.

12. Rien dans les présents règlements ne sera interprêté incompatiblement avec la Convention.

13. Les présents règlements seront publiés immédiatement dans la *Gazette du Canada* et entreront en vigueur le jour de leur publication, et ils demeureront en vigueur tant que la Convention sera en vigueur.

14. Les présents règlements peuvent être cités comme Règlements de la Convention du service militaire des Etats-Unis.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Avis de bills privés.

ÉXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera e même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé 'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans 'es deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

WAR OFFICE,
26th July, 1918.

HIS Majesty the KING has been graciously pleased to approve of the following awards to the undermentioned Officers and Warrant Officers, in recognition of their gallantry and devotion to duty in the Field :—

Awarded a Bar to the Distinguished Service Order.

CANADIAN FORCE.

Lt.-Col. Frederick Fieldhouse Clarke, D.S.O., Can. Rly. Troops.

For conspicuous gallantry and devotion to duty during a hostile attack lasting for four days. He organized from his battalion sixteen Lewis gun teams and made all arrangements for ammunition and supplies to be brought up to the front line by his own lorries. Except for the higher direction of the defence, the unit was entirely self-contained. The promptitude and alacrity with which this unit responded for volunteers, the splendid manner with which the defence was organized, the coolness and sustained enthusiasm displayed by all ranks under his command, were largely due to the courage, inspiring example, and fine leadership of the commanding officer.

[D.S.O. gazetted 1st January, 1918, see CANADA GAZETTE 26th January, 1918.]

Awarded the Distinguished Service Order.

CANADIAN FORCE.

Maj. Frederick Merrett Benson, R. Can. H.A.

For conspicuous gallantry and devotion to duty throughout a long period of intense fighting, when he commanded his battery with the greatest courage and skill. Although the battery was constantly subjected to heavy machine-gun fire, and from as many as seven low-flying aeroplanes at once, he continually kept up a heavy fire, covering the retirement of the infantry and the remaining batteries of the group. His magnificent example to his men was of the greatest value

Capt. William Cedric Nicholson, M.C., Can. M.G.C.

For conspicuous gallantry and devotion to duty. This officer, with his motor machine gunners, was successful time after time in holding up large masses of the rapidly advancing enemy. He personally tended to wounded men, and sent them back in his motor transport. Later, he had his right arm taken off, and while waiting to be evacuated cheered his men by his courage and grit.

Lt.-Col. John Garner Reid, Can. Overseas Rail. Const. Co.

For conspicuous gallantry and devotion to duty. Without awaiting orders he arranged to maintain the railway and operate signals. Again he organized parties to maintain railways when labour companies were removed without notice, and also organized demolition parties and a service of runners. By example he encouraged both officers and men under heavy shell fire, and the satisfactory results obtained were largely due to his skill and untiring endeavour.

Awarded a Bar to the Military Cross.

Lt. George Lenox Kezar, M. C., R. E.

For conspicuous gallantry and devotion to duty. Being driven from his strong point and cut off from the infantry, he fought his way back to the edge of a wood, where he collected about 100 infantry, and then organised a counter-attack. The infantry leaders were at once shot down, and their attack did not succeed. He, however, reached his post and held it until he had only two men left.

(M.C. gazetted 4th March, 1918, see *Canada Gazette* 6th April, 1918.)

CANADIAN FORCE.

Capt. Arthur Thomas Field, M. C., Ont. R.

For conspicuous gallantry and devotion to duty. He formed a raiding party and led them successfully against an enemy block and machine-gun post, inflicting several casualties and capturing a machine gun. He then aided in holding off the enemy until his own

machine guns had been evacuated. It was due to his quick appreciation of the situation and the good disposition of his party that the enemy counter-bombing attack suffered heavy casualties.

(M.C. gazetted 18th January, 1918, see *Canada Gazette* 23rd February, 1918.)

Awarded the Military Cross.

CANADIAN FORCE.

Lt. John Harold Adams, Infy.

For conspicuous gallantry and devotion to duty. In a night raid rushed an enemy trench. On the enemy attempting to escape over the parados, this officer and his party gave chase, and outdistancing his men he caught one of the enemy.

Capt. Alexander Watson Baird, Cen. Ont. R.

For conspicuous gallantry and devotion to duty when he led a raiding party, and in spite of running up against a hostile patrol, all of which he either killed or captured, entered the enemy's first line trench; to his fine leadership the success of the raid was entirely due.

Lt. Lyman Munger Black, M.G. Corps.

For conspicuous gallantry and devotion to duty. When the enemy was rapidly advancing, he handled his motor machine guns with great daring, time after time checking the enemy's advance and giving the tired infantry time to reorganize. On another occasion he rushed his machine guns up to hostile cavalry, causing them enormous casualties

T./Lt. John Boyd, Can. Overseas Rail. Const. Co.

For conspicuous gallantry and devotion to duty in maintaining the track, until all guns and rolling stock had been removed. Under heavy fire, and being cut off, he took his party across country back to his company. Later, when in charge of a demolition party, he destroyed all structures and track, sometimes when the enemy were close upon him. He was wounded, but completed his duties before reporting for medical examination.

Capt. Hugh Cuthbert Heighington Brayfield, Infy.

For conspicuous gallantry and devotion to duty. Hearing of an enemy raid on his left flank, he immediwent with a N.C.O. to the spot, and led a counter-attack along a trench into which the enemy had been turned, capturing six prisoners.

Lt. Harold Oswald Neville Brownfield, R. Can. H.A.

For conspicuous gallantry and devotion to duty throughout two weeks of severe fighting. He invariably displayed the greatest courage and coolness in directing the care of the wounded under heavy high explosive and gas barrage. On one occasion he remained at an O.P. all day under machine-gun fire, sending back valuable information, which enabled the battery to do great execution.

Lt. William Joseph Campbell, Motor M.G. Bty., attd. Can. M.G. Corps.

For conspicuous gallantry and devotion to duty in checking the enemy's advance and inflicting heavy casualties. On one occasion he brought his guns into action against an enemy T.M. Bty., killing the whole lot.

Lt. Horratio Nelson Darling, Ry. Troops.

For conspicuous gallantry and devotion to duty. The pipe line supplying the water tanks from which the locomotives were filled was broken by hostile shell fire. He returned with an N.C.O. and several men, under very heavy shell fire, and repaired the pipe line, thus enabling the engines to get away before the arrival of the enemy. Throughout subsequent operations he displayed the greatest coolness and courage, and set a splendid example to all ranks.

Lt. Cyrus Fowler Day, E. Ontario R.

For conspicuous gallantry and devotion to duty in an enemy raid. He saw a party of the enemy approaching up an old communication trench, and immediately emptied his revolver into them, when a bomb burst close to, wounding him and knocking the revolver out of his hand. He then threw twelve bombs amongst them, before another bomb knocked him down, wounded and blinded him. He heard them withdrawing, however, and removing their wounded, and after the raid five of the enemy were found dead in front of the block.

Lt. William James Arthur Duncan, Rly. Troops, seconded R.A.F.

For conspicuous gallantry and devotion to duty. On one occasion he attacked and shot down an enemy plane which had been engaged at firing on our infantry. He then led his patrol over the enemy's lines, dived down to an altitude of 100 feet, and attacked large numbers of hostile infantry with machine-gun fire, causing the utmost panic amongst them and inflicting heavy casualties. His continuous gallantry and initiative have been most conspicuous.

Lt. Thomas Irving Findley, Can. F. A., attd. R.A.F.

For conspicuous gallantry and devotion to duty. On one occassion, under adverse climatic conditions, he carried out, during a flight of three hours at an altitude of 300 feet, a most valuable reconnaissance. During recent operations his work in attacking enemy troops from low altitudes has been of the greatest value and he set a splendid example of energy and determination to all ranks of his squadron.

Lt. Pierre Gelineau, Quebec R.

For conspicuous gallantry and devotion to duty when, after a preliminary bombardment lasting four hours, a hostile attack was made on the right post of his platoon. Although greatly outnumbered, he rushed upon the enemy with eight men, killing two and inflicting other casualties and checking the whole party, which fled back disorganised. He showed the highest qualities of initiative and personal courage, and his action prevented the enemy from gaining a foothold in our trenches.

Lt. Percival Alfred Green, M.M., M.G. Corps.

For conspicuous gallantry and devotion to duty in handling his section of armoured cars. On one occasion, after a difficult reconnaissance on his motor-cycle, he drove his armoured cars into action against the enemy, massing for an attack, inflicting great loss. He carried on after being wounded.

Lt. Robert Fortune Inch, M.G. Corps.

For conspicuous gallantry and devotion to duty. When all the officers of his battery were either killed or wounded, he took command and checked the enemy's advance. At times he faced overwhelming masses and mowed them down. When all his men were dead tired he encouraged them to persevere until relieved.

Lt. Edward Milne Johnston, Infy.

For conspicuous gallantry and devotion to duty. After careful preparation, he led a raiding party in order to obtain identifications. After searching and bombing dugouts, he found the enemy had fled, so he followed right into the protective barrage. He covered the retirement himself, getting back the wounded.

Capt. Huntly Wilson MacPherson, R. Can. H. A.

For conspicuous gallantry and devotion to duty when he displayed the greatest courage and coolness in directing the withdrawal, under heavy shell fire of gas and H.E., of the forward gun of the battery. This was the only gun saved from the position. For three weeks he worked untiringly repairing guns and equipment, and owing to his splendid efforts there was never more than one gun out of action at a time in his battery.

Lt. Daniel McIntosh Matheson, Quebec R.

For conspicuous gallantry and devotion to duty. After an intense bombardment of some hours the enemy attacked his section of the trench but were driven off. Later, the attack was renewed, and the enemy succeeded in gaining a footing in the trench. He immediately organized a counter-attack, clearing the trench, and inflicting heavy losses on the enemy. Throughout the day his courage and coolness greatly inspired all ranks under his command.

Capt. Donald Archibald McQuarrie, Infy.

For conspicuous gallantry and devotion to duty. Led a successful raid on the enemy's line, capturing two prisoners, and inflicting many casualties. In a later raid he obtained some required indentification, and, notwithstanding the fact that he was wounded by the first bomb, brought his party back with very few causualties.

Lt. Arthur Charles Moore, Alberta R., secd. to R.E.

For conspicuous gallantry and devotion to duty during the evacuation of a position under heavy shell fire. He superintended and arranged the whole of the operations, and it was entirely due to his courage and untiring energy that the whole of the rolling stock and railway guns were safely got away.

Lt. Solomon Henry Ogden, Infy.

For conspicuous gallantry and devotion to duty. He led a raiding party against an enemy post, about 1,000 yards distant, inflicting casualties and securing identifications. On three previous nights he had carried out reconnaissances, gaining valuable information.

Lt. George Isaac Price, Can. Overseas Rail. Const. Co.

For conspicuous gallantry and devotion to duty while acting as liaison officer with four pieces of railway mounted artillery. Through his untiring efforts and skill all pieces were removed without loss or damage. The track, which was continually being broken by shell fire, was repaired as required.

Lt. William John Riley, M.M., Rail. Trps.

For conspicuous gallantry and devotion to duty in attempting to save two 12-in. railway howitzers, and in saving a locomotive, which would have fallen into the hands of the enemy. A number of breaks had to be repaired and at one part of the journey the engine had to be taken over an 8-in. break in the rails. In spite of heavy machine-gun and rifle fire, he was successful, and the engine was then used to haul a trainload of material. He showed great courage under very trying conditions.

Lt. (A/Capt.)Maurice Cameron Roberts, C. Ontario R.

For conspicuous gallantry and devotion to duty. When the unit on his right was driven back, this officer counter-attacked, bombing along 150 yards and establishing a block in the trench. Then after organizing a support platoon in case he was driven out, he sent back a report on the situation. Later, with five men, he went on down the trench and gained another 50 yards, bombing out an enemy party. Throughout the day his work was splendid.

Lt. Arthur Norman Schlater, Quebec, R.

For conspicuous gallantry and devotion to duty, when out with a patrol of seven men to determine the enemy's position. On reaching the hostile support line, he encountered three of the enemy, whom he promptly captured, and succeeded in regaining our lines, although before doing so he remained long enough to secure valuable information. His cool handling of the situation throughout was deserving of the highest praise.

Lt. Earnest Grant Stevenson, Rail. Troops.

For conspicuous gallantry and devotion to duty in an attempt to save two 12-in. railway howitzers. The track behind the guns had been broken, and the breaks had to be repaired. This was accomplished under heavy shell fire, and the guns pushed for half a mile by hand. It was only when the shelling and machine-gun fire became intense, and the infantry had to take up another position behind the guns, that the attempt had to be abandoned.

Lt. Charles W. Switzer, Can. Overseas Ry. Const. Co., secd. to Rail. Const. Engrs.

For conspicuous gallantry and devotion to duty. He received an order for the demolition of structures with a time limit, and so was unable to communicate with the railway company. On his own initiative he organised the demolitions and handled quantities of high explosives under heavy shell fire.

Lt. Allan Orla Thompson, Infy.

For conspicuous gallantry and devotion to duty in successfully repelling an enemy raid. With two N.C.O.'s he rushed forward and drove them out of a sap, and then, in spite of being wounded, bombed his way forward, driving the enemy right out. His personal example of courage under a heavy barrage acted as a fine incentive to his platoon, who inflicted very severe loss on the enemy in their disorganised withdrawal.

Lt. John Morgan Thrasher, M.M., Infy.

For conspicuous gallantry and devotion to duty. On visiting one of his advanced posts, found it had been rushed by the enemy. He immediately charged in the face of a shower of bombs, shooting four of the enemy, capturing four prisoners, and driving them out. He was severely wounded.

[1953]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 10th day of August, 1918

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS there has been laid before the Governor General in Council a report from the Minister of Justice submitting as follows with regard to the reinforcements for the Canadian Expeditionary Force to be obtained under the Military Service Act, 1917, viz :—

It is provided by Subsection 4 of Section 13 of the said Act that "unless further authorized by Parliament the reinforcements provided under this Act shall not exceed one hundred thousand men". These are according to the provisions of the Act reinforcements for the Canadian Expeditionary Force now engaged in active service overseas, to be raised by selective draft, and it is obviously desirable to obtain for the purposes of the authorized reinforcements, the men who are most qualified for military service and who can best be spared from their civil avocations. In order to achieve this object it is not infrequently necessary, in the process of selection, to suspend decision, or to require certain probationary service, and to proceed tentatively, seeing that the class called is productive of more men who are available for the service than will supply the limited number of reinforcements. In the competition for selection there are questions of physical fitness for military service to be considered, and as well questions of the relative usefulness of the men to the community in their ordinary occupations; compassionate considerations or questions of extreme individual hardship also present themselves. It has therefore been found expedient or necessary in the general interest that many of the men who have reported for duty should be put in a position to stand by pending final selection or determination of acceptability , and this has been accomplished by means of conditional discharge ; the granting of leave of absence ; or the treating of the period of training in Canada as a period of probation during which a man although conditionally embodied in the force, may, if for any reason he prove less desirable than another who may take his place, be finally removed from the complement of reinforcements to be provided.

Having regard to the progress of the war, and to the advice of the military authorities who are charged with the operations against the enemy, it is necessary that the entire body of 100,000 reinforcements for the Canadian Expeditionary Force overseas should be provided and despatched as soon as possible for the defence of the country ; and it is not only reasonable and proper, but also strictly necessary in conformity with the expressed intention of the Act, that the number of these reinforcements should be computed by reference only to the men ultimately selected and actually despatched for overseas service. Nevertheless questions have been suggested as to the definition of

the force and the time and method of ascertaining the numbers which compose the reinforcements within the statutory meaning ;

And whereas it is deemed essential that the powers and proceedings which have been authorized for raising the reinforcements shall continue and be used or invoked for the purpose of producing and despatching from Canada not less than one hundred thousand efficient soldiers for overseas service.

Therefore, for the avoidance of any doubt or question, His Excellency the Governor General in Council, on the recommendation of the Minister of Justice and pursuant to the powers conferred by the War Measures Act, 1914, or otherwise vested in the Governor in Council, is pleased to make the following Regulation and the same is hereby made and established accordingly:—

Regulation.

All the powers conferred by the Military Service Act, 1917, and by the regulations thereunder, or under the War Measures Act, 1914, and which were heretofore or are now capable of being exercised for the purpose of obtaining men to reinforce the Canadian Expeditionary Force now engaged in active service overseas, and as well the procedure which has been enacted or authorized in that behalf, continue in force and shall be executed so that and until the number of men obtained under the authority of the Military Service Act, 1917, and the said regulations, who have embarked or been despatched or shall embark or be despatched in Canada for service in the said force overseas, shall in aggregate amount to one hundred thousand.

RODOLPHE BOUDREAU,
8-2 Clerk of the Privy Council.

[The following Order in Council was first published in an *Extra of the* CANADA GAZETTE, dated the *21st August, 1918.*]

[2044]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 20th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS ratifications of the Reciprocal Military Service Convention between Canada and the United States having been exchanged in London on July 30th, 1918, the Convention was, by Order in Council of the 5th August, 1918, declared to have the force of law ;

And whereas it is further necessary, in the opinion of the Minister of Justice, that regulations be enacted declaring liability to military service in Canada of United States citizens who are subject to the provisions of the Convention and providing for the procedure by which such liability may be enforced ;

Therefore, for the purposes aforesaid, His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under the powers conferred on the Governor in Council by The War Measures Act, 1914, or otherwise existing in that behalf, is pleased to sanction and doth hereby sanction the following Regulations, entitled "United States Military Service Convention Regulations."

10. The registrars shall have power to issue certificates of exemption to United States citizens without reference to any tribunal in those cases in which it is apparent, having regard to the facts appearing upon the application, the proofs submitted therewith and the information obtained by the registrar, that the applicant is entitled to exemption ; but any certificate issued by a registrar in the exercise of this power shall be subject to review by an appeal tribunal, or by the Central Appeal Judge, upon application and notice by or on behalf of a public representative attached to the office of the registrar or to the office of the chief registrar for Canada.

11. The provisions of the *Military Service Act 1917* and of the regulations thereunder, as well as the provisions of the regulations affecting military service sanctioned under the authority of the *War Measures Act 1914*, in so far as they are not inconsistent with any law or regulation applying specially or exclusively to United States citizens, shall, in so far as applicable, apply to United States citizens in like manner as they apply to British subjects, and the prescribed forms may be used with such adaptations as may be convenient or necessary to meet the circumstances of the case; provided that the limitation enacted by subsection 4 of section 13 of the *Military Service Act 1917* shall be deemed to refer only to British subjects.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd July, 1918, from the Minister of the Interior, stating that letters patent were issued on the 7th November, 1907, to Mr. Arthur Hitchcock of Moosejaw, for the north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 160 acres, which Mr. Hitchcock had been allowed to purchase at the rate of $3 an acre for a home farm and corral in connection with his ranch.

Subsequently it was ascertained that Mr. Hitchcock's improvements were located upon the north-east quarter of the said Section 3, and in compliance with his request it was decided in 1908 to exchange the north-west quarter of this section for the north-east quarter thereof, provided Mr. Hitchcock filed in the Department of the Interior a duplicate certificate of title in favour of the Crown covering the north-west quarter which had been patented to him.

The lands referred to were recently inspected by an officer of the Department of the Interior, who reported that he found both quarter sections very rough, only fit for grazing purposes and that there is very little difference, if any, in the value thereof, the north-east quarter, which Mr. Hitchcock desires to acquire, being the rougher of the two.

The Minister recommends that the exchange be confirmed and that he be authorized to issue Letters Patent in favour of Mr. Arthur Hitchcock for the said north-east quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 161 acres, and which is available for the purpose, upon his filing in the Department of the Interior, a duplicate certificate of title in favour of the Crown, free of all encumbrances, covering the said north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, above referred to.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 24th July, 1918, from the Minister of the Interior stating that the south-east quarter of Secti n 26, Township 40, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, was, with other lands, vested in the Governor and Company of Adventures of England trading into Hudson's Bay, commonly called the Hudson's Bay Company, upon the 3rd day of January, 1907, under the provisions in that behalf contained in the Dominion Lands Act,

The Minister further states that a homestead entry for the said quarter section was, by oversight, granted on the 9th August, 1912, to Mr. Thomas William Ripper, who has been in continuous occupation of the land since 1913, and made valuable improvements thereon.

At the request of the Department of the Interior, the Hudson's Bay Company surrendered the quarter section in question, in order that Mr. Ripper's entry therefor might be confirmed, and selected, in lieu thereof, the north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres and which has been reserved for the company for some time.

The Minister therefore recommends that this exchange be confirmed under the provisions of section 76 of the Dominion Lands Act, and that letters patent for the said north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, and which is available for the purpose, be issued in favour of the Hudson's Bay Company in exchange for the south-east quarter of Section 26, Township 48, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, above mentioned, and which is now vested in His Majesty King George the Fifth in the right of the Dominion of Canada, and that the homestead entry granted for the last mentioned land on the 9th August, 1912, to the said Thomas William Ripper, be confirmed.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Wednesday, 14th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Government of the Province of British Columbia has, under the terms of an agreement between that Government and the Government of the Dominion, with reference to mineral lands in the Railway Belt as set forth in the Order in Council of the 11th February, 1890, applied for a grant of the undermentioned lands and has complied with the provisions of the Order in Council of the 13th May, 1899, by filing the sworn declaration of a Dominion land surveyor, to the effect that the lands in question are of no value for agricultural purposes or for the timber growing thereon and has paid therefor at the rate of $1.00 per acre, the sum of thirty dollars and fifty-seven cents ($30.57), the said lands being:

That certain parcel or tract of land situate in Section thirty in the twentieth Township in the nineteenth Range, west of the sixth Meridian, comprising parts of the Glen Iron mineral claim, being lot one thousand four hundred and fifteen, and of the Peggy mineral claim, being lot one thousand four hundred and sixteen, both in the Kamloops mining division of the Yale district in the Province of British Columbia, which may be more particularly described as follows:

Beginning at a wooden post in stone mound on the northerly boundary of the "Beta" mineral claim as transferred to the province of British Columbia by Order in Council dated the third day of April, one thousand nine hundred and seven, which said post is distant ninety-five feet, more or less, on a bearing of north eighty-nine degrees and fifty-two minutes west from the wooden post in stone mound at the north-east corner of northwest quarter of section nineteen of the said township; thence north eighty-nine degrees and fifty-two minutes west along the said northerly boundary of the said "Beta" mineral claim a distance of one thousand four hundred and thirty feet, more or less, to a wooden post in stone mound at the northwesterly corner of the said "Beta" mineral claim; thence continuing on the same bearing a distance of seventy feet, more or less, to a wooden post in stone mound; thence north eight minutes east a distance of five hundred and fifty feet, more or less, to a witness wooden post in stone mound; thence continuing on the same bearing a distance of one hundred and thirty-four feet and four-tenths of a foot, more or less, to the most southerly boundary of the right of way of the Canadian Pacific Railway as shown upon the plan of the said right of way, signed by E. B. Hermon, D.L.S., on the twelfth day of October, one thousand eight hundred and ninety-five and filed in the Kamloops Registry Office under number thirty-two, and of record in the Department of the Interior, Ottawa, under number eight thousand and eighty-three; thence easterly along the said most southerly boundary of the said right of way to a point on the westerly boundary of that part of legal subdivision two of the said section thirty, granted to Joseph William MacKay under letters patent dated the second day of November, one thousand eight hundred and ninety-one; which said point is fourteen chains perpendicularly distant westerly from the most easterly limit of the said legal subdivision two; thence southerly along the said westerly boundary to the northerly boundary of the Norah mineral claim as transferred to the Province of British Columbia by Order in Council dated the third day of April, one thousand nine hundred and seven; thence north eighty-nine degrees and fifty-two minutes west along the said northerly boundary of the said Norah mineral claim a distance of four hundred and six feet and fifty-eight hundredths of a foot more or less to a wooden post in stone mound at the northeasterly corner of the said "Beta" mineral claim; thence continuing on the same course along the northerly boundary of the said "Beta" mineral claim a distance of seventy feet, more or less, to the point of beginning; the said parcel containing by admeasurement thirty acres and fifty-seven hundredths of an acre, more or less, all the said bearings being astronomical; all according to the plans and field notes of the Glen Iron mineral claim, signed by John Vicars, Dominion land surveyor, and dated the twenty-first day of November, one thousand nine hundred and five, and of record in the Department of the Interior under number eight thousand one hundred and twenty-six, and of the Peggy mineral claim, signed by John Vicars, Dominion land surveyor, and dated the twenty-eighth day of July, one thousand nine hundred and five, and of record in the Department of the Interior under number seven thousand eight hundred and fifty-nine.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior is pleased to order and it is hereby ordered that the title to the lands herein described containing a total of thirty acres and fifty-seven hundredths of an acre (30.57) be vested in His Majesty King George the Fifth, for the purposes of the Province of British Columbia, under the terms of the agreement and Order in Council mentioned above.

Clerk of the Privy Council.

[1298]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of May, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by subsection 2 of section 5 of "The Manitoba Boundaries Extension Act, 1912", that all lands (known as swamp lands) transferred to the Province of Manitoba under section 1 of chapter 50 of the Statutes of 1885 and not sold by the Province prior to the time at which the terms and conditions of the said Act were agreed to by the Legislature of the Province shall be re-transferred to the Dominion;

And whereas certain quarter-sections and sections partly covered by water or marsh had been transferred to the Province of Manitoba under the provisions of said section 1 of chapter 50 of the Statutes of 1885, and whereas the Province had disposed of the dry portions of the said quarter-sections and sections under agreements of sale, the remaining portions of the same should, therefore, under the provisions of said subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, be re-transferred to the Dominion;

And whereas on account of settlement, drainage, the receding of the waters of lakes and other causes, it is considered practically impossible to define at the present time the boundaries between the original dry and wet portions of the said quarter-sections and sections, and the re-transfer to the Dominion of the portions not sold by the Province has not, therefore, been brought about as the Land Titles Office can not be supplied with descriptions sufficient in detail to cover the areas to be re-transferred;

And whereas the same difficulty exists with regard to defining the outlines of the portions of the said quarter-sections and sections sold by the Province, and the purchasers thereof are being caused considerable annoyance through not being able to obtain title on this account;

And whereas the Department of the Interior has been advised that the difficulty that arises in view of the impossibility of giving detailed descriptions of the lands referred to, which form only a portion of quarter-sections or sections, may be settled by a survey by the two Governments, with the consent of the purchasers from the Province if that can be obtained, dividing the quarter-sections or sections so as to give the purchasers and the Dominion Government each its proper area, and whereas the Surveyor-General of Dominion Lands has estimated that such a survey may cost $7,500, this estimate, however, not including the cost of obtaining the consent of the purchasers to the proposed boundaries;

And whereas most of the said fractional parcels of swamp lands not sold by the province are still more or less covered by water and the chief engineer of the Manitoba Hydrometic Survey of the water power branch of the Department of the Interior having reported that so far as he is aware these fractional parcels are not of any particular value in connection with power or water supply, the minister is of the opinion that the cost of obtaining the information necessary for the retransfer of the same to the Dominion would not be justifiable;

And whereas the Province of Manitoba has requested that the Dominion Government consent to the release of the said fractional parcels in order that it may be in a position to deal with the respective quarter-sections and sections as a whole, and has offered to convey to the Dominion several parcels of Provincial lands upon which homestead entries had been granted in error and which the Department of the Interior has been trying for some time to secure;

And Whereas the Minister of the Interior after careful consideration is of the opinion that such release to the Province would be in the public interest as it would overcome the difficulty referred to respecting the boundaries of the said lands;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that the fractional parcels of swamp land enumerated in schedule "A" hereto annexed, in so far as any rights therein as should be re-transferred to the Dominion under the provisions of subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, are concerned, shall be and the same are hereby released to His Majesty King George the Fifth for the purposes of the Province of Manitoba.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS since the 18th day of April, 1917, Orders in Council have been made from time to time granting certain pay after discharge to officers and soldiers of the land forces, those now in force being those dated the 11th day of October, 1917 (P.C. 2849), and on the 30th day of January, 1918 (P.C. 192);

And whereas provision has also been made for post discharge pay for officers, warrant officers and men of the Canadian Naval Service, the provisions now in force being those contained in Orders in Council dated the 1st day of August, 1917 (P.C. 2433), and the 13th day of November, 1917 (P.C. 3192);

And whereas it appears that under the existing provisions it is possible for an officer, warrant officer, or man to become entitled to post discharge pay more than one by reason of his service both in the naval and the land forces of Canada, and it is deemed expedient to consolidate all the provisions with regard to post discharge pay in respect of both services and to make certain amendments in the existing provisions;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Militia and Defence, and with the concurrence of the Minister of the Naval Service, is pleased to order and it is hereby ordered as follows:

The Orders in Council above mentioned are hereby cancelled and the following regulations are hereby made and substituted therefor:—

Regulations.

1. In these regulations, unless the context otherwise requires:

(*a*) "Officer," "warrant officer" and "man" shall have the same meanings as are given to the said words in the King's Regulations and Admiralty Instructions or in the Militia Act, as the case may be, and "officer" shall include "nursing sister."

(*b*) "Retirement" shall include the return to his Militia unit of an officer who ceases to be actively employed and paid.

(*c*) "Discharge" shall include the return to his non-permanent militia unit not on active service of a man belonging to any such unit.

(*d*) "Overseas" means out of Canada or the United States.

(*e*) "Pay and allowances" includes the pay and allowances receivable in money by the officer, warrant officer or man concerned or by his dependents by reason of his service; except allowances in lieu of rations and quarters or subsistence allowance.

(*f*) "Militia Council" means only the Militia Council in Canada and does not extend to the Overseas Military Council.

2. Except as in these regulations otherwise provided, every officer, warrant officer or man who has served or may hereafter serve in the naval or in the land forces of Canada on active service as set out in the first column of the schedule to these regulations and who hereafter retires or is discharged during the present war or during demobilization thereafter shall be entitled to receive a gratuity equal in amount to the pay and allowances he would have received if he had remained in the service for fifteen, thirty, forty-five or ninety-one days after his retirement or discharge as specified in the second column of the said schedule at the same rate of pay and allowances as he was receiving at the time of his retirement or discharge, or if he was reverted to a lower rank with his consent in order that he might serve overseas or in a theatre of actual war, and not on account of misconduct or inefficiency, then at the rate of pay and allowances to which he would have been entitled if he had not been reverted.

3. Where separation allowance has been paid during the service of any officers, warrant officer or man to any dependent or dependents of his, a portion of the gratuity payable under the preceding paragraph to such officer, warrant officer or man equal to the separation allowance for the period by reference to which the gratuity is calculated, may, in the discretion of the Paymaster-General, or the Deputy Minister of Naval Service, be paid to the dependant or dependants of such officer, warrant officer or man who would have been entitled to it if the service of the officer, warrant officer, warrant officer or man concerned had continued and if so paid shall, to the extent of the amount thereof, be deemed to be a payment in part of the gratuity aforesaid.

4. No officer, and no warrant officer in the Naval forces, shall be entitled to such gratuity as aforesaid if:—

(*a*) He is cashiered or dismissed the service by sentence of a court martial.

(*b*) He is deprived of his commission or warrant by reason of misconduct.

(*c*) He is called upon to retire or to resign his commission or warrant by reason of misconduct.

(*f*) For misconduct.

(*g*) At his own request or the request of his parents or guardians (unless the Director of Naval Service or the Militia Council otherwise determines).

6. No officer, warrant officer or man shall be entitled to the gratuity aforesaid, if

(*a*) He was formerly employed in the civil service of Canada or of any province and is privileged to return to such employment in the same position as the position which he left, or some other position in such service having substantially a like remuneration.

(*b*) He was formerly in some Canadian naval or land force other than that from which he is retired or discharged and is privileged to continue on pay in such Canadian naval or land force with the same rank as he formerly held therein, or any higher rank.

7. Any overpayments made to any officer, warrant officer or man or to any of his dependents may be deducted from the gratuity hereby authorized.

8. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity to

which he has become entitled under these regulations is notified as having joined and as being in receipt of pay from any Canadian naval or land force other than that from which he is retired or discharged, the gratuity, or the part thereof which at the time remains unpaid shall not be paid, but such officer, warrant officer or man, upon his subsequent retirement or discharge shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which he was in receipt or of the pay and allowances of which he is in receipt at the time of such subsequent retirement or discharge, whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and the character of his service, be entitled to count his service in both forces.

9. No officer or men of the naval or land forces enlisted elsewhere than in Great Britain shall be entitled to the gratuity aforesaid unlest he is in Canada at the time of his retirement or discharge or unless the Director of Naval Service of the Militia Council determines that he should receive it.

10. If an officer, warrant officer or man brought forward for retirement or discharge is entitled, pursuant to the recommendation of a medical board or a medical officer, to receive allowances (other than pension) from the Department of soldiers' Civil-Re-Establishment, he shall not be paid the gratuity until he has submitted to such treatment as the Department of Soldiers' Civil-Re-Establishment directs and has ceased to receive allowances from such Department.

11. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity herein provided for is notified as being entitled to or in receipt of allowances from the Department of the Soldiers' Civil Re-Establishment the gratuity or the part thereof which at the time remains unpaid, shall not be paid, but such officer, warrant officer or man, upon his subsequently ceasing to be entitled to or to receive such allowances shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid.

12. If any officer, warrant officer or man dies before he has received any part or the whole of the gratuity herein provided, and if immediately before the time of his retirement or discharge no separation allowance was being paid to any dependent or dependents of his, and there was no assignment or allotment of any portion of his pay in force, the portion of the gratuity unpaid at the time of his death shall not become payable.

13. No officer, warrant officer or man shall irrespective of the length or character of his service in one or several forces, be entitle to receive in all a gratuity equal to more than ninety-one days' pay and allowances, calculated by reference to the highest rate of pay and allowances of which he was in receipt at the time of any retirement or discharge.

14. The gratuity herein provided for shall be payable to any officer, warrant officer or man as follows :—

(*a*) If the gratuity is equal to fifteen days, thirty days or forty-five days pay and allowance, on the day of his retirement or discharge.

(*b*) If the gratuity is equal to ninety-one days' pay and allowance, one-third thereof on the day of his retirement or discharge and the reminder in two annual instalments payable respectively one and two months after such retirement or discharge.

15. Where it appears that any officer, warrant officer or man has, while in the service, incurred debts or omitted to make proper provision for his wife or children, whether legetimate or illegetimate, or in any case in which the circumstances seem to him to so require, the Minister of the Naval Service, in the case of the naval forces, or the Militia Council in the case of the land forces, may direct the gratuity hereby authorized to be applied in or towards the payment of such debts or the making of provision so far as possible for the said wife or child or children or as the circumstances may demand.

16. Nothing in these regulations shall adversely affect the rights of any officer, warrant officer or man heretofore retired or discharged under the Orders in Council cancelled hereby, and where the justice of the case so requires, post discharge pay may be granted under these regulations to any officer, warrant officer or man who has not heretofore received any post discharge pay, or who is entitled under the provisions hereof to a larger amount of post discharge pay than he received by reason of his having reverted with his consent to proceed overseas, or to a theatre of actual war, and not for misconduct or inefficiency.

(151) Ship Protests—Modification of proceedings.

Under the authority of an Order in Council dated the 2nd day of July, 1918, Collectors of Customs at ports of entry on the Pacific and Atlantic, including ports on the Gulf and River St. Lawrence up to and including the Port of Montreal, are authorized, during the present war, to do any notarial act for the purpose of noting and extending ship protests, and are authorized to receive any statutory declarations required in connection therewith.

The Masters of all British ships have been instructed that no note of protest of loss or of any occurrence whatsoever arising in respect of their ships is to be made by them in the Dominion of Canada except before a Collector of Customs.

Collectors of Customs are instructed, when the Master of a British ship reports inwards and when issuing a clearance to a British ship, to direct the attention of the Master of such ship to the above requirements.

NOTE: Protests by Masters of British ships trading on the inland waters of Canada, or protests in respect of loss or other occurrence arising while a British ship is on any of the inland waters of Canada, do not require to be made before a Collector of Customs. In such cases the Master may follow the usual and existing practice.

For the information and guidance of Collectors before whom a Master may present himself in connection with Ship Protests, it should be stated that a Protest may be made in the first instance, or the Master may desire to make a Note or Entry of Protest only, which may later be extended to a regular protest before the same or another Collector of Customs.

The Note or Entry of Protest is merely a notice of the Master's intention to protest, should an extended protest afterwards become necessary or advisable.

A Note or Entry of Protest, also a Protest—if made in the first instance—should be made as soon as possible after the arrival of the ship in port. If made later than twenty-four hours after arrival, it should contain a brief statement of the cause of the delay.

Note or Entry of Protest forms, Protest forms, and Extended Protest forms, may be obtained from Collectors of Customs.

The Note or Entry of Protest should be made in duplicate, signed by the Master and formally certified to by the Collector, and one copy retained by the Collector and placed on file. When a Protest is made or extended, the original is to be retained and filed by the Collector and certified copies are to be given or mailed to the Master and to the Owner of the ship.

(EDITION REVISÉE.)

GEORGE R. I.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

À tous à qui les présentes parviendront,—

SALUT:

ATTENDU que feue Sa Majesté Notre Bien-aimée Grand-mère la Reine Victoria a, par un décret en date du 6 septembre 1886, institué et créé un nouvel ordre de distinction naval et militaire, désigné l'Ordre du Service Distingué, pour récompenser en temps de guerre les actes individuels méritoires ou distingues;

Et attendu que subséquemment le dit décret royal a été amendé par les décrets royaux en date du 24 juillet 1902, 2 juillet 1903, 15 octobre 1903 et 23 août 1916 ;

Et attendu que c'est Notre bon plaisir et volonté que les officiers de notre corps d'aviation récemment constitué puissent être nommés dans Notre dit Ordre du Service Distingué ;

Et attendu que nous jugeons opportun que tous les amendements aux statuts de Notre dit Ordre, promulgués précédemment ou promulgués maintenant, seront incorporés dans un décret royal sous notre Sceau Manuel,—

En conséquence, Nous déclarons présentement que que les ordonnances et règlements précédemment en force pour le gouvernement de Notre dit Ordre soient abrogés, cancellés et annulés, et c'est Notre bon plaisir de faire, ordonner et établir pour les remplacer les ordonnances et règlements suivants, lesquels à l'avenir seront inviolablement observés et gardés :

Premièrement—Il est ordonné que cet Ordre sera désormais appelé et désigné l'"Ordre du Service Distingué".

Deuxièmement—Il est ordonné que l'Ordre se composera du Souverain et de tels Membres ou Compagnons que Nous, Nos héritiers et successeurs nommeront.

Troisièmement—Il est ordonné que Nous, Nos héritiers et successeurs, Rois ou Reines régnants du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereurs ou Imperatrices des Indes sont et seront à jamais Souverains de cet Ordre.

Quatrièmement—Il est ordonné qu'aucune personne n'aura droit à cette distinction si, au moment de sa nomination elle n'est titulaire d'une commission dans Notre marine, dans Nos troupes de terre ou de mer, dans Notre corps d'aviation ou dans Nos troupes navales ou militaires des Indes ou des colonies, ou d'une commission dans un des départements de Notre marine, armée ou corps aérien, dont le porteur a droit à un rang honoraire ou relatif dans la marine, armée ou le corps d'aviation, pas plus qu'aucune personne ne sera nommée à moins que ses services n'aient été signalés par une mention spéciale de son nom, par l'amiral ou l'officier de marine le plus ancien commandant une escadre ou une force navale détachée, ou par le général en chef des troupes en campagne, dans des dépêches pour services méritoires et distingués en campagne ou devant l'ennemi.

Cinquièmement—Il est ordonné que les officiers étrangers ayant été associés dans des opérations navales, militaires ou aériennes avec nos forces pourront être nommés membres honoraires de cet ordre.

Sixièmement—Il est ordonné que quand il plaira à Nous, Nos héritiers et successeurs de nommer une personne membre de cet ordre, cette nomination sera faite par décret sous Notre Sceau Manuel et contresigné par un de Nos principaux Secrétaires d'Etat.

Septièmement—Il est ordonné par toute personne ayant accompli des actes pour lesquels cet Ordre est accordé, accomplit subséquemment un acte reconnu de bravoure qui, s'il n'avait déjà reçu l'Ordre lui aurait permis de l'obtenir, recevra une agrafe pour être attachée au ruban par lequel l'insigne est suspendu, et pour tout acte semblable une agrafe additionnelle pourra être ajoutée.

Huitièmement—Il est ordonné qu'un officier sera nommé à cet ordre, c'est-à-dire, un Secrétaire et Régistraire.

Neuvièmement—Il est ordonné que le Secrétaire et Régistraire de cet ordre sera nommé par Nous, Nos héritiers et successeurs et aura la garde des archives de l'Ordre. Il assistera au service de l'Ordre et exécutera telles directions qu'il pourra recevoir de Notre Principal Secrétaire d'Etat pour la Guerre.

Dixièmement—Il est ordonné que cet ordre prendra rang à la suite et immédiatement après Notre Ordre de l'Empire Britannique et que, conséquemment, les Compagnons auront en tous lieux et assemblées que ce soit rang et préséance à la suite et immediatement après les Commandeurs de Notre dit Ordre de l'Empire Britannique et prendront rang entre eux suivant la date de leurs nominations respectives.

Onzièmement—Il est ordonné que l'insigne de l'Ordre consistera en une croix d'or, émaillée blanc, bordée et portant d'un côté, au centre, dans une couronne de laurier en émail vert, la Couronne Impériale en or sur un fond d'émail rouge et, au revers, dans une même couronne et sur un fond rouge semblable, le Chiffre Royal, et qu'il sera porté sur le côté gauche de la poitrine par un ruban rouge, bordé bleu, d'un pouce de large.

Douzièmement—Il est ordonné que les noms de ceux qu'il Nous plaira d'admettre membres de cet Ordre seront publiés dans la *London Gazette* et seront conservés en un registre dans les bureaux de Notre Secrétaire d'Etat pour la Guerre.

Treizièmement—Afin de prendre telles dispositions additionnelles pour conserver effectivement pure cette honorable distinction, il est ordonné que si une personne admise comme membre de cet Ordre est convaincue de trahison, lâcheté, félonie ou d'un crime infâmant, ou si elle est accusée d'aucune telle offense et ne se présente pas, après un temps raisonnable, pour être jugée, son nom sera rayé, par un ordre sous le Sceau Royal Manuel du registre des membres du dit Ordre. Et il est par le présent déclaré que Nous, Nos héritiers et successeurs seront seul juge de la conduite pouvant nécessiter la radiation sur le registre du nom de la personne coupable et il sera, en aucun temps, loisible pour Nous, Nos héritiers et successeurs de réintégrer le nom si telle réintégration est justifiée par les circonstances de la cause.

Finalement—Nous nous réservons à Nous, Nos héritiers et successeurs, plein pouvoir d'annuler, de changer, d'abroger, d'ajouter, d'interpréter ou de Nous dispenser de ces Règlements ou d'aucune partie d'iceux par un avis sous le Seing Manuel du Souverain de l'Ordre.

ARRÊTÉS EN CONSEIL.

[6-2019]

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 17e jour d'août 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre du Revenu de l'Intérieur, de décréter par les présentes ce qui suit:

Les types de qualité pour les poudres-levains, ainsi qu'établis par un arrêté en conseil daté le 16 juillet 1918, sont par les présentes annulés, et les types de qualité suivants sont établis et leur sont substitués:

Poudres-Levains.

1. La poudre-levain est essentiellement un mélange de bicarbonate de soude avec un acide, soit libre soit en combinaison avec un sel acide, ainsi qu'avec de l'amidon ou autres matières neutres. Elle est destinée à être employée comme levain dans la pâtisserie ; l'agent de fermentation est le gaz acide carbonique dégagé par l'action réciproque de la matière acide et du bicarbonate de soude, sous les conditions de la cuisson.

2. Les matières acides employées dans la fabrication des poudres-levains doivent être en elles-mêmes inoffensives pour la santé, et les composés résultant de leur action réciproque avec le bicarbonate de soude doivent aussi être inoffensifs pour la santé.

3. La poudre-levain doit pouvoir dégager dix (10) pour cent de son poids de sous-oxyde de carbone au traitement décrit et recommandé dans le bulletin numéro 360 du département du Revenu de l'Intérieur (série du laboratoire).

Attendu que le Département des Affaires des sauvages a demandé la mise en réserve du cimetière des sauvages de House River, petite étendue de terrain d'à peu près deux acres dans le quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, et qui a été affectée à cette fin durant plusieurs années ;

Et attendu que le terrain en question est disponible d'après les archives du Départment de l'Intérieur et peut être décrite plus minutieusement comme suit :—

Commençant à un point sur la borne est du quart nord-est de la section 18, township 83, rang 16, à l'ouest du 4e méridien, dans la province d'Alberta, à une distance de 655.38 pieds vers le sud et le long de ladite borne est, à partir de l'angle nord-est dudit quart de section; de là franc ouest sur une distance de 50 pieds jusqu'à un poteau en fer; de là et dans la même direction sur une distance de 27 pieds jusqu'à un point qui, pour les fins de la présente description, est dit " Point A "; de là franc ouest jusqu'à intersection avec la rive droite de la rivière Athabaska ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 22 juin 1918, par Edouard Deville, arpenteur général des terres fédérales, et déposé au département de l'Intérieur; de là vers le nord-ouest en suivant ladite rive jusqu'à une ligne tracée parallèlement à la ligne s'étendant franc nord du point A et 300 pieds perpendiculairement au nord de cette dernière ligne; de là franc est le long de ladite ligne parallèle jusqu'à intersection avec ladite borne est dudit quart de section nord-est ; de là vers le sud en suivant la dite borne est sur une distance de 69 pieds plus ou moins, jusqu'au point de commencement, et contenant deux acres plus ou moins et ainsi que décrit sur le plan ci-annexé.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre suppléant de l'Intérieur, de décréter par les présentes que le terrain ci-haut décrit soit par les présentes transféré au département des Affaires des Sauvages pour les fins d'un cimetière.

PRESENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre suppléant de l'Intérieur, daté le 9 juillet 1918, représentant que la compagnie dite " North American Reindeer Company," ayant son bureau principal à South Bend, Indiana, a demandé des privilèges de pâturage gratuits pour une période de trente ans, pour faire l'élevage des rennes sur l'étendue de terrain indiquée en rose sur la carte ci-annexée et décrite comme étant située dans la partie nord de la province du Manitoba, ainsi que dans les Territoires du Nord-Ouest, comprenant un territoire borné au nord par le 61e degré de latitude nord, à l'est par la Baie-d'Hudson, au sud par la rivière Churchill, les lacs Indian et Granville ainsi que les eaux qui les rallient, et à l'ouest par la rivière Reindeer, le lac Reindeer et le 102e parallèle de longitude, et contenant une superficie de 75,850 milles carrés, plus ou moins.

L'introduction du renne dans l'Alaska par les Etats-Unis a eu pour résultat de fournir un approvisionnement sûr de nourriture aux natifs et des moyens efficaces de transport ; de même qu'au cours des dernières années une quantité considérable de viande provenant du renne a été exportée à Seattle et aux points de la côte du Pacifique. Les régions nord des Territoires du Nord-Ouest sont considérées comme exceptionnellement propres à l'élevage du renne. L'industrie de l'élevage de troupeaux de rennes dans les territoires devrait être d'une grande valeur comme approvisionnement sûr de nourriture pour la population aborigène ; l'emploi du renne comme animal de trait permettra d'explorer efficacement le pays et, en définitive, les troupeaux de rennes devraient contribuer pour une large part à l'approvisionnement de viande du reste du Canada. Cependant, l'introduction du renne dans les régions australes de ce pays comporte un risque considérable ainsi que de fortes dépenses et nécessite de l'expertise dans le soin de ces animaux, et si l'initiative d'une telle entreprise est assumée sur une grande échelle par des particuliers ou par une corporation, de manière à lui assurer un succès raisonnable, le Ministre est d'avis que le Dominion devrait seconder tels partifuliers et corporations en leur accordant des privilèges gratuits de pâturage pour une période limitée.

Le ministre demande par conséquent l'autorisation d'accorder des permis de pâturage gratuits pour les rennes dans la région ci-haut décrite, pour une période n'excédant pas trente (30) ans, à tous particuliers ou corporations qui établissent le sérieux de leur entreprise à la satisfaction du Ministre de l'Intérieur.

Pourvu, toutefois, que tous tels permis comportent telles conditions et restrictions que le Ministre peut juger à propos; qu'en aucun cas ces privilèges soient exclusifs et que tous tels permis soient subordonnés à tous tels règlements que le Gouverneur en conseil peut prescrire de temps à autre.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 10e jour de juillet 1918, représentant que le 14 février 1911 M. William Armstrong, de Portage-La-Prairie, en réponse à sa demande d'acheter les droits de surface de la moitié nord de la subdivision légale 15 de la section 23, township 32, rang 9, à l'ouest du méridien principal pour l'emplacement d'un moulin, a été avisé du fait qu'il pouvait acheter ce terrain au prix de $10 l'acre, ainsi qu'un certain nombre de concessions minières accordées dans cette région, à condition cependant qu'un moulin y soit érigé pour telles fins que déterminées par le Ministre de l'Intérieur et à la satisfaction de ce dernier, et pourvu de plus que ledit terrain soit complètement utilisé pour l'exploitation des gisements de gypse de cette localité.

Le paiement total du prix de vente de ce terrain a été fait au prix spécifié et il a été établi à la satisfaction du Ministre de l'Intérieur qu'un moulin convenable y a été érigé et que le terrain a été utilisé pour les fins requises.

Le Ministre, par conséquent, demande l'autorisation de clore la vente au requérant des droits de surface de la moitié nord de la subdivision légale 15, section 23, township 32, rang 9, à l'ouest du méridien principal.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 12e jour de juillet 1918, représentant que les règlements régissant les réserves forestières fédérales défendent de faire la pêche autrement qu'à la ligne à main et à la ligne traînante dans les eaux de l'Alberta au sud de la borne nord du township 55.

Les fonctionnaires du service ont fait rapport que plusieurs lacs du township 52, rang 26, à l'ouest du 5e méridien. dans la réserve forestière des Montagnes Rocheuses de la division d'Athabaska abondent en poisson blanc et en brochet ; que depuis plusieurs années, ces lacs ont fourni du poisson aux colons des environs sans diminution appréciable de la quantité et que vu la mise en vigueur des règlements prohibitifs susmentionnés sera une cause de privation pour les colons qui ont été accoutumés à se servir de filets pour leur approvisionnement de poisson dans ces lacs.

Le ministre, par conséquent, demande l'autorisation d'accorder des permis de pêche dans ces lacs pour consommation domestique pour les années 1918, 1919 et 1920. Il ne sera pas accordé plus de 12 permis par année. Ces permis seront pour 100 pieds de filet tramaillé de cinq pouces et demi de maille. L'honoraire sera de $4 pour les sujets britanniques résidents. Chaque permis ne couvrira que la saison d'été ou d'hiver, selon le cas.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre suppléant de l'Intérieur, daté le 11e jour de juillet 1918, représentant qu'un certain nombre de squatters ont soumis leurs réclamations à son département concernant certaines parties du quart nord-ouest de la section 6, township 3 rang 12, à l'est du méridien principal, ce terrain étant situé près de la station de Badger sur le chemin de fer Canadien Nord. Le rapport fait mention qu'il a été jugé opportun de subdiviser le terrain en question en petits lots couvrant chacun les améliorations d'un des requérants et de permettre ensuite à ces derniers d'acheter ces lots à un prix à être fixé par estimation.

Cette subdivision a été arpentée d'après les instructions de l'Arpenteur général des terres fédérales et le plan en a été enregistré au bureau des titres de terres, à Winnipeg.

Le Ministre, par conséquent, demande l'autorisation de vendre les lots de ladite subdivision au prix déterminé par un fonctionnaire du département de l'Intérieur et aux conditions ordinaires des lots de ville, savoir, le montant total du prix de vente lors de la vente ou un quart du prix de vente à cette date et le reste en trois versements consécutifs égaux, avec intérêt de cinq pour cent par an.

Le Comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du ministre suppléant de la Milice et de la Défense, daté le 30 juillet 1918, représentant que par arrêté en conseil du 26 août 1910 et du 10 mai 1911 il a été réservé pour le département de la Milice et de la Défense pour fins de stations de remonte et d'entraînement tous les terrains disponibles dans les townships 15, 16 et 17, rang 3, à l'ouest du 3e méridien, ainsi que dans le township 15, rang 4, à l'ouest du 3e méridien, dans la province de la Saskatchewan, et tous les terrains disponibles dans les townships 20, 21 et 22, rang 3, à l'ouest du 4e méridien, dans la province d'Alberta.

Par arrêté en conseil du 22 mars 1918, un certain droit de passage pour la branche est Bassano de la Compagnie de chemin de fer Pacifique Canadien a été rétrocédé au département de l'Intérieur et l'on désire maintenant donner à ce département l'autorisation de consentir des baux de pâturage pour ce qui reste de ces terrains.

Le ministre recommande par conséquent que le département de l'Intérieur soit autorisé de consentir des baux de pâturage ou autres baux similaires pour les terrains ci-haut décrits, aux conditions suivantes : que tous tels baux ne soient pas pour plus d'un an, qu'ils doivent tous expirer le même jour, qui sera entre le premier novembre et le 1er avril dans une année quelconque, et qu'avant d'accorder un bail le consentement du ministre de la Milice et de la Défense doit être obtenu.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 24e jour de juillet 1918, représentant que le quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, ainsi que d'autres terrains, a été cédé le 3 janvier 1907 au Gouverneur et à la compagnie dite "Company of Adventurers of England" faisant le commerce dans la baie d'Hudson et ordinairement connue sous le nom de "Hudson's Bay Company", en vertu des dispositions à cet effet contenues dans la *Loi des terres fédérales*.

Le Ministre représente de plus qu'une inscription de homestead pour ledit quart de section a été, par erreur, accordée le 9 août 1912 à M. Thomas William Ripper qui a occupé continuellement ce terrain depuis 1913 et qui y a fait des améliorations considérables.

A la demande du département de l'Intérieur, la Compagnie de la Baie d'Hudson a cédé le quart de section en question pour que l'inscription de M. Ripper, puisse être confirmée et choisi en échange le quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel avait été depuis quelques temps réservé pour la compagnie.

Le ministre recommande, par conséquent, que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et que des lettres patentes pour le dit quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel terrain est disponible pour cette fin, soient émises à la compagnie de la Baie-d'Hudson en échange du quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, dont Sa Majesté le Roi George V a actuellement la propriété pour le Dominion du Canada, et que l'inscription de homestead du dit terrain accordée le 9 août 1912 au dit Thomas William Ripper soit confirmée.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 23e jour de juillet 1918, représentant que le 7 novembre 1907, des lettres patentes ont été accordées à M. Arthur Hitchcock, de Moosejaw, pour le quart nord-ouest de la section 3, township 21, rang 7, à l'ouest, du 3e méridien, province de la Saskatchewan, contenant 160 acres, qu'il avait été permis à M. Hitchcock d'acheter au prix de $3 l'acre pour les fins d'une ferme et d'un enclos à bétail en rapport avec son ranch.

On s'assura plus tard du fait que M. Hitchcock avait fait ses améliorations sur le quart nord-est de ladite section 3, et conformément à sa demande il fut décidé, en 1908, d'échanger le quart nord-ouest de cette section pour le quart nord-est de cette même section, pourvu que M. Hitchcock déposât au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, couvrant le quart nord-ouest dont la patente lui avait été accordée.

Le terrain en question a récemment été inspecté par un fonctionnaire du département de l'Intérieur, qui a fait rapport que les deux quarts de section sont très accidentés, ne sont propres qu'au pâturage, qu'il y a très peu ou point de différence de valeur entre les deux quarts de section; le quart nord-est que M. Hitchcock désire acheter étant le plus accidenté des deux.

Le ministre recommande que l'échange soit confirmé et demande l'autorisation d'émettre des lettres patentes en faveur de M. Hitchcock pour le dit quart nord-est de la section 3, township 21, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan, contenant 161 acres, et qui est actuellement disponible, dès qu'il déposera au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, franc et quitte de toutes charges, du quart nord-ouest.

Le comité agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'a été soumis au Gouverneur général en conseil un rapport du ministre de la Justice représentant ce qui suit au sujet des renforts pour le corps expéditionnaire canadien qui seront obtenus sous le régime de la *Loi du service militaire de 1917*, savoir :

Il est prescrit par le paragraphe 4 de l'article 13 de ladite loi que " à moins d'autorisation ultérieure par le Parlement, les renforts prévus sous le régime de la présente loi ne doivent pas dépasser cent mille." D'après les dispositions de la loi ces renforts pour le corps expéditionnaire canadien actuellement en service actif outre-mer doivent être enrôlés par levée sélective, et il est évidemment désirable d'obtenir pour les renforts autorisés les hommes les mieux qualifiés pour le service militaire et dont leurs occupations civiles peuvent le mieux se dispenser. Pour atteindre ce but il est fréquemment nécessaire, dans le procédé de sélection, de suspendre la décision ou d'exiger un certain service stagiaire et de procéder par expérience, considérant que la classe appelée fournit plus d'hommes aptes au service qu'il n'est nécessaire pour l'effectif limité des renforts. Dans le concours pour la sélection surgissent des questions d'aptitude physique au service militaire aussi bien que des questions d'utilité relative des hommes à la communauté dans leurs occupations ordinaires ; il se présente aussi des considérations ou questions de nature sympathique dans les cas d'inconvénients extrêmes pour les particuliers. Il a par conséquent été jugé opportun ou nécessaire dans l'intérêt général que nombre d'hommes qui se sont présentés pour le service soient mis en mesure d'attendre la sélection finale ou la détermination de leur aptitude au service, ce qui a été accompli au moyen d'un congé permanent conditionnel ou d'un congé temporaire, ou en considérant la période d'entraînement en Canada comme un stage durant lequel la recrue, quoique conditionnellement enrôlée dans le corps, peut, si pour une raison quelconque elle est jugée moins désirable qu'une autre qui peut la remplacer, être finalement congédiée de l'effectif des renforts à fournir.

Considérant les progrès de la guerre et l'opinion des autorités militaires qui ont charge des opérations contre l'ennemi, il est nécessaire que l'effectif entier de 100,000 hommes de renforts pour le corps expéditionnaire canadien outre-mer soit levé et envoyé aussitôt que possible pour la défense du pays ; et il est non seulement raisonnable et convenable, mais aussi strictement nécessaire, conformément à l'intention expresse de la loi, que l'affectif de ces renforts soit calculé au seul point de vue des hommes définitivement choisis et envoyés outre-mer pour service actif. Néanmoins, des doutes ont surgi quant à la définition du corps et quant au temps et à la méthode de déterminer le nombre de ceux qui composent ces renforts dans les termes de la loi ;

Et attendu qu'il est jugé essentiel que les pouvoirs conférés et les mesures autorisées pour la levée des renforts se continuent et soient employés ou invoqués dans le but de lever au Canada et d'envoyer au moins cent mille hommes valides pour le service d'outre-mer.

Par conséquent, afin d'éliminer tout doute, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et conformément aux pouvoirs conférés par la *Loi des mesures de guerre, 1914*, ou dont le Gouverneur en conseil est autrement revêtu, d'établir le règlement suivant, qui est par les présentes établi en conséquence :

Règlement.

Tous les pouvoirs conférés par la *Loi du service militaire de 1917* et par les règlements établis sous le régime de cette loi ou sous l'empire de la *Loi des mesures de guerre, 1914*, et qui ont été jusqu'ici exercés ou pouvant actuellement être exercés afin d'obtenir des renforts pour le corps expéditionnaire canadien actuellement en service actif outre-mer, ainsi que les mesures qui ont été décrétées ou autorisées à cette fin restent en vigueur et seront exécutées jusqu'à ce que le nombre d'hommes obtenus sous l'empire de la *Loi du service militaire de 1917* et des dits règlements, et qui se sont embarqués ou ont été envoyés ou qui s'embarqueront en Canada ou en seront envoyés pour le service d'outre-mer dans le dit corps, atteigne un total de cent mille.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que les ratifications de la Convention du service militaire réciproque entre le Canada et les Etats-Unis ayant été échangées à Londres le 30 juillet 1918, la Convention a été déclarée avoir force de loi par l'arrêté en conseil du 5 août 1918 ;

Et attendu que le ministre de la Justice est d'avis qu'il est de plus nécessaire que des règlements soient établis déclarant que, sont sujets au service militaire en Canada les citoyens des Etats-Unis auxquels s'appliquent les dispositions de la Convention, et établissant une procédure pour la mise en vigueur des dits règlements.

Par conséquent, pour les fins susdites, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi des mesures de guerre de 1914*, ou existant autrement à cette fin, de sanctionner par les présentes les règlements suivants, intitulés: " Règlements de la Convention du Service Militaire des Etats-Unis ".

Il plaît, de plus, à Son Excellence le Gouverneur général en conseil, de décréter et déclarer par les présentes que lesdits règlements ont force de loi.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÈGLEMENTS DE LA CONVENTION DU SERVICE MILITAIRE DES ETATS-UNIS.

1. Dans les présents règlements et pour les fins de ces règlements et de tous autres règlements modificateurs ou additionels concernant le service militaire de citoyens des Etats-Unis en Canada, à moins d'incompatibilité avec le sujet ou le contexte,—

(*a*) " Convention " signifie la convention règlementant réciproquement le service militaire de sujets britanniques canadiens aux Etats-Unis et de citoyens des Etats-Unis au Canada, dont les ratifications ont été échangées à Londres entre Sa Majesté et le Président des Etats-Unis le 30 juillet 1918 ;

(*b*) "exemption diplomatique" est une expression employée pour définir la condition de ceux qui ont des certificats d'exemption du service militaire, accordés par le gouvernement des Etats-Unis sous le régime de l'article III de la Convention, lesquels certificats sont encore en vigueur ;

(*c*) les questionnaires auront telle forme et contiendront telles questions ou exigeront tels renseignements pertinents que le ministre de la Justice peut prescrire ou ordonner ;

(*d*) " registraire " signifie le registraire ou sous-registraire sous le régime de la *Loi du service militaire de 1917* pour la province ou le district où réside, ou se trouve le citoyen des Etats-Unis concerné ;

(*e*) " inscrit " signifie un citoyen des Etats-Unis qui se sera présenté au registraire conformément à l'article 3 des présents règlements et dans le délai qui y est spécifié, et ceux qui se présentent ainsi seront censés s'enregistrer ou s'être enregistrés ;

(*f*) "citoyen des Etats-Unis", au singulier ou au pluriel, ne désigne que les citoyens du sexe masculin des Etat-Unis en Canada, entre les âges alors spécifiés dans les lois des Etats-Unis qui prescrivent le service militaire obligatoire, non compris ceux qui ont obtenu l'exemption diplomatique ;

(*g*) où il est prescrit qu'un délit quelconque est passible d'amende et d'emprisonnement, il sera du pouvoir de la cour qui adjuge d'imposer soit l'amende ou l'emprisonnement, dans les limites spécifiées, à la discrétion de la cour ;

(*h*) Les dispositions de la *Loi d'interprétation*, Statuts revisés du Canada, 1906, s'appliqueront.

2. Les citoyens des Etats-Unis sont, par les présentes, assujétis au service militaire en Canada et ils auront droit à l'exemption ou au congé sous le régime des lois et règlements régissant le service militaire actuellement en vigueur en Canada ou qui pourront l'être de temps à autre. Toutefois, outre les raisons d'exemption prescrites pour les sujets britanniques, les citoyens des Etats-Unis peuvent demander l'exemption en raison du fait qu'ils se sont enrôlés dans le délai limité par la Convention ; mais la preuve de tel enrôlement est à charge de la personne qui l'allègue.

3. Tout citoyen des Etats-Unis, dans les dix jours après l'expiration du délai fixé par la Convention durant lequel le gouvernement des Etats-Unis peut lui délivrer un certificat d'exemption diplomatique, devra déclarer sincèrement au registraire, par lettre chargée et d'une écriture bien lisible, son nom au long, son occupation et la date de sa naissance, mentionnant aussi s'il est célibataire, marié ou veuf ; et, dans ce dernier cas, s'il a un enfant vivant ; aussi, si marié, la date de son mariage ; puis son lieu de résidence et son adresse ordinaire au Canada ; et, s'il réside dans une ville ou localités où les rues sont nommées et les maisons numérotées, le nom de la rue et le numéro de la maison ; ou s'il réside dans un autre endroit, le numéro du lot et de la concession, la section, le township et le méridien, ou autre description précise permettant de connaître son lieu de résidence, eu égard à la coutume dans la localité où il réside. Si sans excuse raisonnable il néglige de faire cette déclaration en la manière et avec les détails ci-dessus mentionnés et dans le délai susdit, il est coupable de délit et passible sur conviction sommaire d'une amende n'excédant pas cinq cents dollars et d'emprisonnement pour une période n'excédant pas six mois, et de plus d'une amende de dix dollars pour chaque jour après le délai fixé pour l'enregistrement pendant lequel il continue à n'être pas enregistré.

4. Tout citoyen des Etats-Unis qui a obtenu l'exemption diplomatique, bien qu'il ne soit pas autrement sujet aux présents règlements, doit dans les dix jours après que cette exemption a été accordée faire au registraire cette déclaration, de la même manière et avec les mêmes détails prescrits à l'article précédent ; il doit de plus inclure dans sa déclaration les détails exacts et complets de son certificat d'exemption diplomatique. Négligence ou omission sans excuse raisonnable de se conformer aux prescriptions du présent article constitue un délit passible de la même manière des peines prévues à l'article précédent.

5. Le registraire, sur l'ordre du ministre de la Justice, adressera à chacun ou à tout inscrit, ou à toute classe quelconque d'inscrits, par la poste chargée, un questionnaire auquel doit répondre l'inscrit, exigeant tels détails, preuve et renseignements qui peuvent être nécessaires ou désirables pour décider si l'inscrit est sujet au service militaire ou à droit à l'exemption ; et le registraire peut, de la même manière, s'il est jugé nécessaire ou opportun, adresser de temps à autre à un conscrit quelconque d'autres questionnaires pour revision ou autres fins. Il est du devoir de tout inscrit auquel un questionnaire est adressé de répondre exactement et pleinement par écrit aux questions qui y sont posées et de retourner au registraire par lettre chargée le questionnaire, avec ces réponses et les autres preuves et renseignements requis, afin que le registraire les reçoive par livraison postale ordinaire vingt jours au plus après que le questionnaire a été adressé à l'inscrit par le registraire ; et si l'inscrit, sans excuse raisonnable, néglige ou omet de renvoyer le questionnaire avec les réponses, preuves et détails ci-dessus mentionnés, dans le délai susdit ou dans tel autre délai que le ministre de la Justice peut autoriser par écrit, il doit se présenter pour le service militaire à l'expiration de ce délai, comme dans le cas ci-après prévu de citoyens des Etats-Unis qui négligent ou omettent de se présenter pour l'enregistrement, et il est passible des mêmes peines s'il ne se présente pas ainsi pour le service militaire.

6. Si un inscrit fait une réponse fausse ou trompeuse à une question quelconque qui lui est posée dans un questionnaire, il est coupable de délit et passible sur conviction sommaire d'emprisonnement pour une période n'excédant pas un an.

7. Les demandes d'exemption peuvent être présentées avec les réponses des inscrits à leurs questionnaires et considérées et décidées d'apres ces réponses et tous autres renseignements ou preuves qui peuvent être raisonnablement exigés ou offerts, et, sauf ainsi qu'autrement prescrit, de la même manière qu'en ce qui concerne les demandes d'exemption de sujets britanniques.

8. Un inscrit, bien qu'il puisse en tout temps se présenter volontairement, ne sera pas requis de se présenter pour le service militaire avant l'expiration de vingt jours après que le registraire lui a adressé un questionnaire sous pli chargé, ni tant qu'est pendante une demande d'exemption faite par ou pour l'inscrit, ni tant qu'il a un certificat d'exemption accordé sous le régime des présents règlements.

9. (*a*) Les inscrits, lorsqu'ils seront notifiés par le registraire de se présenter pour le service militaire se présenteront, tel que requis, aux dates et endroits respectivement et de la manière spécifiée et prescrite dans l'avis.

(*b*) Les citoyens des Etats-Unis qui négligent ou omettent de s'enregistrer, conformément aux présents règlements, se présenteront pour le service militaire à l'un des postes de bataillons du Corps Expéditionnaire Canadien immédiatement après l'expiration du délai durant lequel ils auraient dû s'enregistrer ; et si, sans excuse raisonnable, un citoyen des Etats-Unis, soit un inscrit ou non, néglige de se conformer aux prescriptions que lui impose le présent article, il est coupable de délit et passible, sur conviction sommaire, d'emprisonnement pour une période n'excédant pas cinq ans.

10. Les registraires ont le pouvoir de délivrer des certificats d'exemption à des citoyens des Etats-Unis sans en référer à un tribunal dans les cas où il est évident, considérant les faits allégués dans la demande, la preuve soumise et les renseignements obtenus par le registraire, que le requérant à droit à l'exemption ; mais tout certificat délivré par un registraire dans l'exercice de ce pouvoir est sujet à révision par un tribunal d'appel, ou par le juge d'appel central, sur demande ou avis par ou pour un représentant public attaché au bureau du registraire ou au bureau du registraire en chef du Canada.

11. Les dispositions de la *Loi du service militaire de 1917* et des règlements établis sous le régime de cette loi, ainsi que les dispositions des règlements affectant le service militaire sanctionnés sous l'empire de la *Loi des mesures de guerre de 1914*, en autant qu'ils ne sont pas incompatibles aves une loi ou un règlement s'appliquant spécialement ou exclusivement aux citoyens des des Etats-Unis, s'appliqueront en autant que possible aux citoyens des Etats-Unis de la même manière qu'ils s'appliquent aux sujets britanniques, et les formules prescrites peuvent être employées avec telles adaptations qui peuvent être utiles ou nécessaires pour convenir aux circonstances du cas, pourvu que la restriction prévue par le paragraphe 4 de l'article 13 de la *Loi du service militaire de 1917* ne soit censée s'appliquer qu'aux sujets britanniques seulement.

12. Rien dans les présents règlements ne sera interprêté incompatiblement avec la Convention.

13. Les présents règlements seront publiés immédiatement dans la *Gazette du Canada* et entreront en vigueur le jour de leur publication, et ils demeureront en vigueur tant que la Convention sera en vigueur.

14. Les présents règlements peuvent être cités comme Règlements de la Convention du service militaire des Etats-Unis. 8–2

HOTEL DU GOUVERNEMENT A OTTAWA.

Mercredi, le 29e jour de mai 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il est prescrit par le paragraphe 2 de l'article 5 de la *Loi de l'extension des frontière du Manitoba, 1912*, que toutes les terres (connues sous le nom de terrains marécageux) transférées à la province du Manitoba sous le régime de l'article 1 du chapitre 50 des Statuts de 1885, et non vendues à la province à l'époque à laquelle les termes et conditions de la dite loi auront été agréés par la législature de la province, doivent être transférées de nouveau au Gouvernement.

Et attendu que certains quarts de section et certaines sections en partie couverts d'eau ou de marais ont été transférés à la province du Manitoba, sous le régime des dispositions du dit article 1 du chapitre 50 des Statuts de 1885, et attendu que la province ayant disposé des parties sèches des dits quarts de section et des dites 4 sections par des actes de ventes, les parties qui en restent devraient par conséquent, en vertu des dispositions du dit paragraphe 2 de l'article 5 de la *Loi de l'extention des frontières du Manitoba, 1912*, être transférées de nouveau au gouvernement fédéral.

Et attendu qu'à cause de la colonisation, du drainage, de la récession des eaux des lacs et pour autres raisons il est considéré pratiquement impossible de définir aujourd'hui les bornes entre les premières parties sèches et humides des dits quarts de section et sections, et que le transfert au gouvernement fédéral des parties non vendues par la province n'a par conséquent pas été fait, car on ne pouvait donner au Bureau des titres des terres des descriptions suffisamment détaillées des terrains qui devaient être transférés.

Et attendu que la même difficulté existe en ce qui concerne les bornes des parties desdits quarts de section et sections vendus par la province, et que les acheteurs éprouvent de sérieux ennuis parce qu'ils ne peuvent obtenir le titre à leurs terres.

Et attendu que le département de l'Intérieur a été avisé que la difficulté surgissant de l'impossibilité de donner des descriptions détaillées des terrains ci-dessus mentionnés, qui ne forment qu'une partie de quarts de section ou de sections, peut être réglée par un arpentage effectué par les deux gouvernements, avec le consentement des acheteurs de la province, si ce consentement peut être obtenu, cet arpentage divisant les quarts de section ou les sections de manière à donner aux acheteurs et au gouvernement fédéral chacun sa part due, et attendu que l'arpenteur général des terres fédérales a estimé qu'un tel arpentage pourrait coûter $7,500, cette estimation, toutefois, ne comprenant pas ce qu'il en coûterait pour obtenir le consentement des acheteurs aux bornes proposées.

Et attendu que la plupart desdites parties fractionnaires de terres marécageuses qui n'ont pas été vendues par la province sont encore plus ou moins couvertes d'eau, et que l'ingénieur en chef du service hydrométrique du Manitoba du Bureau de l'hydraulique du département de l'Intérieur a fait rapport qu'en autant qu'il sache ces parties fractionnaires n'ont aucune valeur particulière en rapport avec le développement de l'énergie hydraulique ou l'approvisionnement d'eau, le Ministre est d'avis que le coût d'obtenir les renseignements nécessaires pour les transférer au gouvernement fédéral ne serait justifiable.

Et attendu que la province du Manitoba a demandé au gouvernement fédéral son consentement à la cession desdites parties fractionnaires, afin qu'elle puisse disposer des quarts de section et sections respectives comme un tout, et a offert de céder au gouvernement fédéral plusieurs terrains provinciaux sur lesquels des inscriptions de homestead avaient été accordées par erreur et dont le département de l'Intérieur tente depuis quelques temps d'obtenir possession.

Et attendu que le ministre de l'Intérieur, après soigneuse considération, est d'avis que cette cession à la province serait de l'intérêt public, car elle trancherait la difficulté ci-dessus mentionnée concernant les bornes desdits terrains.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, de décréter par les présentes que les parties fractionnaires des terres marécageuses énumérées dans l'annexe "A" ci-après, en autant que sont concernés les droits dans ces terrains qui devraient être transférés au gouvernement fédéral sous l'empire des dispositions du paragraphe 2 de l'article 5 de la *Loi de l'extension des frontières du Manitoba, 1912*, soient par les présentes cédées à Sa Majesté le Roi Georges V pour les fins de la province du Manitoba.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 10e jour d'août 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Agriculture et en vertu de la *Loi de l'industrie laitière*, de décréter par les présentes que les règlements sous le régime de la *Loi de l'industrie laitière, 1914*, établis par un arrêté en conseil du 6e jour de juin 1914, soient par les présentes rescindés à partir du 31 jour d'août 1918 et que leur soient substitués les règlements ci-annexés, qui entreront en vigueur le 1er jour de septembre 1918.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

—

RÈGLEMENTS.

DÉFINITIONS.

(*a*) "Loi" signifie la *Loi de l'industrie laitière de 1914*.

(*b*) "Ministre" signifie le ministre de l'Agriculture.

(*c*) "Marque" signifie les marques, étampes, timbres, étiquettes ou écrits placés sur le fromage ou sur un paquet contenant du fromage, du beurre ou un autre produit laitier, dans le but d'indiquer spécialement la qualité ou le classement de ce produit, le lieu de fabrication ou le pays d'origine.

(*d*) "Beurre" signifie le produit alimentaire généralement désigné sous le nom de beurre, qui est fabriqué exclusivement avec du lait ou de la crème ou avec les deux, avec ou sans l'addition de matière colorante, de sel commun ou d'autres substances préservatives inoffensives.

(*i*) "Produit laitier ou "produits laitiers" signifient le lait, la crème, le lait condensé, la poudre de lait, le beurre ou le fromage ou tout autre article fabriqué avec du lait et toutes les imitations de ces articles à l'exception toutefois de l'oléomargarine, de la butterine ou des autres succédanés de beurre, fabriqués entièrement ou en partie avec une autre matière grasse que celle du lait ou de la crème.

(*j*) "Paquet" signifie les boîtes, tinettes, jarres, boîtes de métal, caisses à claire-voie, caisses, cartons ou tout autre récipient ou couverture, employés dans l'emballage du beurre ou du fromage.

4. "Beurre de petit-lait" signifie du beurre fabriqué avec du petit-lait.

1. "Fromage de lait écrémé" signifie du fromage fabriqué avec le lait ou par l'emploi du lait généralement désigné sous le nom de lait écrémé, ou de lait dont on a enlevé la crème; ou du lait auquel on a ajouté du lait écrémé, ou du fromage contenant, dans sa substance séchée, moins de 45% de gras de lait.

MARQUAGE OBLIGATOIRE.

2. Toutes les marques placées, conformément à ces règlements, sur le fromage ou sur les paquets qui contiennent du fromage ou du beurre doivent être lisibles et indélébiles, et doivent se composer de lettres n'ayant pas moins d'un demi-pouce de long et trois huitièmes de pouce de large, à l'exception des marques apposées sur le papier parchemin qui enveloppe le beurre et qui doivent être en lettres n'ayant pas moins d'un quart de pouce carré.

3. Les fabricants de beurre de petit-lait doivent faire marquer, au moment de l'emballage, sur tous les paquets qui contiennent ce beurre de petit-lait, les mots "Beurre de petit-lait."

4. Toute personne qui mélange du beurre de petit-lait avec du beurre de beurrerie ou du beurre de laiterie, doit faire marquer, au moment de l'emballage, sur les paquets qui contiennent ce beurre mélangé, les mots "Beurre de petit-lait."

5. Toute personne qui mélange du beurre de laiterie avec du beurre de beurrerie doit faire marquer, au moment de l'emballage, sur les paquets qui contiennent ce mélange, les mots "Beurre de laiterie."

7. Toute personne qui emballe du beurre de laiterie dans des boîtes semblables à celles dont on se sert pour l'emballage du beurre de beurrerie doit faire marquer sur ces boîtes, au moment de l'emballage, les mots "Beurre de laiterie".

8. Il est interdit de tailler ou d'emballer du beurre de laiterie en pains ou mottes et d'emballer ces pains ou mottes dans du papier parchemin, à moins que ledit parchemin ne porte, imprimés ou marqués, les mots "Beurre de laiterie".
